

Students Give 418 Volumes For Contest

Twenty-three Yards of 100 Yard Library Dash Completed Up To Date.

CARDWELL IN LEAD

Parker's Group Runs Close Second—Theater Party To Be Given Winner.

Four hundred and eighteen books have been received for the 100 yard dash, which is being sponsored throughout the groups of the school by the K. H. S. and P. T. A. library committees for books. The present total represents a little over twenty-three yards of the 100 yard goal and leaves approximately seventy-seven yards of the dash to be completed in the near future.

Robert H. Cardwell's group was leading the contest at time of publication by contributing forty-nine books. S. B. Parker's group has turned in forty-four books. The contest has now launched itself between Mr. Cardwell's and Mr. Parker's groups.

Other groups in the lead are Miss Nelle Henry's group, 34; Miss Mary Pittsworth, 30; Arthur Peterson, 21; and Miss Mary Bates, 20.

A chart, showing a day by day progress among the groups, has been placed in the front hall so that everyone may see how his group compares with the other groups.

A theatre party is being offered to the group which brings in the most books.

Yesterday, "The Heart of Lincoln", starring Judge Charles Edward Bull and Miss Louise Feeser, was presented in the K. H. S. auditorium for the benefit of the library. Total receipts from the presentation are not, as yet, known.

Seniors Hold Special Chapel Last Tuesday

"All 12-A seniors should take advantage of the Easter holidays and have their pictures taken for the Blue and White," urged John Parker, president of the 12-A class, to a special senior chapel Tuesday.

Senior pictures may be obtained at Comer's for fifty cents, and three pictures, 5x7 with one glossy print suitable for publication in the Blue and White, for \$1.95 at Miller's.

The informal meeting consisted also of a humorous reading, "Her First Automobile Ride" by Elizabeth Kerr, a cornet solo, "The Message", by Maston Callison accompanied by Ralph Neal, and a piano solo by Wanda Armstrong.

The dates for the senior banquet and commencement exercises which will be held at the Memorial Building were discussed.

'TRANSPORTATION' TOPIC OF SPANISH CLUB MEET

With discussions of travel, of old building and cities, the Spanish club met Tuesday, March 20, in 310 with Miss Mary Flenniken, adviser.

Bob Patterson spoke on transportation in Spain; Wilma Thornton, the Alhambra; K. P. Baum, Seville; and Harold Simpson, Bull Fighting.

Roy Rochelle won the prize in the cross-word puzzle contest.

Junior-A Class Plans To Revive Traditional Play

Skating Party To Be Held For Benefit of Library Soon After Holidays.

"To make it possible for the Junior-A class to do its part toward helping the Library, we are planning to have a skating party soon after the Easter vacation," stated Betty Clark, president of the 11-A class, after the meeting of the class directors during lower class chapel Tuesday.

"We hope to make this the largest and most successful skating party of the year," she continued. The custom of the Juniors presenting an annual class play has been abandoned since the spring of 1932. The present 11-A class plans to revive this custom next fall after school begins in September.

Since the Honor Plaque system has been installed in high school, the 12-A's have won the upper class plaque, but this six weeks it was won by the 11-A's.

The rings for the class of 1935-B may be ordered from Kimball's Jewelry store now by paying \$1.00 down. The gold rings cost \$8.00 if ordered before June 1. The silver rings, which are becoming rather popular in high school, will cost \$4.80.

The class directors are Betty Clark, president; Robert Saiyer, vice-president; Margaret Lyle, secretary; Lloyd Line, treasurer; and Paul Coker, publicity director. Miss Clara Bewley is the class adviser.

Knoxville Hi Grad Receives Pastorate

Rev. Charles H. S. Houk, a former Knoxville high school student, has been recently called to the pastorate of Edgewood Presbyterian church in Birmingham.

Rev. Houk was editor-in-chief of the '25 Voice, a member of the Masquers' club, and the National Honor Society while a student here. After finishing high school, he attended the University of Tennessee and graduated with honors in 1929, having been a member of Phi Kappa Phi, national scholarship fraternity, and of Phi Gamma Delta. He was also president of the Y. M. C. A. and a wearer of the senior Toga.

Before entering Union Theological Seminary in New York, Rev. Houk was director of young people's work in a New York church.

For the past three summers he was pastor of a church in Stratford, Vermont, and this winter has been taking post graduate work at the University of North Carolina.

HOME EC. CLUB HAS STEAK FRY TONIGHT

Tonight at the home of Edna Bentley the girls in the Home Economics club will try their hand at some outdoor cooking. A steak fry, starting at 5:30 o'clock, will be held for the members of the club and their dates.

Each member is asked to bring her own steak. After the meal has been cooked and served the group will go inside for further recreation.

"All who do not have a way to get there may meet at the court house at 5:30 and a means of transportation will be furnished," Miss Clara Beaman, faculty adviser of the clubs, stated.

Holidays May Be Annual Event In City Schools

About twenty thousand children will be turned loose during the week of March 26 to 30 as a result of the sympathy of the Knoxville Board of Education for the struggling school children.

It is hoped that during the holidays the pupils will get over the spring fever and be ready to settle down and work. This is the first time that these holidays have been granted.

"If school children do not misuse this privilege and take advantage of the holidays, perhaps this will be an annual custom," stated Prof. W. E. Evans.

Ten KHS Students Get Scout Awards At Court Of Honor

F. Stair, Jr. Advanced to Gold Palm Eagle—D. Stout to Bronze Palm.

Ten Knoxville high school boy scouts were awarded high honors at the court of honor meeting held Monday, March 19.

Kenneth Rule, a member of Miss Markwood's 10-A group, was given a Civics merit badge. David Shirley of Miss Tatem's 11-A group received Safety, Reading, Public Health, and Personal Health merit badges. French Sutton, who is in Miss McDougall's 10-A group, won a Book Binding merit badge. Virgil Gentry, a 12-A student of Miss Brand's group, was awarded badges for Civics, Chemistry, and Reading. Bob Beasley, a member of Miss Brading's 9-A group, received merit badges for First Aid and Athletics. A Personal Health badge was awarded to Lawrence Nicholson while Herbert Jones won a Scholarship badge. Quentin Householder, 11-B student of Miss Flenniken's group, not only received a Civics merit badge, but also was advanced to a Star Scout. Deane Stout, of Mrs. Emma Rice's 12-A group, was advanced to a Bronze Palm Eagle. Fred Stair, jr., of Miss Thompson's 11-A group, was advanced to a Gold Palm Eagle.

There is only one advancement higher than this award, that of the Silver Palm Eagle.

Bible Club To Hear P. T. Sims Today

So that the members of the K. H. S. Bible club may hear a special Easter program, a call meeting will be held this afternoon at 3 o'clock in the assembly hall.

Preceding the program there will be a short business meeting in which a name for the club will be selected.

Dr. P. T. Sims, pastor of the Epworth Methodist church, will be the guest speaker. There will be special music by Howard Walters, violinist, and by a quartet composed of Mary Ruth Shirley, Jean Smith, Sam Scarbrough, and Ray Watson.

In the business session, held Friday, March 9, the meetings of the club were changed from the first, third, and fifth Fridays of each six weeks period to the first and fourth Fridays.

Additional officers who were elected at the second meeting are Mary Ruth Shirley, parliamentarian; Margaret Sanders, pianist; Dorothy Wyatt, assistant pianist; and Sam Scarbrough, chorister.

Clayton Discusses American Negro At Seminar Class

'Best Example of Passive Meekness That Can Be Cited,' Says Pastor.

"The American Negro is the best example of passive meekness that can be cited," declared the Reverend C. Clayton, pastor of the Main Avenue Methodist church, when tracing "America's Tenth Man in Religion" at a meeting Friday night of the group of fifteen K. H. S. seniors who are studying the history of the Negro race.

During the Civil War, he pointed out, the white master, when leaving for service, entrusted his home, property, and family to the care of the slave while he was gone to the battle front to fight for the continuance of the institution of slavery. In not a single instance was this trust betrayed.

Continuing the discussion, the speaker declared that the church, aside from a club to which he might belong, was the only thing that the Negro could claim as his own. With his education progressing, however, he is beginning to demand recognition in social life and the professions.

The group will meet again to (Continued on Page 3)

C. Hudson Elected To Phi Eta Sigma

Charles Hudson, former Knoxville high school student, who last summer won the Rector scholarship offered by the Edward Rector College of DePauw University, Greencastle, Indiana, has been elected to the Phi Eta Sigma, the freshman honor fraternity of the college.

This honor society selects freshmen who have an average of at least half "A" and half "B" for the first semester in college. This amounts to approximately five per cent of the freshman class.

While attending K. H. S., Charles won the medallion offered by the National Honor society, of which he was president, for making the best grades.

Charles was also a class speaker, a member of the Blue and White staff, of the Masquers club, and of the Student Council.

To Be At South Knoxville Baptist Church for Benefit of W. M. S.

FIRST OF NEW SERIES

Remainder Will Be Sponsored by Other Churches and Civic Clubs.

Presenting the first of a series of concerts, the combined Glee clubs of Knoxville high school will entertain at the South Knoxville Baptist church tonight at 7:30 o'clock for the benefit of the Women's Missionary society. The remainder of this series will be sponsored by other churches and civic clubs.

The special feature of the program will be the separate appearance of the Boys' and Girls' Glee clubs. "Morning", by Grieg, and "The Sleigh", by Kountz, will be sung by the girls and "Shadow March", by Protheroe, by the boys. The entire chorus will give "Gloria", by Mozart, "The House by the Side of the Road", by Gulesian, "Gypsy Love Song", by Herbert, "Sympathy", by Friml, and "Oh Italia", by Donezetti.

Wanda Armsrton, secretary of the Senior-A class, will play a piano solo, "Prelude in G Minor", by Bachmann, and will also play the accompaniment for the entire concert. Alvin Raulston, former K. H. S. student and now at U. T., will play an organ solo, "Sutie Gothique, Pierre a Notre Dame and Toccato", by Boellman. Virginia Wayland, K. H. S. student (Continued on Page 4)

Glee Clubs To Give 'Martha' At Festival

According to custom, the grammar and junior high schools will have a festival in the U. T. Memorial gymnasium on May 1. This year the combined choruses of K. H. S. and U. T. will contribute to the festival by presenting a matinee performance of the opera, "Martha", in the alumni building at 2 o'clock.

The P. T. A. of Knoxville will sponsor this presentation and receive five cents on each ticket that is sold.

Miss Muriel Parette, soprano, and Robert Faulkner, tenor, will play the leading roles. The chorus is made up of forty-seven girls and thirty-six boys. The scenery and the many colored costumes are taken from the Queen Anne period.

"Because the plot of "Martha" is centered around an old English Festival and the music of two scenes is about the meetings of peasants at the festival, this opera will be very appropriate for the occasion," stated Edward H. Hamilton, director of the chorus in K. H. S.

RED CROSS MEMBERS MAY ATTEND MEETING

Anyone who can pay his own expenses, will be a senior next term, and whose scholarship permits is eligible to attend the National Red Cross Convention, at Washington, D. C., April 9-12. Either two girls or two boys may go.

L. D. Word asked that he be allowed to resign as vice-president of the Red Cross. The resignation was accepted and Martha Newman was elected to take his place.

A TIMELY VACATION

Through the courtesy of the Board of Education, all Knoxville school children and teachers will be given a week's vacation beginning Monday.

Northern and eastern schools have enjoyed these so called "Easter holidays" for a number of years, but this is the first time that Knoxville has seen fit to advocate such a period of rest. Why the change?

Careful investigation has shown that, instead of being a mere myth, spring fever is a most important reality. Through the long winter months, one is forced to spend the greater part of his time in doors. As a rule, he eats very little fresh fruits or vegetables. Recreation, too, is often shamefully neglected. By the time that spring, with its warm sunshine and inviting outdoor environment, makes its appearance, the accumulation of all of these factors makes one feel sluggish and unready to do any considerable amount of work. This is spring fever.

In the fall term, there are a number of holidays, including the much anticipated Christmas vacation. The spring semester, however, can boast of only one such day of rest—namely, Good Friday. But with the inauguration of the Easter holidays, an entirely different situation is created.

At present, the vacation plan is in its experimental stage. If the students appreciate it as they should, it is quite probable that it will become a yearly feature of the school program, as it certainly should.

Do your part toward establishing its permanence by remaining in your proper places until school closes this afternoon. Then take a real rest. Get out and enjoy nature. Then be ready to return to school promptly the next Monday morning, resolved to do better work than before.

SIGNIFICANT CHANGES

A number of changes have been made in the Liberal Arts College of the University of Tennessee, all of which should be of interest to high school students.

In the first place, existing entrance requirements have been altered considerably. In the past, two and one half credits in mathematics and two (or four) units in foreign language were necessary for enrollment in the freshman class. Under the new plan, two units in mathematics will suffice, and, as for foreign languages, one can either take two years in high school and two in university, or none in high school and three there.

The new system will also provide for the division of one's college work into two distinct parts of two years each. The first of these will be largely devoted to foundation courses, which all students will be required to take; while the second, or higher level, will allow concentration in certain fields. Such a plan, it is pointed out, will enable the student to see the field of knowledge as a whole, assist him in finding the work for which he is best fitted, give him a firm foundation for his advanced work, and prevent a great deal of duplications and overlappings.

But although both of the preceding points of alteration are important, it is really the third which should most con-

cern prospective college students. In order to raise the standards of scholarship and "weed out" those who are not trying, at least a "C" average must be made during the first two years if one is to continue in the advanced courses.

If one has been content merely to drift along during his high school years, now is the time for him to snap out of it and to resolve to do better and more efficient work. Such a determination is most essential if one expects to make the grade in any university.

OUR PROGRESS

In looking back over prevalent practices of the past century, one is surprised, and even horrified, at the barbaric nature of some of the acts of our ancestors. Here is a typical example:

The sun is just beginning to make its appearance over the Eastern horizon, confident that it is the first to venture forth so early in the morning. Disappointment: in a clearing in the woods, a group of men are assembled, earnestly discussing some business which is before them. Finished, evidently, they separate into two groups. A member of each faction steps out and faces the other. One bearing the appearance of master of ceremonies solemnly inquires, "Are you ready, gentlemen?" and then, "Fire-one-two-three-stop". The smoke lifts. One of the principal actors is measuring his length on the ground, rapidly taking leave of this world; the other, clutching at a nasty wound in his shoulder, lowers his duelling piece with a smile of victory. He has won.

Who composed the dramatic personnel of this one-act tragedy, and what was the motive involved? Now it is Midshipman Francis Key versus Midshipman Sherbourne determining the relative speed of two steamboats; now it is one Tennessean avenging a kick which his dog accidentally received from a neighbor; now it is the result of a disputed bet at a horse race combined with an insult to Jackson's wife, and Dickinson pays with his life.

Men settled disputes like this and called themselves civilized.

But for a modern scene:

The steady flare of rifle fire and heavier artillery makes the dead of night seem as light as day. On all sides, men are receiving their passports to the great beyond; others, not being so fortunate, are doomed to a life of invalidism. The causes: Your guess is as good as ours.

Duelling is no longer practiced. Someone discovered that this was not the proper way to settle disputes.

KH Tennis Tourney Begins Tomorrow

Trojan Teams To Enter Meet At Morristown

Tenn. High School Golf and Tennis Tournament To Be Held In May.

TROJANS SEEK LAURELS Golf Entrants To Be Selected Soon By Coach Wilson Collins.

For the second consecutive year, the Morristown Country club will sponsor the Tennessee High School Golf and Tennis Tournament.

Although the tourney will continue through May 17, 18, and 19, entries will be void after May 12. Qualifying rounds must be played May 17.

In the golf tourney a cup will be awarded to the winner and runner-up. The low qualifying scorer and the winning team will also receive cups. Before the end of the tourney each entry will have played a total of seventy-two holes.

Both singles and double matches will be played in the tennis contests. Three cups are to be awarded. The champion and runner-up will receive cups along with the winning team.

Golf participants from K. H. S. will be selected by Coach Wilson Collins. The basis of selection will be the winners in the University Day tourney at U. T., April 14 and 15.

Tennis players from Knoxville High in the tourney will be determined by the victors in the elimination matches to be played next week.

Spring Grid Practice Begins Soon After Easter Holidays

By Johnny Moffett

Football talk and gossip returns to Knoxville high as Coaches Wilson Collins and Sam "Gentleman" Jones prepare to issue the initial call for spring football practice.

Many new candidates are expected to report April 1 to start training and fighting for berths on the 1934 football team. If the call for football recruits is accepted by the Knoxville high school students like it was for the basketball team, the two Trojan mentors will probably not have enough uniforms to equip all the candidates.

However, all boys interested in this sport are urged to report. As many first string players have graduated since last season, inexperienced players must be developed to fill these vacancies. Much must be accomplished to mold a smooth clicking, blocking, and spirited team like the Blue and White Trojans of 1933 who have been acclaimed as National Champs.

Although Coaches Collins and Jones will not begin their work until after the Easter season, Coach Quinn Decker, Central high mentor, has held practice since March 12.

Coach Decker was greeted by more than 125 candidates for the team as he walked on the gridiron to start training. It seems as though the Central high school students have that Bobcat spirit, and are very anxious to build a clan which will reap revenge for the Trojans' victory of last season.

The scene of the Bobcats' training grounds has changed greatly since last season. Preparation is being made to further beautify their new athletic field, which will be used for the Red and Black team when they are visited by out-of-town teams next season.

OUTDOOR SPORTS

When the grand old game of basketball fades out of the sporting picture at Knoxville high school, there is a brief vacancy of current sports events.

But just as sand lot baseball is swinging into action, the spring weather creates a desire for the great out-of-doors. Many individual sports such as hiking, tennis, and golf may be the answers to athletic students during the present weather.

HORSE-SHOE TOSSERS

As the rays of old "Sol" peep around the corner of the Great Smoky Mountains, it warns us of the approaching summer. It also beams upon the sport which is most enjoyed by the more aged athletes.

Many experienced horse-shoe slingers and "Joe Hookers" in this section have become known for their efficiency in this event. In addition to being good exercise, it develops and tests ones accuracy.

One of the greatest purposes which it serves is a means of recreation for the unemployed. Perhaps Knoxville high should have a team.

If they should decide for a "Joe Hooker" team, Wayne Longmire would no doubt be the coach. Mr. Longmire is not only a horse-shoe fanatic, but takes interest in basketball, football, and all other K. H. S. sports.

Supply Of Jerseys Ordered By Collins

To have a cheering section that wears the royal blue and white of K. H. S., and to encourage the sale of season football tickets, Coach Wilson Collins has ordered a supply of blue and white jerseys which are to be sold to the students of K. H. S. who compose the principal part of the cheering section at the football games.

It is planned to give to each purchaser a season football pass without extra cost. However, the bargain is to be balanced by charging more for the tickets.

Another plan is that tickets be sold as usual and for the same price, and the jerseys sold separate from the tickets.

There is yet another plan which may be tried, whereby the student who purchases a season pass would receive a reduced rate on the jersey.

TRACK TEAM WILL NOT MEET BAYLOR AT CHATT.

That the Knoxville tracksters will not participate in the relay meet at Chattanooga on April 7, is the sad supposition which is now a reality.

Because of the decision of the State Board of Athletic Controls, the Trojans are banned from the meet. The board ruled that a public high school cannot compete with a prep school in a field meet, although such a meeting is possible in a dual affair.

Somewhat of a balance in the Trojan schedule is maintained by the invitation to compete in the Tri-State meet of the Lincoln Memorial University at Harrogate, Tennessee. Last year the Blue and White team won this meet.

Stewart's Tenikoit Team Wins Meet

Winning Team Will Receive Special Emblems.

With a victory for captain Ruth Stewart's team, the girls' tenikoit tournament ended Monday after school. Each member of this team will be awarded a white felt "T" within a circle. Those receiving these letters are Mildred Atchley, Ruth Brewer, Omega Lewis, Lucile Massengill, and Evelyn Smith.

Ruth Long's team came second. Members of this team are Juanita Draper, Reba Hammond, Anna Mae Justus, Frances Perry, and Estelle Ramsey.

Faye Poore's team placed third. This team is composed of Marie Knight, Kathleen Russell, Dorothy Warwick, Paulita Knight, and Aileen Tipton.

The hiking club will take its first hike this term Thursday, April 5, which is the first Thursday after the holidays. Girls who want to take the hike are asked to sign up when they return to school.

Those who expect to enter the tennis tournament should take advantage of the holidays by practicing.

COMMERCIAL CLUB TO HAVE CONTEST

To get all the commercial students interested in the club is the purpose of the contest being sponsored by the Commercial club, as explained at a call meeting Friday. Jamie Wilhite and Opal Rhodes were appointed captains of the two sides.

That one is not counted as a member of either side until his dues are paid was emphasized as a requirement for eligibility in the contest.

Club colors of violet and cream were selected.

"Everyone likes a lively club. For that reason we have a cheering team to prepare some yells. We are also having a club song written," stated Stellajoe English, president of the club.

KEEN COMPETITION SEEN

Lavender and Krisle Plan To Attend Riverside Military Tourney.

Candidates for the Knoxville high school tennis team will compete in the annual tournament tomorrow morning on the courts of Jimmy Hasson at 3307 Kingston pike.

Semi-finalists of the tournament and Captain Walter Lavender will form the team which will represent K. H. S. at numerous meets during the season. Among the boys who have entered the meet are George Krisle, Fred Hoffman, Harold Jones, Fes Lowry, Bob Shuey, Maston Callison, Charles Dobson, Searle Gillespie, John Parker, Charles Johnson, John Harbinson, Walter Tunnell, Lloyd Line, Harry Anderson, Bill House, Tom Pressly, Paul Flinchem, Willard Martin, Charles Burke, James Hasson, Lynn Humphries, Tom Trent, Harry Wood, Ben Kohler, James Roberts, Shirley Jones, Ernest Dooley, Howard Walters, Herbert Duggin, William Helsley, Lapsley Ogden, and McAfee Lee.

The team is planning to have one of its greatest seasons since tennis was introduced at Knoxville high. Meets have been scheduled with Baylor, McCallie, Asheville Boys' high, Chattanooga, and U-T Freshmen. All matches are arranged for return engagements.

Entrance to various tournaments is being planned. These include the Tennessee High School Golf and Tennis Tournament, to be held by Coach W. G. "Petie" Siler at Morristown, May 17, 18, and 19. The team will also participate in the University of Tennessee Field Day Events on April 14.

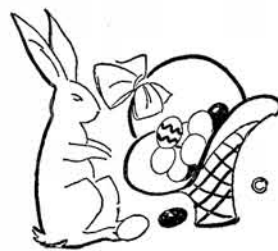

Lavender and Krisle will probably attend the Southern Inter-scholastic Tennis meet at Riverside Military Academy at Gainesville, Georgia.

Among the more experienced players who are expected to give much competition for berths on the team are Krisle, Hasson, Johnson, S. Jones, Callison, and House.

Courts have been selected by the Trojan netmen for the regular tennis season, but are not in condition for the tourney.

Lower Class Chapel Hears Dr. H. Clark

School Head Discusses Progress, Education, and Cultural Opportunities.

Dr. Harry Clark, superintendent of Knoxville public schools, addressed the lower class chapel Tuesday. He discussed the general subjects of progress, education, and profitable use of cultural opportunities offered by the public schools.

Dr. Clark illustrated his talk by several personal experiences with people and things that had become "mossbacks". The late Sir Thomas Lipton, famous English sportsman, was cited as the example of one who never became "old" or "bored".

In closing, Dr. Clark declared that one who remained interested in current events throughout his life, could never become satisfied with himself or cease to be of some use to the world.

Coach Sam "Gentleman" Jones' tumbling team gave an exhibition of its art on the same program. Some of the feats were three, four, and five men pyramids, and "toss-tumbling", in which the athletes threw each other over their shoulders.

Members of the K. H. S. Masquers club produced a skit written and directed by O. E. Sams, dramatics head. The scene was "at home on a school night" and the characters discussed the merits of various extra-curricular activities at K. H. S.

\$2,000 Scholarships Offered KHS Juniors

More than \$2,000 in scholarships will be given high school juniors for the 1934 summer session of the speech of Northwestern university, Dean Ralph B. Dennis has announced.

Two special sessions of four weeks each will be conducted for high school students of unusual ability in dramatics and debating, one beginning June 25 and the other July 23. Each session will be limited to forty. Twenty scholarships will be awarded in each term, the selection to be made on high school records.

From these two summer sessions will be selected at the end of the season the boy and girl showing the greatest promise in dramatics and debate. The winners in each term will be awarded scholarships for the 1935-36 academic year in the speech school. Scholarship awards also will be made to twenty high school teachers for the summer session.

The curriculum will include classes in acting, play producing, play directing, make-up, voice and diction, debate and public speaking. In addition to the classes in acting, directing, stagecraft, voice and diction, students will appear daily in short scenes prepared and presented in the dramatic classes. All students majoring in dramatics will appear in a play during the last week of the term, while those majoring in debating will take part in a debate during the last week.

All Paid Up Groups Attend Bijou Tues.

Receiving the reward promised the groups first paying up their Blue and White subscriptions, Miss Mary Beard's group, with Francis Barber as group representative, and Miss Allie Vaught's group, with Helen Watson as representative, attended the theater party given at the Bijou for them last Tuesday, March 20.

S. B. Parker's 12-A group, Miss Eleanor Brading's 11-B group and Miss Emma Becton's newswriting class were also guests of the Blue and White staff. Mr. Parker's and Miss Brading's groups went 100% in purchasing the Journal when it was edited by the Blue and White staff.

The picture playing last Monday and Tuesday was "42nd Street". "I'm No Angel" and "Havana Widows" are to be featured from Thursday through Saturday at the Bijou.

Sweet Briar College Will Give Twelve Scholarships

Presidents Discuss Activities In KHS

Discussing extra-curricular activities, the lower class group presidents met Thursday, March 22.

Members of the Student Council spoke on the different types of clubs in K. H. S. and their relative worth to the individual according to his special interests.

Martha Ijams talked on Athletic clubs; Mary Ruth Shirley on Religious clubs; Nelson Venable, Interest clubs; and Howard Cox on Scholarship clubs.

Among the athletic clubs supported at K. H. S. are the girls' Hiking, Tumbling, Swimming, and Rhythmic Dancing clubs.

The Religious clubs include the Hi-Y, Girl Reserves, Junior Girl Reserves, and the Bible club. Interest clubs: Kodak, science, glee, French and Spanish clubs and all other clubs closely connected with regular subjects.

Students Give Skits Before French Club

"Conversation" was the topic of discussion at the meeting of Le Cercle Francais, Wednesday, March 14.

The conversations were given by different members of Miss Willomette Barksdale's French classes. Those who took part in the program were Phyllis Trenholm, Mabel Houk, Mary Ball, Sam Sarret, Lapsley Ogden, Mary Kelly, Anatlas Pace, Alene Lintz, Helen Buffat, and Jo Whittlesey. Harriet Barber sang a solo and the club sang the song, "Marseilles". Games were played and refreshments were served.

The French club, presided over by Phyllis Trenholm, invites all students who are taking French or have taken it to become members. The next meeting will be held in room 332, Wednesday, April 4.

Each Offer Includes \$400 for Tuition and \$600 for Other Expenses.

For several years the Sweet Briar college has offered twelve tuition scholarships to freshmen, yet in no year has the number of strong applicants been sufficient to win all of the scholarships.

Each scholarship carries a stipend of four hundred dollars (the cost of tuition) for the freshman year. This leaves a balance of six hundred dollars which covers the cost of room, board, laundry, the series of lectures and concerts, and the infirmary fee. There are a few incidental expenses and the clothing of the students is extremely simple, due to the location of the college in the country and the outdoor life which characterizes Sweet Briar college. The scholarships are awarded on the basis of the College Board examinations taken into consideration with the student's school record and recommendations. Under these plans, students must take examinations in four subjects and also the Scholastic Aptitude Test of the College Entrance Examination Board.

"In addition to the competitive freshman scholarships, Sweet Briar offers a number of opportunities by which students may help to defray their expenses," commented Mrs. Bernice D. Lill, registrar of Sweet Briar college.
