Novels are all right in their place. But when we have such a large library with its wide variety of books, books to suit every need, it seems a shame not to use it any more than some of us do.

Reading good books is an education within itself. Many of our most patriotic leaders have gained their education by reading and digging things out for themselves. For instance, there is Abraham Lincoln, who at brief intervals had some the High School crowd for some schooling. Another of our great presidents who had little time now and that proves his inschooling and yet became a most intellectual man is Andrew Jackson. Thomas A. These fast changing times compel us to have more than a one track mind. We must be well versed on the various subjects that constantly appear. We may gain this knowledge from books and current magazines.

If you haven't heretofore read more than you are required to read, then just try to devote all your spare time to reading these helpful books, which are always at our disposal.

Teams Fight To Deadlock **Final Game**

Blues & Whites Close Spring Training Sessions With 6-6 Tie.

Playing in mid-season form, the Blues and Whites fought to a 6-6 deadlock in the final spring training game on the K. H. S. practice field Tuesday afternoon.

"I was surprised as well as pleased with the showing the boys put up in this practice game," commented Coach Wilson Collins, "and we find we have enough men for four complete teams."

The two teams fought on even terms for the first quarter with neither team being able to advance within its opponent's 20-yard line.

In the second quarter, "Barnacle Bill" Baker was on the receiving end of a beautiful pass and crossed the goal line to put his team six points in the lead.

The Blue team seemed superior to the Whites, but the White team started clicking. In the third quarter "Goo" White, on a reverse, tied the score to end the scoring of both teams for the day.

The spirit of all the players was typical of the annual Blue and White game, and tho it was very warm, the boys seemed in good

"What a perfect combination; no wonder we win games." The "perfect combination" is Smilin' Wilson Collins and Sam "Gentleman" Jones, and the reason for all the rejoicing comes from the news that the two genial Trojan coaches will remain at K. H. S.

To say that all of Knoxville High is glad does not even half-way express the warm friendship and appreciation that all K. H. S. feels toward these two gentlemen. Besides being "builders of championship teams," Collins and Jones have brought distinction to our school through their own fine qualities of character building.

Bob Murphy, our friend from the Journal, paid Mr. Collins and Mr. Jones a fine word tribute in his column Monday.

"This entire section is fortunate in having such men as Sam Jones and Wilson Doug Bean Collins to guide the destinies of our future manhood," Murphy wrote. "East Tennessee, the com-

ing section of America, needs more men like them."

Netmen Meet Trojan Squad

Battle McCallie, Baylor in Chattanooga-Lavender Wins Tourney.

Chattanooga was the destination of the Knoxville High tennis team when it left at 10 o'clock yesterday morning on a road trip on which it will meet McCallie and Baylor schools.

Captain Vernon Grizzard, Walter Lavender, Bob Bogart, Doug Bean, and Bill Ressler are the netmen who are endeavoring to score two wins in as many days. They met the McCallie school team at 2:30 yesterday on the McCallie courts, and will engage the crack Baylor squad this afternoon.

Bogart and Lavender will form one doubles team, while Grizzard and Ressler will be the other combination.

McCallie and Baylor will probably come here next week for return meets. The matches will be played on the U-T varsity courts.

Walter Lavender is the winner of the annual K. H. S. tennis tournament. He was leading Doug Bean two sets to none several days ago when darkness halted the match, and won the third set 6-3 Tuesday afternoon.
