Mac Stalcup Elected President Of Junior Class

MAC STALCUP

JUDY RHOTEN

RODNEY HARKLEROAD

DONNA DIXON

Plans Being Made For Twirp Week

Out of sixteen nominees and through a very "tight" race, the Junior Class voted on their officers for 1961-62. Mac Stalcup was elected president; Rodney Harkleroad, vice-president; Judy Rhoten, secretary; and Donna Dixon, treasurer.

Mac Stalcup, President

Mac has this to say in regard to his new position: "I want to do my part in making this junior class the best yet." As a member of both the football and basketball teams, Mac is in the newly formed letter club. He is vice-president of his homegroup, and is a member of the Key Club. He attends Fifth Ave. Baptist Church.

Rodney Harkleroad, Vice-President

Rodney is known around school as being the center of the Mountaineers' football team. He is president of Mrs. Kennedy's home-room and currently has a "B" average. Rodney is a member of both the Key Club and the Letter Club. He stated: "It is a great honor to have been chosen Vice-president. We hope to get a lot done to make this a successful year."

Judy Rhoten, Secretary

The newly elected secretary had this to say: "I hope that I can successfully fulfill the responsibility of my job." She is a member of the Anchor Club and Pep Club. Judy can be seen at any ball game cheering for the Mounties.

Donna Dixon, Treasurer

Donna's qualifications to assume this position of leadership are: Student Council Alternate from Miss Bird's group, president of Masquers, and member of the Anchor Club and the Pep Club. At Magnolia Ave. Methodist Church she is secretary of the MYF and sings in two choirs. She says, "I was honored at being chosen as treasurer of the Junior Class, and we hope to accomplish many things."

Mrs. Lynda H. Kennedy is the new co-sponsor of the Jr. Class and says, "The Junior Class of 1962 has elected an outstanding group of officers for this school year. With the excellent co-operation of all members of the class, the officers, and the junior home-group teachers; I'm looking forward to an exciting semester."

At present the officers are making preparations for Twirp Week with the crowning of the Queen at the soc-hop, February 16.

Each junior home group will nominate two girls to run for Twirp Queen. From these eight girls the groups will cast votes for their favorite candidate. The name of the queen will not be announced until the dance.

Class members are making roses out of red tissues. These roses will decorate the heart backdrop. The Queen's attendants and their escorts will surround the Valentine theme throne.

Girls are to invite the boys to the Twirp soc hop. The word TWIRP means "The Woman Is Requested To Pay." This is the girls' chance to ask the boy of her choice.

Any new boy or girl who enters a school for the first time appreciates a friendly attitude by the present students. They like students to speak to them, invite them to eat with the gang, and show them to their classes and around the building.

Brenda White, sophomore, from Bristol, Virginia, has commended East for its friendly attitude toward new students. Brenda lives at 2012 Washington Avenue and is fifteen years of age. She last attended Virginia High School. She likes music and plays trumpet in the school band.

A junior, Brenda Travis, from Clinton, lives at 1703 East Magnolia Avenue. She attended Clinton High School where she was a member of the National Honor Society and Pep Club.

Coming to East from Glasgow High is Virginia Tyler, a sophomore who lives at 3316 McCalla Avenue. Her favorite subject is plane geometry. She attends McCalla Avenue Baptist Church.

PTA Plans Talent Show

A "Variety-Talent" show is planned by the East High P-TA to be presented on or about March 3.

Parents and teachers are participating by performing individual or group acts. The P-TA invites those who can dance, sing, play an instrument, play-act, pantomime, model, or do any kind of performance to contact Mrs. Vernon Wohlwend, Budget and Finance Chairman, at 522-1582.

Since this is their only big project of the year, the P-TA will need the participation and support of everyone in the East High community.

DAR Award Given To Senior Girl

Martha Grant has received the DAR award which is given to the senior girl possessing the qualities of dependability, service, leadership, and patriotism. She will be given a Good Citizen's pin and a Certificate of Award.

Martha is a member of Anchor Club, National Honor Society, and FTA. She was president of FTA last year and supervised the tea FTA gave for the faculty.

She is majoring in math and science and plans to attend college to prepare for teaching. She hopes to go to George Peabody University or the University of Tennessee.

Blalock Wins Betty Crocker Home Ec Award

Elizabeth Blalock is winner in our school in the 1962 Betty Crocker Search for the American Homemaker of Tomorrow. She achieved the highest score in the examination on home making knowledge and attitudes taken by senior girls, December 5. She becomes eligible now along with winners in other state high schools, for the title of State Homemaker of Tomorrow.

In school Elizabeth has a high academic record. She has always been recognized as a neat and efficient worker in the home economics department. She was a delegate to the Student Council Convention in Memphis last year.

The girl named State Homemaker of Tomorrow is provided a \$1,500 scholarship by General Mills, sponsor of the program. The state runner-up will receive a \$500 scholarship.

In addition, the State Homemaker of Tomorrow and her school advisor will join with other state winners in an expense-paid educational tour of New York City, Washington, D.C., and Colonial Williamsburg, Va. At the latter, the 1962 All-American Homemaker of Tomorrow will be named.

The knowledge and attitude test, prepared and scored by Science Research Associates, Chicago, is the basis for selection of local and state winners with personal observation and interviews serving as factors in national judging.

The 1962 Betty Crocker Search reached another all-time high in enrollment with 406,132 girls in 12,874 schools participating. The program now is in its eighth year. By the end of this year, more than two and a half million girls will have participated and scholarship awards will have totaled more than three quarters of a million dollars.

The national winner will have her scholarship raised to \$5,000 with second, third and fourth place winners being granted scholarships of \$4,000, \$3,000 and \$2,000 respectively.

What's A Friend?

An English publication offered a prize for the best definition of a friend, and among the thousands of answers received were the following: "One who multiplies joys, divides grief, and whose honesty is inviolable." "One who understands our silence." "A volume of sympathy bound in cloth." "A watch which beats true for all time and never runs down." And here is the definition that won the prize — "A friend is one who comes in when the whole world has gone out." Even as David thanked God for Jonathan, and praised Him in well-remembered lines; so have we abundant reasons to thank God today for friends and to resolve to keep these friendships in constant repair.

Cupid's Choice

The Blue and Gray wishes to salute Sandra Hochenberg and Norman Curtis as the Valentine Day Girl and Boy of the Month.

SANDRA HOCHENBERG

Sandra, a bright, friendly senior girl, serves East High well by her participation in different service and social organizations. She belongs to Anchor Club, Masquers, Student Council, and Pep Club. Her favorite subject throughout her four years is English. She usually makes the honor roll. In addition to her extra-curricular activities, she maintains around a 3.6 academic average.

She resides with her parents, Mr. and Mrs. Bernard Hochenberg, 2403 East Fifth Avenue. Her father is a sales representative for the Berle Shoe Company and her mother is employed by General Products. Her favorite companion is her dog, "Emu."

Much of her spare time is spent at the coliseum where she enjoys ice skating and watching hockey games.

At Temple Beth El she teaches a Sunday School class in addition to other church responsibilities. Her future plans include studying at the University of Tennessee.

NORMAN CURTIS

Norman Curtis is noted for his personality, friendly smile, and service to the school. His hard studying accounts for his 3 point academic record.

He can often be seen around school "after hours" helping out wherever he is needed. One of his hardest jobs is being manager for the track team. Other activities are the National Honor Society, Key Club, and Student Council.

Among his favorite pasttimes are swimming and archery. Currently he is learning to ice skate.

He makes his home at 414 Houston Street with his parents, Mr. and Mrs. William B. Curtis, his brother Phillip and his grandmother. His father is an agent for the National Life Insurance Company.

Norman attends the Christian Church where he serves in many of their activities. His plans for the future include attending the University of Tennessee and the University of North Carolina. He plans to study forestry.

Peeping At The "Pix"

By DORIS PRICE

An enormous bee, taller than a man, sealing a man and woman into a cell of its giant honeycomb, is only one of the exciting adventures of Charles H. Scheer's production of "Mysterious Island" in Superdynamation and Eastman Color beginning Friday, February 2, at the Riviera.

You will be engulfed in fear as Captain Cyrus Harding (Michael Craig) and Union soldiers, who have escaped from a Confederate prison using an observation balloon, descend into a world of incredible dangers and mysterious forces when the balloon lands on a lonely Pacific island. Two shipwrecked women, Lady Mary (Joan Greenwood) and her niece Elena (Beth Rogan) join the castaways as the hardy band of adventurers battle furiously to survive on an island crawling with monsters, which include a giant crab, a mammoth octopus, a huge bee, and a bird

as large as a beast. These supernatural giants were created by Captain Nemo (Herbert Lom), who was seeking to put an end to war in the world by increasing the food supply.

Unknown to the castaways, Captain Nemo, of the submarine Nautilus, helps them in their fight for survival; although he does ultimately reveal himself to them.

Harding and his men, Herbert Brown (Michael Callan), Neb (Dan Jackson), and a war correspondent Gideon Spilett (Gary Merrill), with Nemo's help, destroy an attacking pirate ship, and when a mountain of molten lava threatens complete disaster, Nemo uses his hidden submarine to float the sunken ship.

This evermounting crescendo of excitement is brought to a breathless close when the castaways escape, and Captain Nemo is trapped in his underwater grotto.

East Defeats South In Last Second, 73-71

The Mounties took it away from South again; they defeated the Rockets in a close 73-71 battle that saw the big men of the area, Jay Cole and Edd Poore, matching each other shot for shot. Unfortunately for South, Poore's last goal beat them.

Down 41-36 at the half, the Mountaineers came back strong in the third period; only to fall 12 points behind at one time. The Mounties started pressing and taking advantage of South's floor mistakes and pulled up to 58-52 at the end of the third period.

In the last stanza the pressure was really applied, and East tied it up 71-71 all.

With 45 seconds left in the game, Mickey Shelton stole the ball from the Rockets. Poore was alone under the bucket for the final and fatal tally.

Big Edd Poore, in losing the scoring battle with Cole, proved more versatile by grabbing 22 rebounds; one less than the entire South squad.

South _____ 23 18 17 13—71

Mounties Rout Bearden 94-54

Starting fast and finishing hard, the mighty Mountaineers romped the Bulldogs of Bearden High, 94-54 and avenged their first and one of only two losses this season. The other loss was at the hands of perennial power Oak Ridge, which gave them a split for the season with East; each having won one game.

Getting a well-balanced attack with all five starters hitting in double figures, the Mounties jumped off to a quick 17-4, first quarter lead and were never headed.

The scoring was led by Edd Poore and Butch Conover with 31 and 21 points respectively; followed by Mickey Shelton, 13; Bill Black, 11; and Eddie McElyea, 10.

Wayne Tipton led all Bearden scorers for the night with 25 points. No other Bulldog hit in double figures.

East led at all stops; 17-4, 37-27, 64-47, and 94-54.

East is now 13-2 for the season. The B game was won by East 53-43.

Black, Poore Pace East 73-55 Victory

Dominating the backboards last Thursday night at East, the Mountaineers proved an old axiom — "you can't score if you don't have the ball."

Although out-shot from the field, 44% to 41%, the Big Blue dominated the boards by a wide margin of 42 rebounds to 22 and defeated West by the score of 73-55. The scoring was widely scattered among the members, with Bill Black and Edd Poore getting the highest point production for the night with 24 apiece. Other individual scoring for East was done by Eddie McElyea, 13; Mickey Shelton, and Butch Conover, 4 points each.

The triumph, which strengthened East's hold on first place, also extended their winning streak to eight games. They are now 5-1 in the AA and 14-2 in over-all competition.

The West scoring was led by Gary Blakenship with 18 points; closely followed by Claude Ramer with 17 points in his first action in over a month.

The loss dropped the Rebels below the 500 mark in league competition (3-4) and left them at 7-7 for the season. East won the B game 50-46.

Tight Pants On The Way . . . Home

Not only are the tight pants on the way out of fashion, but on the way home. Many boys at East have been leaving school to change pants on the excuse that "the seams have burst." In a way, "they've gotten too big for their britches."

Mr. Bible has now set up an Examining Board of one person to check the reliability of their claims. As Bobby Kite explained his situation to Mrs. Seehorn, she exclaimed, "Again?" Bobby replied, "Same pants." (third time)

Miss Tatem, the home economics teacher, and Mrs. Seehorn have both been bothered with the large number of boys who come to them for help. Mrs. Seehorn has a sneaking suspicion that some of her male friends are purposely ripping their pants so that they may leave the school grounds.

Careful, boys, too many repeats will find you without mercy, needle, or thread. Remember one stitch in time saves nine.

Christmas Holidays Spent Near And Far

Christmas holidays take teachers and students many places across the United States.

Miss Million and Miss Bennett drove to Gainesville, Florida to visit Miss Million's sister. The weather was 22 degrees, which is quite cold for this part of Florida. Christmas dinner was at a new restaurant, the University Inn, a beautiful southern mansion.

In Winter Park they visited a former business teacher at East, Miss Martha Thompson.

After returning home, Miss Million "topped off" the whole vacation by tripping and breaking her wrist.

Miss Scarbrough and her father went to California to visit her brother and his family. They flew to Chicago; then transferred to a jet for the trip to San Francisco. The entire cross country trip took only three hours and fifteen minutes.

Martha Vandergriff took her brother to Abingdon, Virginia. He was to catch a ride into New York State. The wind was so powerful they had difficulty keeping the car on the road.

Mrs. Seale was sick over the holidays with the first chest cold she has had since her high school days. Relatives visited from Birmingham and Detroit, but they had to wait on themselves.

Tommy Parker, Ronnie Frye, and Mr. Fugate left at noon Christmas Day and drove straight to Dallas, Texas. They visited a Russian Orthodox monastery. Mr. Fugate toured Southern Methodist University. One night the boys

Thespians Are Going To Present 'Life With Father'

"Life With Father," a 3-act play by Clarence Day and one of the most popular plays ever produced on Broadway, will be given by the Thespians. This play had the longest run on Broadway of any play in the Twentieth Century. The cast is:

Clarence Day, Sr.	Bobby Keith
Lavinia Day	Rita Boyles
Clarence, Jr.	Larry Capps
John Day	Clint Brewer
Whitney	Harry McRae
Harlan	Buster Dunsmore
Cora Cartwright	Jane Daniel
Mary Skinner	Missy Albright
Rev. Dr. Lloyd	Rand Bradford
Dr. Humphreys	Larry Bolt
Margaret	Dottie Richards
Annie	Judy Nelson
Delia	Lynda Bolt
Nora	Vivian Pierce

The play is set in the late 1800's in the Day home at 420 Madison Avenue, New York City. The main characters, Vinnie and Father, are both ingenious and both without humor. Once Father has laid down the law, he expects it never again to be broken.

Vinnie tries to postpone the meeting of household crises; but, when they do occur, she uses nothing but her feminine instinct. The monthly checking of the household accounts demonstrates her ability to get out of a difficult situation. She is very religious. When she finds out that Father has never been baptized, she feels that they are not really married. What happens when she tries to get him baptized is most hilarious and entertaining.

The play presents many delightful scenes involving every member of the Day household.

got lost, and it was after midnight before they found their way back to the monastery.

The group drove along the Gulf coast to New Orleans where they visited Bourbon Street, the Old French Quarters, and the French Market.

Mrs. Allred went to North Carolina to visit her relatives. She enjoyed the holidays playing with her nephew, who is two years old.

Miss Naberhuis flew to Miami to visit her parents for Christmas. The weather was cold enough for her to play golf in a sweater.

Thespian Pledges Initiated At Banquet

THESPIANS INDUCT NEW MEMBERS—Left to right (seated), Vivian Pierce, Nancy Farmer, Carolyn Akins, Sissy Kinnane, Donny Anderson, and Donna Capps. Left to right (standing), Larry Bolt, Rand Bradford, Jane Daniels, Susan Kirkpatrick, Becky Cox, and Loretta Smith.

At the banquet held on February 1 at the S & W Cafeteria, the Thespians initiated sixteen members.

The pledges had to carry trays in the cafeteria or books down the halls for the regular members.

The new members are Becky Cox, Carolyn Akins, Donny Anderson, Donna Capps, Larry Bolt, Sissy Kinnane, Rand Bradford, Dottie Richards, Nancy Farmer, Sherry Wright, Loretta Smith, Tibby Linginfelter, Vivian Pierce, Susan Kirkpatrick, Jane Daniels, and Judy Nelson.

To qualify, a student must be in the Masquers Club and acquire a certain number of points for work in plays, back stage, and Follies. Miss Bird chooses the members according to talent, leadership, and scholastic average.

At the initiation banquet the pledges repeated after the Thespian officers, Edmund Bolt, president; Bobby Chitwood, vice-president; Bob Purkey, secretary; Bill Black, treasurer; and Alyce McDermott and Larry Capps, sergeant at arms, the pledge: "I solemnly promise to uphold the aims and ideals of the National Thespian Society. As a Thespian, I pledge my best efforts in all assignments given to me as a member of the Dramatic Arts department of this school. I shall accept criticism, disappointments, and promotions in a spirit of true humility and obedience. I shall ever strive for self-discipline and self-improvement. I shall govern my words and my actions to promote the highest standards of conduct in my troupe, in my school, in my community, in my country, and throughout the world so that I will be worthy of the high honor of Thespian membership."

Insurance Company Hopes To Reduce Rates For Boys

Those hours spent studying to get good grades in high school can pay off in dollars and cents when it comes to automobile insurance.

The world's largest automobile insurer has just introduced an insurance plan that allows good students a discount of 20 per cent in auto insurance rates. Here in Tennessee the company has asked the State to approve this plan, and it is possible it will be in effect within the next 3 or 4 months.

The plan is designed for unmarried male students under 25 years of age who have attained good grades. Women drivers are not included in the plan because they already pay less for automobile insurance than young men.

The company's "Good Student" discount plan is based on the fact that superior students spend more time at their homework, less at the wheel of a car — and thus are not as likely to be involved in traffic accidents.

Full-time students of accredited high schools, may qualify for the "Good Student" discount if they can meet any one of these requirements: rank in the top 20 per cent of their class, or have a "B" average or better.

These achievements must be verified by the school at the time a student applies for his "Good Student" discount. A form to be signed will be provided by the company.

Boys should start studying to make a "B" average when they are in the ninth and tenth grades. Then, when they are seniors, have their driver's licenses, and want to drive; their parents will get their car insurance at a discount rate. Better start studying.

I'M LOST

A youngster, separated from his mother in a supermarket, began to call frantically, "Martha! Martha! Martha!" That was his mother's name, and she came a-running.

"But, honey," she admonished, "you shouldn't call me 'Martha.' I'm 'Mother' to you."

"Yes, I know," he sobbed, "but this store is full of mothers, and I wanted mine."
