

BRILLIANT CAST IS SELECTED FROM SENIORS FOR GOLDSMITH'S MASTER COMEDY "SHE STOOPS TO CONQUER"

Splendid Cast Is Working Hard Every Night Under Supervision of Prof. Smythe; Plans Rapidly Being Completed For Performance; Dances Big Feature of Production.

It has been the custom of the Senior classes for the last several years to present a final production on the stage for the benefit of the class finances and for the benefit of the theatre-going public. This year the graduates have decided to put on a play that is not presented every day, a comedy that will appeal to the public and will at the same time not be a cheap production, not a slap-stick comedy. For the director, the class has secured the services of one of Knoxville's foremost and most capable directors, Prof. W. G. Smythe, formerly an instructor in our school.

For the past four weeks the members of the cast, "She Stoops to Conquer" have been practicing faithfully under the splendid supervision of Prof. W. G. Smythe, who successfully produced the Shakespearean Pageant of 1922.

The plot of the play is laid in the eighteenth century, thereby adding much amusement by old-fashioned actions. The hero finds that making friends with girls of the lower class, such as bar maids or college bed makers, is easy, but when he is in the presence of refined women he is very modest. Tony Lumpkin, the leading comedian, causes very many humorous mistakes in the household of the Hardcastle's and gives the heroine a chance to—Sh! Sh! Well, "She Stoops to Conquer."

The best dancers in the Senior Class have been chosen to take part in the two dances which will be featured in the play. One is a minuet by girls and the other is a dance by the boys in the bar-room scene.

The costumes for the play will be in keeping with the time of the play. After much consideration Prof. Smythe and the costume committee have decided to order the costumes for the major characters from a large wholesale house.

- The characters chosen are:

TWIN BILL WITH BAYLOR IS MENU FOR FANS TODAY

Cadets Will Make Effort to Stop Winning Streak of Local Boys.

CASWELL WILL FURNISH SCENE FOR BATTLE.

Baylor Has One of Strongest Teams In E. Tennessee.

Our old rival, Baylor, is here today for a two-game series to be played this afternoon at Caswell Park. The first game is scheduled to begin at two o'clock. Baylor has an exceptionally good record in baseball this season and they will make a strong bid for East Tennessee baseball honors. Baylor men say they will break K. H. S.'s winning streak or "bust a string a-tryin'."

The double-header this afternoon promises to be one of the best games of the season and Captain Briscoe, Coach Bender, and Mr. Cox are especially anxious that a good crowd turn out for this

K. H. S. ENTERS TEAM IN ANNUAL INTER-SCHOLASTIC TRACK MEET TO BE HELD TOMORROW AT U. T. FIELD

Yearly Event Brings Teams from All Corners of State; Baylor, T. M. I., Castle Heights, Sewanee Preps, and Many Others Loom Up As Strongest Bidders for Track and Field Honors.

The annual Interscholastic Track Meet sponsored by the University of Tennessee, will be held on Shields-Watkins field tomorrow starting at 10 o'clock. Knoxville High has a team of nine entered in all events except the relay. Coach Bender has been drilling his squad daily for several weeks in preparation for this event. U. T. authorities are in high spirits over the list of entries already made and they are perfecting the most minute details of the meet. The classic promises to be one of the fastest meets that has been run in Knoxville for several years.

Prof. Smythe Made P. C. School Chief

Prof. W. G. Smythe was elected new principal of Park City High School at a called meeting of the Board of Education last Monday.

The place taken by Prof. Smythe was made vacant by the death of Prof. John R. Lowry, a highly esteemed and greatly beloved citizen, well known educator and true Christian.

It is with great sorrow that we bid Prof. Smythe farewell, but in our sorrow we appreciate the honor which has come to him. We are confident he will succeed in every line which he undertakes.

Prof. Smythe is a graduate of Wabash College of Crawfordsville, Ind. While he was in Wabash he was chosen Baldwin Essayist of his class, a distinctive honor. Later he was principal of a school in Ohio. During the war he was divisional educational adviser of the American Expeditionary Forces.

Prof. Smythe is famous for his dramatic ability. The pageant presented in Knoxville in celebration of the Tercentary of Shakespeare was written by him. Another of his dramatic successes was the direction of "The Dawning," a pageant given Easter at the Bijou theatre under the auspices of the Knoxville Community Service Council.

No successor has been named as head of the English Department of our school as Mr. Miller was not ready to make recommendation, but for the rest of this term we are indeed fortunate to have with us Mrs. Hodges, the wife of Professor Hodges, head of the English department of the University of Tennessee. When interviewed by a Blue and White reporter, Mrs. Hodges said she enjoyed teaching at our school; the courtesy could not be excelled and the discipline was wonderful. The whole spirit and attitude of the students was pleasing.

Mrs. Hodges has taken the 1-B and 3-A Englishes classes of Miss Bewley and all of Prof. Smythe's classes. Miss Bewley is keeping the Fourth Period Study Hall and taking the place of Mr. Smythe in the senior groups.

KNOXVILLE RAILWAY AND LIGHT CO. INSTALLS NEWS BULLETIN BOARD AT K.H.S.

Knoxville Railway and Light Company's service extends farther than to merely get us to school and from school daily, except Sunday, for it has installed in our front hall a highly decorative daily pictorial news bulletin board. This board is posted daily with a new sheet telling in words and picture, the important events that concern any high school student anywhere.

This is a novel feature for a high school and we believe that Knoxville High School is one of the first schools in the South to have a daily report of big events in this manner.

Heretofore Knoxville Hi School's team has been among the leading teams entered. Judging by their performances in the meets in which they have already participated this year they ought to win as many of the events as any other school entered in the meet. If they win the tournament they will have to defeat some of the best prep school teams in the state. They have done that before and they are expected to do it again.

Only nine men will be allowed each team entered in the meet. The nine men who will form the Blue and White Cyclone squad will be the ones who have made the best records in the R. O. T. C. match and the best members of the track squad.

Coach John R. Bender does not intend to enter a relay team because the relay race does not count enough points to make running it worth while. With only nine men allowed on the team, the same men who will enter the other events would have to run the relay and the strain on the runners would be too great.

One of the other schools entered in the affray of the field, Baylor, Hiwassee Preps, Castle Heights, and T. M. I. loom up as the strongest. T. M. I. is the only one of these teams which High School has met and therefore it is the only team that can be doped. K. H. S. outpointed T. M. I. on the Sweetwater track and ought to do it again. The Baylor team will bring some strong runners and weight men to fight the battle of brawn. Pace, who played forward on the Baylor basketball team, will run for Baylor. He proved his ability on the basketball court and reports from those who have seen him on the track are that he is equally as fast on the track as on the court.

Long will probably win the 100 yard dash for High School. Long has two seconds better record than any of the other contestants and if he is in good form he ought to win the laurels for the Blue and White clan.

ENGLISH CLASSES WILL HAVE PICTURE TAKEN FOR "INDEPENDENT"

Prof. Hackney's Classes Honored By Invitation of "Independent"

Tales of the wondrous beauty and worth of the members of Mr. Hackney's classes and their instructor have spread far and wide, even as far as New York.

A letter came to Mr. Hackney last week from the publishers of the Independent, 140 Nassau St., New York, asking him to have pictures made of all his classes which study the Independent and send it to them and they will pay for having it made.

Rebecca Cole was appointed to answer the letter and find out the particulars.

It will soon be known whether the Independent wants a life size portrait of each student or a picture all together. A special edition of this magazine will probably be run when the pictures of these people of great pulchritude are published.

Clean Literature

It has been estimated that sixty per cent of the high school students in America favor whiz bang literature to the classic novels and dramas. Whether this is true in Knoxville High School or not is doubtful, but cheap literature certainly has its adherents in our institution. Indeed, it is not a rare occasion when one sees a person in our halls carrying a cheap literary production and one even hears people brag about having this sort of stuff in their possession.

Cheap literature furnishes momentary recreation—sometimes. Cheap literature does not broaden the mind one whit, but instead binds it to low thinking which will eventually crop out in actions. Dime novels have been the ruin of many boys. These “cowboy and Injun” stories, stories of daring bank robberies and murders, have lead many a small boy to think that he could do it. This has lead many youths to state reform schools and state penitentiaries. Cheap literature often sours one’s mind and taste for good stories and literature of a high standard.

It seems that a good many girls have the idea that it’s cute to have this kind of junk in their possessions. But the right kind of people form a poor opinion of the person who is even seen with dime novels or other forms of cheap literature in their keeping.

The average high school student who goes to cheap stories and jokes for their recreation will not be the one to read this item, or even if they do read it, will not consider the truth that is borne in it as is evident.

15-1 VICTORY FOR K. H. S. TELLS TALE OF SECOND SERIES WITH COUNTY HIGH

County Lads Contribute Scalp to Already Lengthy Capillary Collection of Blue and White Ball Clan for Second Time; Two Out of Three Wins Makes K. H. S. City Prep Champs—Bring On the Big Leaguers!

By R. V. E.

Wednesday afternoon the Knoxville High ball team defeated the County High aggregation by a count of 15-1. While the game started off with a bang, the Countians gradually lost their pep, as one man in blue and white after another crossed the pan for a marker.

Central got her only run in the first frame after which it seemed an impossibility for the Red and Black to score. While they were idling their time in this way, Knoxville High was putting at least one man across in every frame and sometimes as high as three in one inning. The fielding of Parks, centerfielder, and White, shortstop, were the bright lights of the game. Morgan and Shanton did the heavy stick work for High School. Acuff was chief batsman for the County boys.

Score by innings:

A dignified statesman sometime ago, while traveling in a third-class railway carriage in the north of England, sat down hurriedly next to a little girl in shawl and clogs. Happening to glance at her a moment or two afterward, he saw that she was regarding him with no great favor. It dawned upon him that he was sitting on her newspaper. “Here, my dear,” he said, pulling the paper from under him and handing it to her, “I’m sorry.” The little girl did not look quite satisfied, but she said nothing until a few minutes later the train drew up to a station.

“Please, sir,” she then inquired weakly, “May I have my fried fish? It was in the paper.”

## GIRLS TRACK MEET IS HUGE SUCCESS

The Girls' Annual Indoor Track meet was held with big success last Tuesday night. The event was held in the local gym. A large crowd was out to witness the classic.

The track relay race was won by the third period gym class. The members of the winning team were Willie Pearl Towers, Capt., Norma Eldridge, Dorothy Longmire, Katherine Daniels, Anna Mae Carter, Bernice Keene, Vivienne Edington, Velma Golden. This was a second year event.

The floor relay race was won by the third period class also. The team of eight was composed of the following: Catherine Heins, capt., Catherine Suffridge, Virgie Sowers, Lorene Coker, Beatrice Edwards, Beatrice Anderson, Agnes Kootz, Ruby Hartman. This was a first year event.

Evelyn Mabry won first place in the running high jump, going over the bar in perfect form at four feet two inches. Ethel Capps jumped a close second, going four feet, one inch. The lasses looked like Olympic athletes soaring over the rod in almost perfect form.

Myrtle Cogdill, basketball star and vet, came out first in the standing broad jump, going it at six feet, eleven inches. Louise Chesney came second with six feet and eight inches.

Lucile Montgomery won the running broad jump, sailing through space for a distance of eleven feet, eight inches. Myrtle Cogdill came second with eleven feet, six inches.

The running hop-step-jump was won by Louise Chesney, with a record of 27 feet, 9 inches. Myrtle Cogdill, second, 26 feet, 6 inches.

Basketball accuracy throw, won by Myrtle Cogdill, 6 out of 10 baskets. Gladys Chittum came second with 5 out of 10 baskets.

Target throw was won by Cleon Christian in the first year, seventh period class. Mabel Underwood, second year, second period class came second.

## NOTED WHISTLER GIVES CONCERT FOR SENIORS

Former Knoxville Is Visitor In Senior Group.

Miss Ilo Burchfield, a visitor of Miss Mary Ruth Logan and a former resident of Knoxville, was present at the Senior Group meeting last Monday and delighted the grads with her wonderful art of whistling. Miss Burchfield whistled "It's Three O'Clock In the Morning," and "Listen to the Mocking Bird." These selections were very beautiful and at the

same time a novel feature of music.

Miss Burchfield is a "native" of Bristol now and is being kept busy answering calls for her music. She has studied extensively and is accomplished in many other musical lines besides that of whistling. She has made phonograph records for several big companies and they have made rapid sale.

Miss Burchfield has many friends in Knoxville and is always a welcome visitor at Knoxville High School.

WHY?

Perhaps Cadets Are Kinda  
Skeptic of the Outcome.

By R. V. E.

The dual track meet between Baylor School of Chattanooga, and K. H. S., which was to have been held at an early date, has been definitely canceled by Baylor authorities. The meet was, as originally planned, to be held in Knoxville, but on hearing that Baylor was rather hesitant about accepting the invitation, Coach Bender wired them an "invite" to play anywhere, anytime. Even these terms were not accepted by the cadets. A reason for the refusal was not given, but

We can guess why!

Knoxville High has one of the best track teams that has been turned out in the history of the school, a team that has not as yet tasted of the cup of defeat.

Baylor has met K. H. S. in two of the four major branches of prep school athletics and has been defeated both times. Tonight we hope we will be able to say that they have been defeated in three of the four branches, and if we could have met them on the cinder path, wouldn't it have been fine to Make it unanimous!

King Mantel and Furniture Company

## An Open Letter To High School Graduates City High and Central High

(Class of 1923)

It is the opinion of the members of King Mantel and Furniture Company that the ideal present for a High School Graduate is an article of furniture, or something that a Furniture Store has for sale. So we want you to WRITE AN ADVERTISEMENT FOR US.

Just now you are in the best possible position to tell why furniture—QUALITY FURNITURE such as we sell—should make the strongest sentimental appeal to young men and young women who are about to leave their high school.

An advertisement isn't a hard thing to write. It must be clear, sincere, enthusiastic, but above all things it must be TRUTHFUL. It must have in it a "Reason why"; it should describe the merchandise offered for sale; its utility, beauty, comforts, etc.

You are invited to a little friendly contest. It will be confined solely to the Graduates, class 1923, of The Knoxville High School, and The Central High School.

THE YOUNG WOMEN graduates must confine their copy to the things they find in our store that will make suitable gifts for feminine graduates; the YOUNG MEN must tell only of things that will appeal to masculine graduates and for sale by our concern.

Ten prizes are offered, these to be competed for by seniors from both schools, and are as follows:

ONE: For the best advertisement written by a girl in either school—a desk or any other article selected from our stock up to \$40.00.

TWO: For the second best advertisement written by a girl in either school—any article selected from our stock up to a value of \$25.00.

THREE: For the best advertisement written by a boy in either school—a book-case or any other article selected from our stock up to \$40.00.

FOUR: For the second best advertisement written by a boy in either school—any article from our stock up to a value of \$25.00.

In addition to the above, the six graduates, either boys or girls, whose advertisements, according to the decision of the judges, best belong in the honorable mention class, will be presented with \$5.00 each in gold.

Every piece of merchandise on our floors is labeled with a plainly marked "one price-to-all" tag so that you may shop to your heart's content and make your own selections.

### CONDITIONS OF THE CONTEST

Write an advertisement for us as if you were our Advertisement Manager. Use a space as large as you wish for an advertisement which, when printed, will be two columns wide, twelve inches deep. Blank newspaper sheets properly ruled for the purpose may be had at our store if you will call for them.

"Lay out" your advertisement, showing location of pictorial illustration which you may wish to use; confine the number of paragraphs to five; with not more than one hundred and fifty words, exclusive of the heading.

Show on your copy sheet an illustration of the article you write about which may be a bed, a chair, a davenport, a rug or anything that is sold by our store. Print out in proper size the heading and the text of your copy so that the printer will have an exact guide by which he can set it in type. If you have some ability as an artist, sketch in roughly the illustrations, or clip from newspapers or magazines, pictures of merchandise that are approximately correct. We will take care of the art work and the engravings later on, should we publish what you have written.

Advertising experts never think of writing an advertisement without first seeing the merchandise they write about. So come into the store; "shop around" to your heart's content; make careful notes of the various articles you intend to feature; bring your friends with you if you care to do so. We will be glad to show you thru the store, and if you listen to our expert salespeople you will receive many valuable bits of information that will help you in preparing your "copy."

Your advertisement must be brought to us in person not later than Saturday, May 21st, 1923. Do not put on it anywhere any mark that will indicate by whom it is prepared. Paste on the reverse side of the sheet a plain envelope, sealed, which will contain a card bearing your name, age, and the school from which you are graduating. We will trust to the honor of each boy and girl to accept no outside assistance in the preparation of their advertisements, as all "copy" must be original with them, otherwise they would automatically be ruled out of the contest.

Prof. W. E. Evans, of the City High School and Miss Hassie K. Gresham, of the Central High, will act with one member of our concern making as judges a committee of three, and upon their decision we will award the prizes. The names of the winners with probably their pictures, and certainly one or more of the winning advertisements will be printed in an early edition of The Sentinel.
