### Eight Seniors Receive Scholarships

Several seniors have earned scholarships which will help them continue their education. The following outstanding students have applied themselves whole-heartedly to their studies and other achievements during their years in high school and certainly deserve the best wishes and sincere congratulations of the SMOKE SIGNALS staff, the student body, and the faculty:

Ben Wolcot — \$285 to Carson Newman

Judy Pinkston — \$100 (Delta Kappa Gamma) to University of Tennessee

Paul Wyatt — \$300 (U.T. Freshman and U.T. Alumni) to U.T.

Becky Lewis — full scholarship to University of Tennessee

Another trophy now graces Holston's rapidly filling trophy case. The first of its kind, it is Holston's T.V. Quiz team's Championship Trophy. The T.V. Classroom Quiz was started on an exploratory and experimental basis last December. Its purposes was to promote interest in scholarship and to acquaint the public with the activities of the Knoxville Chamber of Commerce.

The first teams to play were Central and Young. Holston was scheduled to play the winner of this game. By defeating Central, East, and Carter on January 20th, February 3rd, and February 10th, respectively, Holston became the first school to have a thrice-victorious team. This made them eligible for the series of run-offs which were to be held between teams which fell into a like category.

Holston's team was under the supervision of its two sponsors, Mr. Knisley and Mr. Foxx, who chose the members of the team on the basis of scores which were kept during practice sessions similar to the actual T.V. program. After Judy Pinkston, Bob Murrian, and Paul Wyatt were chosen for the team with extra support from Danny Whittle and Harold Terry as alternates, they began an intense drilling session which lasted for several afternoons until the date of the first game. Each team member received a twenty-five dollar sav-

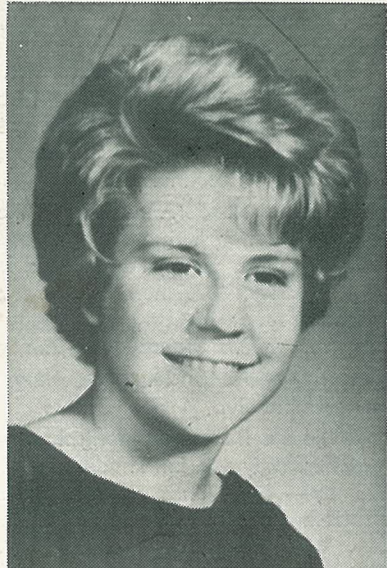

ings bond for the team's first three appearances. As a group they won three television sets for the school.

The team was a specialized co-operative effort: Bob and Paul were to cover most of the general questions, and Judy was to specialize on "bonus" questions and music questions. Paul led the team's scoring through all its games, Judy ranked second, and Bob third. In the determining game, the final score stood 350 to 190. Of these 350 points, Paul scored 240, Judy 90 and Bob 20.

In the run-offs for the championship, the team names and their opponents were drawn and placed in the position in which they would play, according to the winner of the previous game. On April 22nd Holston defeated Powell, on the 29th South, and on May 13th West, making them the first Champion T.V. Classroom Quiz team.

In the final game the team answered such questions as: What is the common name for acetyl salicylic acid? What's the capital of Ireland? and What does the term "allegro" mean? to lead continuously throughout the game. This fine team has brought another very distinguished honor to our school, and has also established Holston as one of the most academically requiring institutions of learning in Knoxville and Knox County.

## COMMENCEMENT SPEAKERS

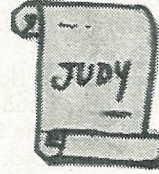

### Commencement To Have Co-Valedictorians

The three seniors who have the highest class grade averages will speak at the commencement service. There will be two Valedictorians, both with perfect 4.0 averages. They are Betty Ownbey and Paul Wyatt. Bob Murrian with an almost perfect average will be the Salutatorian.

The four selectees are active in many school functions. Rosalind Perrin has been a band sponsor and alter-

nate cheerleader. She has been a member of Y-Teens, J.C.L., French Club, Pep Club, and Swimming Team. Judy Pinkston, Diane Winn, and Judy Turner have been members of the Choir, Annual Staffs, and Beta Club. Judy Pinkston and Diane Winn were also Madrigals and F.T.A. members. Diane Winn and Judy Turner have belonged to P.A.L. and the Pep Club. All four have been in a senior play this year, and rank high in the class scholastic rankings.

### Smoke Signals Rated Excellent

Smoke Signals, now ending its second year as a printed newspaper, has been rated Excellent by the Tennessee High School Press Association. Excellent is one rating higher than the Good rating the newspaper received last year.

Holston is one of six Knoxville schools having Excellent papers this year. The other five are East High, Blue and Gray; Fulton High, The Falcon Quill; Halls High, Red and White; Rule High, Bear Facts; and South High,

#### Rocket's Tale.

Nearly one hundred newspapers entered the state-wide competition. Twelve publications were rated Superior, one rating above Excellent. Of these twelve, three were rated A-1-Tennessee, which is the highest rating.

Forty-two newspapers received the Excellent rating, while twenty-two were rated Good. Stencil-duplicated newspapers were judged and rated separately from the printed publications.

On behalf of the '62-'63 **Smoke Signals** Staff, I am honored to express our appreciation to Marilyn Sheeley, whose untiring efforts as editor have made this year's newspaper a success. Without her optimism and encouragement this would not have been possible. Our thanks are also extended to the assistant editors, Sarah Jones and Sue Tuttle, for their able assistance and service. For the efficient managing of the newspaper, we must thank our capable and devoted sponsor, Mrs. Rhodes. Next year, the staff hopes to continue making our newspaper one of the best.—Sara A. Anderson, Editor for '64.

## THE LAST WORD

The "big chief" first thanks the Warriors who lit the fires for **Smoke Signals** each month.

Next, I thank Mr. Hendrix, the biggest chief of all, for his constant interest and many practical suggestions.

I thank Mrs. Rhodes whose tact and patience subdued forty restless Indians every month and led us along the paths of work.

We are grateful to Mr. Knisley and Coach Smith for keeping the wood chopped during Mrs. Rhodes illness last winter.

Most of all, thank you, students for buying your school newspaper. It has been a treat to walk through the halls and see **Smoke Signals** floating about.  
Marilyn Sheeley

## DEAR SENIORS

After four years of study and work together, we feel that we are losing to the colleges and the trades a very fine group of people who are qualified to take their places in the community.

We have tried very hard to prepare you for the future, and we trust that what you have accomplished here will benefit you in your search for a rewarding and happy future.

We regret to see you go, but you are always privileged to visit us and remember old times. We wish for each of you the very best things that life can give. May your future be a happy one. — R. E. Hendrix, Principal.

## HISTORY

The Senior Class of 1963 is very proud of the academic achievements, the leadership ability, and the countless contributions we have made in our four years at Holston High School! We have been well-represented in each athletic, social and school organization during this time. The members of our class have come from many parts of the world including Maine, Texas, Panama, Belgium and North Carolina.

We began our freshman year at Holston by electing as our officers Bob Murrian as president; Dick Boswell as vice president; Peggy Hankins as secretary; and Suzanne Wood as treasurer. During the football season, our class was well represented by Lloyd Watkins on the varsity team and thirteen members on the second team. During the basketball season, Dave Greene, Charlie Bower, Jim Boswell, and Jim Stanberry were members of the B-Team. The girls B-Team was represented by Jane Roberts, Gretchen Dudenbostel, Suzanne Johnson and Eleanor Parrott. Peggy Hankins was the Optimist Bowl Candidate and Suzanne Wood was Football Princess. Suzanne Johnson, Betty Ownbey and Janet McCarty were members of the choir.

The Sophomore Class contributed seven members to the choir, one majorette, five members to the football team, one cheerleader, two members of the basketball team, a football queen. Our sophomore class officers were Bob Murrian, president; Allen Shirley, vice president; Jim Boswell, secretary, and David Greene, treasurer.

We began our junior year with high hopes and great expectations. As upper classmen, all of our members took an active part in the many activities offered by our school. To lead our class, we chose Suzanne Wood, vice president; Danny Whittle, vice president; Allen Shirley, secretary; Sandy Bittle, treasurer; and Bob Murrin, president. In the student council, we were represented by Suzanne Wood, Dick Boswell, Virginia Nagel and Harry Sherrod. We had thirteen members in the Beta Club, fifteen members in the Key Club, thirteen members in the National Honor Society, sixteen members of the choir and many members of the band—including two majorettes. Bob Murrian and Peggy Hankins were Mr. and Miss Junior. Harriet Ruble was the Junior Beauty. We continued to have three members of the varsity football squad and four on the varsity basketball team. Three of our members were on the track team and five members on the girl's basketball team. Sandy Bittle, Peggy Hankins and Suzanne Wood were varsity cheerleaders. Two of our members were on the newspaper staff and four on the annual staff. Virginia Nagel was selected summer exchange student to Brazil. We sent the seniors off in high style with a banquet and prom at the U.T. Student Center. The theme was "Remember When" and the Bonnavilles furnished the music.

Our junior year at Holston had ended and our long awaited dream of being seniors was now a reality. In August we received our class rings which really made it official. For the fourth year, Bob Murrian was our class president. Allen Shirley was secretary; Dick Boswell, vice-president; and Sandy Bittle was treasurer.

This year the senior class presented two excellent plays. On Tuesday, December 4, the Holston High Senior Class presented the play, "A Man Called Peter." The play, a drama, starred Vaughn Barnard as Peter Marshall and Judy Turner as Catherine Marshall. The play told of the struggles of a young and dedicated minister against the forces of poor health and hostile parishoners. The plot had moments of high tension, bits of pathos, and touches of humor. The performance was well received by all.

Next came "Our Hearts Were Young An' Gay." The spring play presented by the Senior Class was in a much lighter vein than was the winter play. The play starred Judy Pinkston and Sarah Jones as two American teenagers traveling in Europe during the "Roaring Twenties." The audience was highly entertained by the adventures and misadventures of the two girls.

Again, our athletic department was well represented by the class of 1963. The members of Holston's fierce football team who are seniors were captain, Lloyd Watkins; co-captain, Bob Murrian; Gary Haynes, Charles McDaniel, Charles Rader, Danny Whittle, and Ben Wolcott. Bob Murrian was honored as the Scholastic Athlete of the Year. On Holston's basketball team which went to the Regional Tournament the seniors were captains, Jim Boswell and David Greene, Richard Boswell, and Charles Bower. Seniors on the girl's basketball team were captain, Eleanor Parrott, Gretchen Dudenbostel, Geraldine Brown, and Brenda Serriitt. The seniors on Holston's track team were Allen Shirley, Lloyd Watkins,
