

Jackie Kersh Named O & W Spring Editor

Packett, Sproul Changes Approved

Jackie Kersh was unanimously approved by the Publications Council as Editor-in-chief of the Orange and White for the remainder of the year. Miss Kersh is a senior majoring in Journalism, and is a native of Daytona Beach, Fla. She has been senior managing editor since the beginning of the Fall Quarter. She is treasurer of Sigma Kappa sorority, and a member of Phi Kappa Phi, Beta Gamma Sigma, and Kappa Tau Alpha. She is chairman of ASC Publications Board and a student member of Publications Council.

The Council also approved as managing editors Lee Winfrey and Pete Packett, subject to their acceptance of the posts. Winfrey was nominated previously for the position of Editor-in-chief by the retiring editor, Bob Ward. Harvey Sproul and Harriet Clack were approved as news editors.

The Council authorized an expenditure of \$75 to assist in staging the annual Tennessee High School Press Association Convention. The Convention brings together the editors of the high school newspapers for the purpose of exchanging experiences. The Convention this year will meet in Nashville.

Ward Appointed Student Center Committee Head

With 22 members absent, the ASC bowed to mid-terms and adjourned its meeting last Tuesday after a short business session.

Lucien Dale reported to the council that Jere Griggs had offered his resignation as member of the Student Center Committee. His resignation was accepted and Bob Ward was selected to replace him. Ward is a former editor of the Orange and White.

Before the adjournment ASC President George Regas clarified a report made by the committee to investigate the bookstore prices. The committee reported that there has been an over-all price increase of 20 per cent.

Regas said that some students are confused on the matter, believing that it is a 20 per cent increase on the retail price. Regas said that the increase is on the wholesale price, and students may still purchase books from the bookstore at a considerable saving.

Tom Walker reported that the SFOB has approved the Backward Dance budget, and Regas announced the date for Honors Day as May 6.

Regas also appointed a Carnicus Committee to study, and make suggestions for changes in the Carnicus procedure. Bobbie Gibson was appointed chairman, and Gavin Gentry, Harold Ernest, Betty Motes, and Lucien Dale were named to the committee.

Heidt To Feature Night At Circus

Horace Heidt's coast-to-coast broadcast from the U-T auditorium Thursday, Feb. 19, will feature an extra attraction entitled "A Night At The Circus." The "Night" is a variety show utilizing many winners of Heidt's "Youth Opportunity Program." Johnny "It's In The Book" Standley is featured.

Winners of the Knoxville audition are also to be featured on the program. Auditions are scheduled for Saturday at 7 p. m. at the Faragut Hotel.

Tickets are on sale at the Student Center on the campus, and at Clark and Jones up town.

Time For All-Sing Tryouts Given By Managers

Schedules for try-outs for the ASC-sponsored All-Sing, Feb. 11 and 12, were announced today by Bob Allison and Peggy Cowart, chairmen of the 1953 All-Sing. Representatives of each organization met last week to draw for the various times.

In the case where two organizations are singing the same song in try-outs, only one will be allowed to be in the finals. Only the highest ranked organization will be one of the finalists even if the lower finishes in the first four," stated Allison.

All organizations who fail to gain the large group finals or who would like to enter only the try-outs for small groups (quartettes) must apply at the SFOB before 4:30 Monday, Feb. 16.

U-T's Famed Flight Program Adopted by University of Miami

An official of the Civil Aeronautics Administration reported here today that because of success and workability of the U-T-originated Flight Training Program, the University of Miami, Fla., will institute a similar program this fall.

John E. Sims, assistant to the regional CAA administrator, Atlanta, said he had just returned from Miami where he was called by university officials to tell them about the U-T plan. A preliminary survey shows there will be at least 200 students to enroll for the program there, he said.

Sims was on the U-T campus to visit with Vice President Fred C. Smith, Transportation Head William Way, Jr., and Flight Coordinator Richard Staples. He was accompanied by L. A. Winkler, regional CAA planning and evaluation chief, and Bill Cook, operator of Cook's Aero Service here who is flight contractor for the U-T program.

Sims said he has received inquiries regarding the U-T program from all over the country. The program was inaugurated last year, as the first university-level plan of its type, to offer both ground instruction and flight training on an elective basis to any student of the University.

Approximately 1200 Students Affected By Flu

The flu epidemic that struck the U-T campus near the first of January is now subsiding.

Dr. A. F. Miller, head of the U-T hospital, said that there are still some cases of flu on the campus, but there is strong evidence that it is subsiding. Until last Saturday the number of cases of flu ran uniformly with about the same number of students being affected at the same time.

At the present, however, only a few students are effected with the virus infection. From Jan. 7, until Jan. 31, there were 185 students in the U-T hospital with influenza. An additional 400 students were diagnosed as having the infection, but were not hospitalized, Dr. Miller said.

Dr. Miller also said that probably 600 more students have been sick with the flu. These students consulted their family doctor, and there is no record in the U-T hospital of their illness.

Dr. Miller declared that this has probably been the largest influenza epidemic to ever hit the U-T campus. "It is certainly the largest since I have been here," he said.

Carnicus Chairmen Consider Problems Of Production, Cost

Should Carnicus finalists receive a rebate? Should there be a limit to expenses? If so, how much?

These are but a few of the problems confronting the ASC's Carnicus Investigating Committee, which met Wednesday to boil down a long list of suggestions and make some decisions, if possible.

In an effort to eliminate another four to five hour production, like last year's, several pertinent suggestions were made. Permission to move scenery on stage during individual stunts seems to be the most important. Other suggestions were enforcing the time limit, limiting and/or improving individual stunts or doing without, and splitting the production into a "double-header" show. The girls one night; boys, the next, perhaps. Some other suggestions were alternating Carnicus and All Sing, using a combo instead of the band, changing Carnicus' dates to May 1 or 2, and writing all skits around one central theme.

Also listed were the annual complaints that Carnicus is too long, is nothing but drudgery and expense, students don't do the censoring, and judges should be qualified.

Carnicus is scheduled this year for Saturday night, May 16.

Bandman Replies To Writer's Washington Review Jan. 29

(Ed. Note—The article printed below is in answer to one which appeared in the Orange and White last week. The editor of the Orange and White and Mr. Remine regret any ill feelings which may have arisen due to the story. However, the writer of the story which appeared last week wrote the situation as he saw it as a staff writer of this paper; regardless of whether or not it was in good taste.)

Publicity Manager, U-T Band
Last week's "gift horse" should have snapped his mouth shut while the brave young writer was peering in, distasteful as it would have been for the horse.

This is the first time I have ever taken issue with the writer of a column, story, etc. Assuming that they know more about what they are writing than I do, I usually accept what they say as facts. But if the author's "Washington Diary" is typical, I see I have been much too gullible.

Why this boy, who is a member of the band, and has gotten many fine trips through this connection, would throw together such a story is beyond me. He started the trip fully aware of the accommodations. He had declined an offer to get a Pullman, saying he would rather stick with the band. He says his night was sleepless. He is a great actor. Dr. Soper could use him in the playhouse.

Register Now To Give Blood

Registrations for the blood donor campaign are far short of the 300 goal, Col. John M. Ferguson, head of the Army ROTC, announced.

There is still time to register to give a pint of blood Monday, Feb. 9, at Memorial Auditorium. Appointments can be arranged this week at the infantry barracks between 8 a. m. and 4 p. m. Friday and Saturday.

The freshman class, which is assisting in the campaign, has set up a booth at E & E where parental permission blanks can be obtained. Students between the ages of 18 and 21 must have parental consent to donate blood.

Blood donated in this campaign will be sent directly overseas to be used by Armed Forces.

Film Society To Show Two Movies

The University Film Society will present two movies today at 3:30 and 7:15 p. m. in Ferris Hall.

The movies to be shown are MAN OF ARAN and THE RIVER.

THE RIVER is a documentary film about the Mississippi River, and its influence on the life of the country.

Tickets can be purchased at the SFOB office for a dollar, which gives admittance to all Society films shown and membership in the Society.

Foundation Seeks Local Members

No students have yet applied for membership to the Danforth Foundation. If anyone is interested they should contact Dean Dunford who has been named by President Brehm to represent the foundation at U-T.

Dean Dunford will work with the foundation on the selection of candidates for membership to the Graduate Fellowship Society, composed of seniors and recent graduates who are preparing for a career of college teaching, and are planning to enter graduate school in September of 1953.

The main purpose of the society is to give encouragement and financial aid to its members, if necessary.

All Danforth Fellows will take part in the annual Danforth Foundation Conference on teaching to be held at Camp Winance in Michigan next September.

Applications

Applications for Carnicus Co-Chairmen are now available in the SFOB office. Deadline for signing up is Wednesday, Feb. 11, at 3:00 p. m. This applies to those wishing to sign up for Co-Chairmen of Carnicus only. Committee chairmen will be selected at a later date.

Rural Development Department Begun By Ag. Extension

In response to increasing interest in community organization as a means to a richer pattern of rural living, the U-T Agricultural Extension Service is establishing a community development department. Crosby Murray will serve the entire state as community development specialist, and Milburn Jones will continue as community specialist in the Middle Tennessee area.

Encouraging community organization work from its beginning, the U-T Extension Service has worked closely with farm families, sponsoring groups, county councils, and others in helping rural communities develop successful improvement programs, points out Dean J. H. McLeod, Extension Service director. "This new step aims at making our help more effective."

Mr. Murray has a long background of work with rural communities and farm families. For many years a county agent, he has served as assistant district agent in East Tennessee during the past seven years, devoting much of his time to community work. He has contributed a great deal to the development of the community improvement program in his district—which has, incidentally, produced the state champion community for the past two years—and is well known to farm families not only in East Tennessee, but throughout the state.

A native of Greene County, Mr. Murray was educated in Lincoln Memorial University and the University of Tennessee. He is now doing further graduate work at U-T and will take over his new position full time on April 1.

Textbook Probers Meet With Brehm To Discuss U-T's "Pink" Textbooks

Annual Drive Begins For 'Y' Groups

FEB. 27 on small signs was seen everywhere on the campus the last few days. The signs did not herald the coming of Groundhog Day or the last day to drop courses. Feb. 2 was the opening day of the annual University Christian Association drive.

Every year U-T faculty and students make possible the YWCA and YMCA on the campus by their donations. Among the many activities in which the Y takes part are Freshman Week, Aloha Oe; community Thanksgiving and Easter services, Convocation, and The Torch publication.

Y meets every Tuesday at 7:00 in the Law building. Blue Triangle is at noon on Tuesday in the Biology Building.

Contributions can still be made at the Y Office in the Student Center. The Finance Committee for the drive was made up of Chairman Wes Pritchard, Sara Emily Whitley, Betty Cowart, Jane Ann Johnson, Norman Schlemmer, Jim Fowler, and Lucien Dale.

Ayres Hall Gets New Make-up

Spring cleaning has come early for Ayres Hall classrooms, but Ayres has not had a face lifting for seven years. Repairs are now being made in preparation for a new paint job throughout the building.

The last time the rooms were painted was in 1946. The originally ivory walls and ceilings and yellow-brown wainscoting in the halls are now veiled by Knoxville black.

The new paint will mean a new color scheme. Light green will be used on walls, white on the ceilings, and dark green half way up the walls of the hall ways. The woodwork will be done with a dark varnish.

Some of the repairs have been completed because of the repairs. The work schedule has been planned to avoid conflict. A few classes have been moved temporarily to other rooms.

Despite the present ivory and smoke-grayed scheme, a few rooms in Ayres are already in bright, CLEAN colors. These were painted earlier, not because of special preference but when classrooms were made into smaller offices. No changes in the building other than repair and paint are planned.

Birdwell, Benjamin Give Speeches

U-T students and faculty heard two speeches this past week by Lord Birdwell of England and Dr. Harold Benjamin of George Peabody College.

Lord Birdwell is an authority on the Middle East, having spent many of his 53 years there. His speech gave a broad survey of the Arab world and the economic, political, and military cross-currents of that area.

Dr. Benjamin flew his own plane here this week for a series of speeches at Oak Ridge and Knoxville. He spoke on international education relations.

Dr. Benjamin is the author of "The Saber-Tooth Curriculum," a satire on the complexities of modern education.

Not a 'Witchhunt' Committee States

State Sen. Sterling Roberts' legislative committee to ferret out subversive material in state textbooks moved to the U-T campus yesterday.

Sen. Roberts, chairman of the committee, is a Republican from Kingston, and one of the youngest senators in the Tennessee General Assembly.

The committee has thus far been concerned with textbooks used in grade schools and high schools. The legislators came to Knoxville after an executive session in Nashville last Monday.

Not a 'Witch Hunt'

Sen. Roberts has gained praise and recognition from all over the state for the manner in which his committee has been conducted. He declared from the start that he did not want the activities of his committee to turn into a "witch hunt."

All complaints from citizens on textbooks must be submitted to the committee in writing. To avoid undue embarrassment to the innocent, the committee has gone into executive session to hear complaints.

Among several witnesses to testify before the committee were: W. A. Bass, Nashville school superintendent; Dr. John L. Hill, of the Baptist Sunday School Board; and Hugh Waters, chairman of the State Textbook Commission.

'Pink' Texts Not Danger

Bass and Hill both felt that the chief problem in combating subversive elements in public schools was not "pink" textbooks, but failure on the part of individual instructors.

Dr. Hill said "teaching Americanism is the best weapon against foreign ideologies." Waters said that the State Textbook Commission had not received a single written complaint about books used in Tennessee schools.

Will Put Public at Ease

Committee member Guy Thackston said that the probe should "put the public at ease" even if it does not uncover any Communist or Socialist propaganda.

Senator Roberts and his committee met with President Brehm at 10 a. m. yesterday.

U-T May Get Joint Area TV

The University of Tennessee is working with educational systems in the Knoxville area in an effort to get a non-commercial television station here.

According to Dr. Brehm, a 14 member board met and submitted a report to the state educational commission which requested the General Assembly to appropriate \$150,000 for each of the state's four major cities to get non-commercial educational television stations.

If the TV facilities were established here, they would be available to all educational systems, and other colleges in this area which could be serviced by the station.

Last fall representatives of the University, Knoxville, Knox county, and surrounding county schools voted unanimously to try to utilize the channel set aside by the Federal Communications Commission for the non-commercial station. Dr. Brehm later asked the U-T Board of Trustees to provide \$200,000 for television facilities. This sum was included in a \$10 million building program which was submitted to the board and was approved.

The station is planned to train students in the television field, and to film shows in an arrangement similar to the present one the University now has with radio stations throughout the state.

A movement is underway by the East Tennessee Television Service Dealers Association urging area citizens to write to the Legislature urging appropriation of the necessary funds for the educational TV station.

Bridge Tournament Set For Feb. 18

Grand slams, little slams, and d rubbers will be the order of the day in the annual bridge tournament set tentatively for Wednesday, Feb. 18 starting at 6 p. m. Any fraternity or sorority may enter a team of two in the four-hour tourney.

Applications are available in the SFOB, says Dana Turnmire, chairman. The tournament is sponsored by the FRB. Two trophies, one to the boys and one to the girls, will be awarded.

Judges are to be Knoxville citizens.

Carnicus

At present a Carnicus investigating committee is studying the idea of making revisions in Carnicus. Among the ideas being toyed with is rebates in the form of money being given to participating groups.

What a fallacy! Carnicus is an amateur production of the students. It is a tradition on the campus. Carnicus was started to provide entertainment for the students and to provide an outlet for talent among the students. Competition in Carnicus is always keen as a razor. When the idea of rebates to participating groups enters the picture, it takes the glitter and thrill of Carnicus away. Carnicus becomes a professional show intent on making money for its participants. It was for this purpose that Vol Vanities was originated.

It seems that one of the bases for the rebate is that participating groups are spending too much money on Carnicus and should be rewarded since they are earning money for the operation of the ASC. What's wrong with earning money for the campus government? The student government cannot be operated on nothing. It costs money to operate it. Carnicus is put on for this purpose. The

ASC appoints chairmen to manage Carnicus and supervises its operation.

Some other controversial issues that have been proposed by the committee include splitting Carnicus into two nights; moving Carnicus up a week so as to cut down time and expense; betterment or exclusion of individual skits; and alternating Carnicus and All-Sing on every other year. Of these, the only ones which seem feasible are the moving up of Carnicus and the betterment or exclusion of individual skits.

Bust of Engineering Dean To Be Unveiled

A bust of the late Dr. C. E. Ferris, the first dean of the college of Engineering, will be unveiled Monday, Feb. 23, at 11:00 a. m. at a ceremony in Ferris Hall.

The bust, which was made by a former engineering student, is now located in the Alumni office, but will be moved to a permanent niche in Ferris Hall for the ceremony, which will be held in conjunction with Engineers Week.

Dr. Ferris was dean of the col-

lege of engineering from 1912 until 1940. He died in 1952.

The bust will be unveiled by U-T President Emeritus James D. Hoskins.

Nation-wide survey based on actual student interviews in 80 leading colleges reveals more smokers prefer Luckies than any other cigarette by a wide margin. No. 1 reason—Luckies' better taste. Survey also shows Lucky Strike gained far more smokers in these colleges than the nation's two other principal brands combined.

Road-Weary Vol Cagers Meet Wofford, Davidson

By Powell Lindsay

Stumbling back from a bitter road trip, Tennessee hopes to fatten its average Saturday night against Wofford College at Spartanburg, S. C., and Monday evening against Davidson on the Wildcats' home court in Davidson, N. C.

Their lousy hopes dashed and the conference rating lowered, the Vols will sit on the sidelines while their SEC brethren wrangle for positions on the conference ladder. Their next Southeastern foe is Georgia Tech, the game being set for February 17, in Atlanta.

Wofford succumbed to the Orangemen here early last December, 76-65, but the Terriers exhibited in "Daddy" Neal what Vol Coach Emmett Lowery called "as good a center as there is in the SEC." The South Carolinians put up a terrific fight and led throughout the first three quarters before the Tennessee fast break wore them down.

The Vols cannot go into this game overconfident. They have lost five out of six games away from home, and the Terriers prowess on their home court is well known in Southern Conference circles.

Monday night, Tennessee goes against Davidson in the Wildcats' lair. The Davidson club showed up rather poorly over here, but as a Davidson roster put it in a letter to Gus Manning, U-T Athletic Publicity Director, "You beat the stuffings out of us in Knoxville, but look out for those Davidson Wildcats on their home floor!"

U-T Adds Houston Eleven

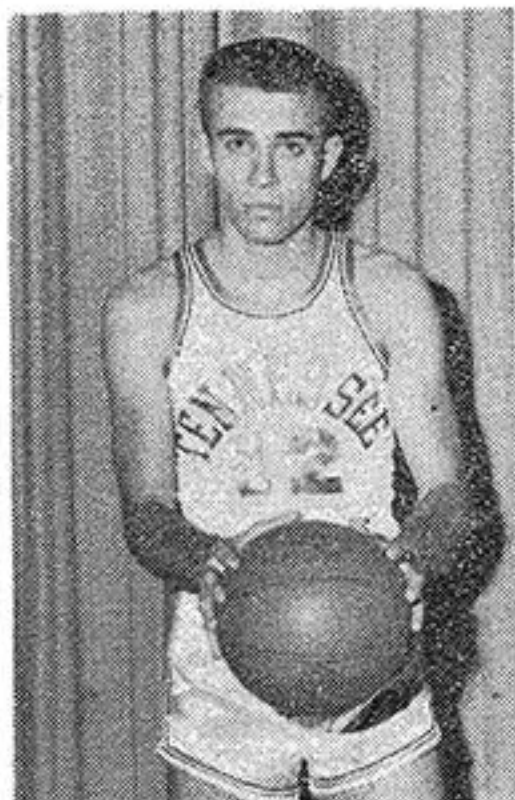

A post season game with upstart Houston looms as a large possibility on the U-T 1953 football schedule. At this writing, the negotiations had not been closed, but General Neyland said Monday that there is a "good possibility" the two teams will get together.

The booking of Houston would give the Vols a ten game schedule, with an open date on October 24, the weekend after the Alabama game.

If the Houston negotiations materialize, the game would be played at Houston next December 5 in the 70,000 capacity Rice Stadium. The contract between the schools would probably be a two year home-and-home pact.

As of Tuesday afternoon, the '53 Vol schedule looked like this:

*Sept. 26 Mississippi State
*Oct. 3 Duke
*Oct. 10 Chattanooga
Oct. 17 Alabama
Oct. 24 Open
Oct. 31 North Carolina
*Nov. 7 Louisiana State
Nov. 14 Florida
Nov. 21 Kentucky
*Nov. 28 Vanderbilt
(Dec. 5 Houston)
*Denotes home game.

Bill Lovelace Top Competer

Grit and determination. An over-worked, trite maxim you say? The practice of this maxim won Sophomore Bill Lovelace the starting position on Coach Lowry's quintet.

When the Vols met the University of Mississippi this season, they were faced with the handicap of having no experienced playmaker. Elvin Little, the Vols most experienced set-up man, was suffering from an injured ankle. Coach Lowery trusted this responsibility to Lovelace simply because of his undying devotion to the game and his willingness to work in practices.

The gamble proved to be a winning one. Lovelace playing a brilliant game and the Vols winning their first conference victory.

Bill is a graduate of Knoxville Central High School where he played guard, center, and forward. His senior year found him holding down the center slot even though he was only 6 feet one inch tall. His determination and jumping ability made up for his lack of stature, and he led the Central High Bobcats to a victorious season.

Lovelace is an exceptionally good rebounder for a guard and has a fine free throw and field goal shooting average. These assets plus his ability to score will virtually assure Bill of a fine future with the Vols.

Flimseys, 69ers, Grads, PJs Win

By PHIL BURT

The Flimsey Five opened the week's Independent slate by downing the athletes of the fourth floor of South Stadium in a tight, hard-fought battle. During the first half the lead changed hands several times before the Flimsies finally charged into the lead and won the game, 46-35. Taking scoring honors were Fry and Butler of the Five with twelve apiece while Rymer and King were high with nine each for the Stadium boys.

The Grads plucked the sting out of the Hornets to the tune of 47-43. The old men had quite a time of it for awhile but finally came through. Mowery, lead man in the Hornet flight, swished the nets for 21, while Hays of the Grads was a close second with 20.

The 69ers continued their winning ways as they downed the Ag. Club, 46-30. The Farmers never had a chance as they were bowled right over from the start. Alexander of the Numbers men and Plowman Owens shared the role of top scorer with ten each.

In the finale of the week, the Pajama Kids took the ISA Clowns in a runaway game, 63-38. The Funnymen were never in the race as the sleepy-time guys started out wide awake and never slowed down. Buddy Cruze tortured the hoops for 31 points to far surpass any of his contenders' efforts. Schwanger, another PJKid, was second with 14 while Holmes led the Clowns with 11.

Weiner Tops Scoring

Ed Wiener continues to lead the Vol cage scoring with 240 points in 14 games for a creditable 17.2 average. Following Wiener in the number of points made but second to none in spirit is Captain Hank Bertelkamp who has 200 points for a 14.4 average. Carl Wideth, third in scoring, but first in the percentage department, had 166 points for 11.8 average.

All the starting team members have a fine free throw percentage, the lowest being a 58 per cent, and the highest being a 77.3 per cent.

Carl Wideth has a very enviable 42 per cent field goal percentage to make him tops for the team. The Vols have a 73.2 game scoring average to 70.9 for their opponents. The Orangemen have to date won eight games while losing six. Their SEC record is 4-4.

Kappa Sigs, Sigma Nus Cop Greek Cage Wins

Kappa Sigma and Sigma Nu racked up victories in the semifinals of the Greek cage tourney last Thursday evening.

The Kappa Sigs ousted Pi Kappa Alpha 42-34 after a scrappy tussle which looked as if it might have gone either way. The hairy waists held a slight halftime lead, but the Pikes closed the gap late in the contest and threatened to take a good lead. However, the scarlet terrors, behind bouncing Bobby

Candidates for the U-T baseball team are to report to Coach Bunzy O'Neil immediately if they have not already done so. Coach O'Neil may be reached at the Athletic Department in South Stadium any day before noon.

O'Neil is working this week with the pitchers and catchers on the gym floor. An announcement concerning infielders and outfielders will be forthcoming.

If the weather holds, Coach O'Neil plans to go outside for some baserunning and conditioning in the near future. Of course, because of the cold weather, no throwing will be done.

With only four lettermen returning from last year's club, there are a great many vacancies, particularly in the outfield, that must be filled by rookies.

Last year, the Vols finished third in SEC competition, while in 1951 they captured the conference bunting, sporting a 16-1 slate, and were runner-up to Oklahoma in the national rankings.

Ode to Poem Lovers

By Joe and Sam Kafilidovitz
Celestial quaintness, how radiant supreme!
The fragrance of twilight, shadow of dreams.
Moon-glowing brilliance in soft-tilted beams,
Rapturous, ecstatic, and perfect it seems.

"How 'ja like the band trip, Joe?"
Come now, golden morning, thine amber gleams shine.
Drink not dark and brooding the maroon tinged wine.
The green glassness of grass, no sapphire so fine.

All earth bows in reverence to its hallowed sign.
"I thought it was great!"
Melodious timbrels enrapture the tune,
Of long-lost memories of silvery moons.

Of dew-covered castles which crumbled too soon.
And mist-covered longings which melt with the noon.
"So did I. It was swell!"
Away then! Abolish the sadness of pride!

The false-laden mischief of madness deride!
Come back to the warm earth and safely abide
Sequestered from Queen Hecate's wild nightly ride.
"Now is everybody happy again?"

Neff, rolled back into the lead by sheer under-the-bucket hustling.

Bob Neff garnered 18 and Neil Southern collected 10 to lead the winners' attack. Bill Taylor and a lad named Davis were the guns for the losers. Davis tallied eight.

The Sigma Nu team eliminated the Phi Gamma Delta team 37-32 in a bout which surprised many. The Sigma Nus were up for the battle and at times appeared unstoppable. Mouron tossed in 12 for his winning team, while Kelley and Hain shared high honors with 11 on the Fiji side.

By virtue of this hard-earned win the Sigma Nus were to meet the Kappa Sigs last Tuesday night (after this paper went to press).

Earlier in the week the Kappa Sigs whipped the ATOs 33-27 in a somewhat roughhouse scrap. Once again West, Arnold, and Wyatt combined to give the ATO fire power the lift it needed, but even that was not enough. Neil Southern and Bob Neff, on the all-star team for the past two years, led the scoring for Kappa Sigma's victorious five with 14 and nine points, respectively. Hardy Jim West collected 11 for the ATO aggregation.

The Sigma Nus had previously beaten the Lambda Chi Alpha's 42-27. Shipp was the big man in that bout with 15 markers. Stephens led the losers of that meeting with eight points.

The winners' bracket finals match did not come off Saturday afternoon because of the dance, but it was to be consummated this week.

Gordon Polofsky's basketball team composed of pro football players formerly of U-T will meet the powerful Reliable Motors team this coming Sunday afternoon at the Catholic High gym.

Michigan State had 88.8 inches of snow last winter. All winter, that is.

Track Candidates Are Badly Needed Come Out, Boys!

By DICK GAMBLE

The track team, under the direction of Coach John Sines, is sending out an S.O.S. call for help this Spring. There are many boys at U-T who ran track in high school but have not come out for the track squad. It should be mentioned that three lettermen on the cinder team never ran any track in high school.

Last spring the U-T trackmen needed only four more points to win the SEC meet. With the help of just a few more conscientious students, this school could have the first conference track championship in its history.

Dash men, hurdlers, field men, are especially lacking, but there are many other vacancies which need to be filled. In some events the squad does not have even one man to enter.

If anyone is interested in going out for track this year, please report Tuesday, February 10, at 4:00 to room 124 in the U-T gym. This room is on the same floor as the swimming pool.

The track schedule is an interesting one, including trips to all parts of the South. The schedule is as follows:

Florida Relays—Gainesville, March 29.
Southern Relays—Birmingham, April 4.

Alabama—Here, April 11.
Penn Relays—April 18.

Ga. Tech—There, April 25.
Kentucky—There, May 2.

T.I.A.C.—Sewanee, Tenn., May 9.
SEC Meet—Birmingham, May 16.
Georgia AAU—Atlanta, May 23.
N.C.A.A.—?, May 30.

The basketball tournament will be divided among 15 teams this quarter. Most of the organizations entered only one team each, but the ADPI's, and Phi Eta Taus outdid themselves by getting up two teams each to compete with the others.

The games started Monday, but were not played in time to make this week's paper. There will be no games played today, but tomorrow the Big Deltas are to play the AOPi's in a rip-snorting game. The referee for this event is Janis Teague, and Frances Freels will act as umpire.

The shuffleboard tournament is in full swing now, with each team sliding those disks to the best of their ability. This game may not look so energetic, but it takes a lot of work on the part of the brain as well as on the arm. Each player has to be constantly watching to see where the other side slings the disk, so she can knock it off. So, you see, the game can go on for quite some time. You can get points, but still lose them just as fast. Those twosomes who may be branded as the first round winners are: Greer and Thweatt, Chi Omega; Dillan and Williams, AOPi; Linehan and Bradley, Chi Omega; Douglas and Cowart, ADPI; Johnson and Hardin, ADPI; Mabry and Hood, Delta Zeta; Winkler and Wiseman, ADPI; Dennis and Brown, Phi Eta Tau; Tucker and Zeiser, Chi Omega; Talliferro and Morris, ADPI; Slack and Culbertson, AOPi; Sterchi and Lofton, ADPI; Crass and Jones, Delta Zeta; Whitley and Newsom, ADPI; Keenan and McAfee, Delta Delta Delta; Blakley and Harle, ADPI; Gentry and Bryan, ADPI; Ezelland

Cooley, Delta Delta Delta; Crawford and Moody, Delta Delta Delta; Brice and Hurst, ADPI; Sterling and Mynatt, Phi Eta Tau; Stein and Ross, Zeta Tau Alpha; Abernathy and Emmert, Zeta Tau Alpha; Leinart and McClung Phi Eta Tau.

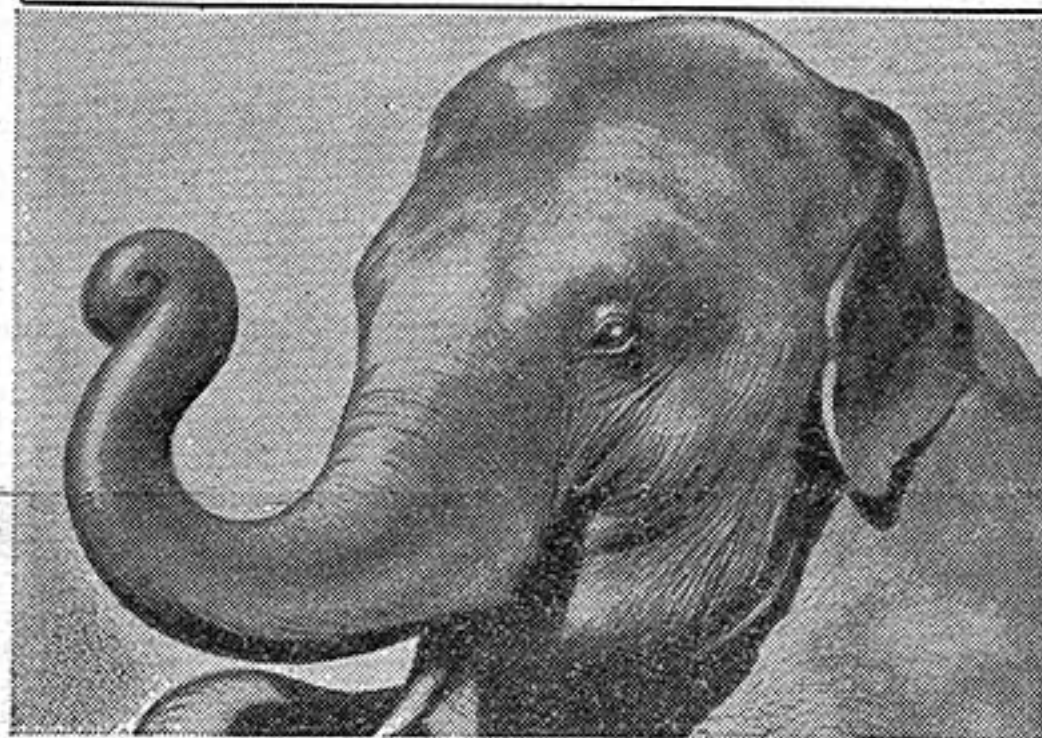

The Carnival takes place on Wednesday, February 18 at 7 p.m. Teams should be organizing now because it takes preparation. The girls have to get used to running as fast as their legs can carry them in as short a time as possible. Teams may practice in Gym 201 at the following times: Monday, February 9—7-8 p.m.; Wednesday, February 11—7-8 p.m.; Thursday, February 12—7-8 p.m.; Friday, February 13—7-8 p.m.

It is important that each team be dressed and seated in the appointed section in the auditorium by 7 p.m., Wednesday, February 18. No changes can be made in those participating after 12 p.m. on Tuesday, February 17. Those signed up at that time must run or that team must forfeit their \$3.00 entry fee, so get plenty of rest and be ready to do your best. All contestants and managers are to pay the 10c admission charge.

The Carnival consists of a fresh-man sack race, a group relay, and an individual sprint. The rules for these events are posted on the Intramural Bulletin Board.

J. Paul Sheedy* Switched to Wildroot Cream-Oil
Because He Flunked The Finger-Nail Test

"HURRRMPH!" trumpeted Sheedy, "What a elephant time to have my hair cut up. Might as well break my date and get trunk!" Luckily he was overheard by a Pachydermitologist who said, "Tusk, tusk! You've got a messy big top from pouring those buckets of water on your head. Get out of your ivory tower and visit any toilet goods counter for a bottle or tube of Wildroot Cream-Oil, 'Your Hair's Best Friend'. Non-alcoholic. Contains soothing Lanolin. Relieves dryness. Removes loose, ugly dandruff. Helps you pass the Finger-Nail Test." Paul got Wildroot Cream-Oil, and now all the girls tent to him more than ever. So why don't you try Wildroot Cream-Oil? It only costs peanuts — 29¢. And once you try it, you'll really have a circus.

Pins, Parties, People Point-Up Party Pangs

Like a great vat of wine in ferment, U-T bubbled last week with furious activity as numerous parties winked foamlike for a moment before bursting and leaving only sweet-scented memories.

The Tri-Delt formal was enjoyed—especially by John McAskill and Ellie Ezell, Johnny Cullum and Sissy Gary, Bill Davis and Frances Dominick. They stood out a little higher than the others.

The usual Friday night congregation was seen at Highlands—among those enjoying the sights were Gene McClamrock and Jane Vestal. Harold Ernest and Don Kimsey kept complaining about the stares being sent their way. The stares were from two little girls—6 and 9 respectively, whose favorite song on the juke was "They Tried to Tell Us We're Too Young."

Saturday night the Pi Beta Phis and their dates journeyed to Holston Hills for a formal.

It seemed to be quite a profitable evening for Nancy Brice, who tapped the 1-arm bandits fifty-five dollars.

A big weekend at Southland was highlighted by a dance on the tabletop by none other than Glenn Barton and Bubba Griddle, big party transfers from Oklahoma. Make it a soft shoe next time, boys.

Tri-Delta Sorority Holds Masquerade Ball

Delta Delta Delta sorority held its "Midnight Masquerade" Ball Friday night at Deane Hill Country Club. Alan Atkins' orchestra played for the formal, which was a dinner-dance.

Members and their dates were: Cynthia Allen, president, and Jim Haslam, Margaret Ann Duffey, vice-president, and Bill Bueley, Betty Jean Flannery and Duncan Carmichael, Dorlean Stiller and John Britton, Ellie Ezell and John McAskill, Betty Wright and Sonny Duffee, Audrey Van Eynde and Ray Cox, Betty Simmons and Jimmy Sterchi, Ann Lee and Bob Sigler, Jo Anne Cooley and Clark Roberts, Betty Morris and David McWhorter.

Also Marion Jo Tapp and Bud Campbell, Eleanor Riggs and Charles Warden, Kay Mapples and John Christian, Goyle Wingo and Dick Young, Janet Sunstrom and Mack McLaughlin, Peggy Halcher and Dave Critchlow, Susan Lyle and Harry Nisbett, Dottie Taylor and Riley Anderson, Martha Mills and Bob Fry, Ann Chandler and Charlie Treedy, Joyce Herron and Bob Rule, Mimi Keenan and Bob Davenport, Janet Keenan and Jim Dunbar, Maude Mooney Burke and Ross Brumback, Elaine Jones and Jimmy Ward, Nancie Ervin and Clayton Green, Nancy Newman and Jim Walker, Ellen Howes and Dennis Osborn,

Congrats are in order for newly engaged Janet Sunstrom, Tri-Delt, and Mac McLaughlin, Kappa Sigma; Carolyn Dennis, Tri-Delt, and Hugh Little, SPE; and Phyllis Fonde, Chi Omega, and Don Hill, Pi Kappa Alpha. The pinning of the weekend was Mac Webb, SAE, and Lynn Riddle, Chi O.

The U-T Hospital receiving room will have to be enlarged to accommodate the many visitors of Dale Stout and Tom Frasier. Tommy says to watch for the scheduling of the poker games to take place in room 113 to be posted on the door of the E&E.

The theme of the Kappa Sig party Saturday night according to some girls — Porter McClean, Preacher Martin, Pete Denton, Don Gregory and Bill Price imported from Virginia Intermont College was quote, "We're here to play, not to stay." Lawson Braswell engineered the dates as effectively as he engineers various and sundry other things. He had bookoo's of adjectives in describing them to us but we'll let you get them from him first-hand.

Next week the campus will ring with the tryout notes of All-Sing. And on Saturday night, all that throng. Will forget their troubles with parties and song.

Places and dates were: Nancy Ballou and Dan Thomas, Jean Van Eynde and Jimmy Moore, Marilyn Meyer and Bob Johnson, Donna Gardner and Bob Ward, Janet Long and Barry Poe, Frances Dominick and Bill Davis, Genevieve Mack and Kyle Testerman, Carolyn McDonald and Eddie McKillion, Barbara Crawford and Bob Ryan, Solie Testerman and Tommy Wade, Nancy Simpson and Dal Wood, Bobbie Henson and Johnny Murray, Betty Moody and Phil Rittenhouse, Nita Johns and Coy Collinsworth, Ann Hargan and Bill Larry, Sandra Davis and John Lockridge, Ann Haley and Bobby Steward, Jo Anne Webb and Jack Hind, Carole Kennedy and B. J. Cook, Mary Jane Longschmidt and Bob Centrell, Janice Schubert and Dole Duntun, Mary Carolyn Wardrup and John Cullum, Cissy Jones and date, Betty Jo McAfee and Frank Barnett.

Chaperones were Mr. and Mrs. Robert Collier and Mr. and Mrs. Charles Herd.

Barri Burrage Is Head Of Pi Beta Phi

Barri Burrage, junior in Home Economics from Knoxville, was recently elected president of Pi Beta Phi sorority. She is vice-president of Blue Triangle, and was named a top beauty in the 1952 Volunteer.

Other new officers are Peggy Speck, vice-president, Monterey; Barbara Brubaker, corresponding secretary, Knoxville; Jo Ann White, Asheville, N. C., recording secretary; and Betty Gray, Madison, treasurer.

Censors, Nancy Howard and Bernita Stanbury; Pan-Hellenic representatives, Marsha Murphy and Barri Burrage; scholarship, Marsha Murphy; social chairman, Sarah Culbert; activities, Bernita Stanbury; magazine chairman, Lynn Womble; program chairman, Nancy Howard; and pledge supervisor, Jessie Lyons, Surginsville.

FEMININE CREPE

by **R&K**

19.98

You loved it in wool jersey... now here it is in acetate and rayon crepe, ready for a busy Spring. R and K repeats the fluid style because you found it so versatile, so flattering, so stylish to wear everywhere you go! Mobile crepe... caught at the waist with a wide elastic cinch; the graceful skirt crisply petticoated with rayon taffeta. This Spring, they add a bright ascot of linen-weave rayon! Navy with maize ascot, black with pink ascot. Sizes 9 to 15.
