Ben Kohler, 'Les' Brown Class Orators

Selected As Commencement Speakers for Mid-Year Graduation Exercises.

ALTERNATES CHOSEN

Francis Davis and Alex Simpson to Prepare Papers for Emergencies.

Ben Kohler, cadet major of the Knoxville high school R. O. T. C. battalion, and Lester Brown, president of the Open Forum, have been selected as the boy speakers on the 1936A commencement program.

Francis Davis and Alex Simpson, reporter on the Blue and White, will be prepared to serve as alternates should either of the principal speakers become unable to carry out his part. The selections were decided upon after final try-outs Monday afternoon.

Kohler, besides his R. O. T. C. office, is president of Miss Jessie Lou Neubert's 12A history class and is a member of the Senior Hi-Y. Brown has taken part in several productions of the K. H. S. dramatics department.

The two chief girl speakers, selected last week, are Edna Hixon and Helen Hall. Alternates for them will be Capitola Shannon and Faye Poore.

The type of the 1936A commencement exercises will be decided upon at the first meeting of the speakers with the Senior A adviser, George P. Turley, head of the mathematics department.

OPEN HOUSE WILL BE HELD FRIDAY NIGHT

To encourage parents to become better acquainted with activities of their children in school, Knoxville high school will hold Open House Friday evening, November 15, at 7:15 o'clock.

In each room there will be a program and an exhibit of the work that has been done in that particular subject. Every teacher will be in charge of his class room and arrange his own program.

The rooms will be open from 7:15 until 8:15. The last part of the schedule will be a program of music and talks in the auditorium at 8:15.

All parents are urged to come since it will give them an opportunity to follow their children in their school work.

Armistice Parade To Be Greatest Ever Held Here

K. H. S. Military Units, War Veterans, Red Cross, and Others to March.

Amid a blare of horns and the beating of drums, seven bands from the immediate vicinity of Knoxville will participate in a parade, on Armtistice Day, Monday, November 11.

The parade will start at Main and Gay and end at K. H. S., stopping for one minute at eleven o'clock and facing west in remembrance of the dead veterans.

The military units participating in the parade are the 81st division, the National Guard, Reserve officers, University of Tennessee R. O. T. C. regiment, and the Knoxville high school battalion of ca-

Enthusiasm High in Election —1995 Votes Cast for Five Candidates.

Is Captain of '35 Football Team and Vice-President of Home Group.

Wendell Tipton, a member of O. E. Sams' 12B group, was singularly honored last Monday when the student body bestowed upon him the title of "Mr. K. H. S."

This, together with that of "Miss K. H. S.", is the highest honor that can be voted a person by the student body, irrespective of the voters classification or membership in a certain group.

Enthusiasm in the election was high. There were 1995 collective votes cast for the five candidates. Of this number, Tipton received 876; Searle Gillespie, 355; David Wells, 304; Sam Slovis, 268; and Hasson Calloway, 192.

As evidenced by his election, Tipton is popular among his fellow students. Besides this recent honor, he is captain of the football team and vice-president of his group.

Miss Emma Becton, Miss Edith Horton and W. T. Miller, faculty members, and Charles Ewing, editor of the Blue and White, supervised both the Mr. and Miss K. H. S. elections. Candidates were required to have certain qualifications which this committee included in the election rules. They were required to be either a 12B or a

Sams Selects 20 Students In 12A Play Eliminations

Senior Class Will Present 'After Wimpole Street' at Graduation—Six Girls and Four Boys to Take Parts.

Final tryout for the senior class play, "After Wimpole Street", was held yesterday afternoon. The students were selected in the preliminary tryout, which was held on Tuesday afternoon.

The students who competed in the final tryout were selected by O. E. Sams, director of the play, from a group of about forty seniors who took part in the preliminary.

Those who were chosen to proceed to the finals were: Martha Peters, Evelyn Freels, Mary Henry, Evelyn Brenneis, Capitola Shannon, Ruth Bonham, Bess Robbins, Helen Seivers, Faye Poore, Maxine Bailey, Genevieve Bridges, Elizabeth Childs, Dave Wright, Bill Brakebill, Turner Gates, Fred Jenkins, Ben Kohler, Kyle Goddard, Pat Millirons, and Francis Davis.

Quill & Scroll Will Sponsor Contest

Material has been received by Miss Emma Becton, adviser for the Blue and White, for the next National Group Contest of the Quill and Scroll contest for the current school year. There will be four parts in the coming event: copyreading, newspaper terms, news judgment, and editorial writing.

Any student in high school may participate in the contests. However, it will be of particular interest to members of the Blue and White staff and to the journalism class.

The one best entry in each contest will be submitted to the national judges.

All letters must not bear a later postmark than November 21. A bronze Quill and Scroll Creative writing key will be awarded to the ten national winners in each contest. There will be five regional winners selected with careful consideration given to honorable mentions. Results will appear in the December-January issue of Quill and Scroll magazine, which will reach members on or before December.

Foster Play To Be Given Second Time

"Weep No More My Lady", the exciting drama based on the life of Stephen Collins Foster, composer of the much loved southern folk songs, will be presented in K. H. S. auditorium again tonight. Well known Knoxville singers and actors will take the leading roles in this romantic play.

Bob Faulkner will portray the part of Stephen Foster; Miss Frances Elmore as Susan Pentland, who jilted the popular song writer; Mrs. Muriel Parrette Angle, Stephen's wife. Other persons taking part in the play are: Walter Pernette, lovable scoundrel who marries Susan; Ebb King as Daddy Foster; Mrs. I. C. King as Mother Foster; J. J. Graham as Dr. McDowell; Edward Hamilton as E. P. Christy; Charles Hoffman as Rev. Edward Y. Buchanan; Mrs. Lelia Leslie as Ann Eliza; Alfred Loy as William Jr.; Mildred Martin Patterson as Olivia.

RIFLE TEAM ELECTS BEELER AS CAPTAIN

Using a new method for electing the officers of the rifle team, Sergeant W. A. Pratt has announced that Glen Beeler, of Company A, will captain the unit.

W. J. Bolin, of Company C, was elected vice-president; William Holt, Company C, executive officer; Weston Hyde, Company B, secretary; and Robert Hinesdale, Company C, treasurer.

The boy having the highest percentage in shooting automatically became captain and the other officers were commissioned in the same way.

Joyland Aspirants Must See Director

Clubs and Students are Invited to Take Part in Event.

Any club or individual planning to enter a skit in the 1935 Joyland is urged to let O. E. Sams, Joyland director, know of their plans as soon as possible.

"Whether you have definitely decided what your skit will be or not, I would like to know the groups that are planning to enter in the tryout. Tryouts will be held on Tuesday before December 6.

"All high school clubs and any student is invited to try out for Joyland. The skits should be either musical or humorous and should not last over ten minutes," the director said.

Joyland will be presented in the form of an amateur show. The audience will vote for the best and next best skits shown.

Another Holiday

In celebration of Armistice Day, there will be no school Monday. R. O. T. C. cadets will form at the K. H. S. armory at 10:30.

EVANS URGES PUPILS TO PAY B & W DEBTS

Now that the football tickets are all paid for, it is time to begin thinking of paying for the Blue and White.

Monday of next week, lists of unpaid subscriptions and the subscription cards will be given to all group teachers who will help the campaign by collecting as much as possible before next Friday from the group. The money as well as the blanks will be returned the staff room after group Friday.

"It is important that these subscriptions be paid as soon as possible. Will all group teachers please cooperate with the staff?" stated W. E. Evans.

KHS Students Read 7,139 Books Last Month; 50% Increase Over Last Year

That the reading of K. H. S. students continues to increase is emphasized by Miss Mary Bates, K. H. S. librarian, in a monthly report of library activities.

During the past month the students, according to this report, have taken out of the library 5633 seven-day books and 1506 overnight books. This shows a considerable increase over the same month last year. During October 1934, only 3524 seven-day books and 821 overnight books were used. These figures show the increasing interest of K. H. S. students in the use of the library since the addition of many new books.

According to circulation statistics for September and October of this year compared with statistics for the same months of last year, there has been from 50% to 100% increase in the use of both overnight and week books.

Miss Bates stated that due to term papers, reference work has increased considerably, and that the students are growing more and more efficient in finding their own material through use of the card catalog and the Reader's Guide.

"The students will sometimes ask for suggestions, but always after they have tried to find the material themselves," the librarian commented.

"We have been giving library lessons on reference books, use of the card catalog, and the Reader's Guide. Work on problems in connection with these lessons, especially the Reader's Guide problems, has made the library hum with activity.

"The library has been full to its capacity each period, with large numbers staying after school to work," Miss Bates disclosed.

PRAYER FOR PEACE

That it may please Thee to give to all nations unity, peace, and concord,

Kidnap and Murder, "No Charges—"

MONDAY at 9 a. m., in the business section of White Bluffs, near Nashville, a group of white men wrested a negro prisoner (accused of having slapped a white woman the day before) from the city marshal and a deputy sheriff, took the negro, drove four miles into an adjoining county, (Cheatham) shot him dead, tossed his body into a thicket, returned to the jail at White Bluffs, and surrendered. The sheriff "placed no charge against them", according to the Associated Press dispatch.

The five killers are guilty of resisting an officer executing a law (a felony, generally considered treason); of menacing with dangerous weapons, (pistols) previously concealed (felony); of forcible abduction; and of malicious and wilful murder. There can be no excuse for such a crime, one against the State, one against the peace, and one against the person of an individual accused, **(not convicted)** of an offense which at the most was no more serious than any one of the four counts against his murderers.

In the last few months, similar anarchistic crimes have occurred in Kentucky and Mississippi. Since the state governments have failed to prevent such outrages, why should not the state ask that action of the national government be called into action, on the ground that armed resistance to an officer of the law is treason?

Encouraging

DISCLOSURES in the October report of the Knoxville high school librarian, Miss Mary Bates, showing the increase in use of the library since 1933, are flattering and encouraging to the student body and school officials. According to the report quoted in the feature on page one of your Blue and White this week, 5633 weekbooks and 1506 overnight-books were taken out by students during the last month, whereas for October 1934, the numbers were, respectively, 3524 and 821.

Such increase in interest in reading is an index of the cultural progress which may be expected of public school students who are provided with the proper equipment for study and advancement. The school authorities and the Parent-Teachers association put up a hard fight last year to acquire enough books to enable K. H. S. to retain its listing as an accredited secondary school. They succeeded in adding almost 7000 books to the library, and the thirsty response of the students has affirmed the need.

Congratulations!

The Blue and White congratulates the editors of the new commercial department paper, "The Steno-Chat". The stories are attractively placed and the stencilling (it is mimeographed) is unusually clear.

Again, best wishes, "Steno-Chat", for a successful publication year!

Miss McClannahan

Knoxville and the Knoxville school system have lost a precious personality by the death of Miss Rosebud McClannahan last Saturday. After more than 50 years of teaching, she became assistant to the principal of Knoxville high school, where she won the respect and love of the many students whose undergraduate shortcomings or woes she kindly and justly reproved or gently commiserated. Her influence has extended to many hundreds of pupils, many of whom have in their maturity reached high places in the national government, in the clergy, and in other high professions.

The Blue and White joins Knoxville in mourning the death of Miss McClannahan and, at the same time, is thoughtfully grateful for the benificient influence of her life.

November 11—Lest We Forget

REMINISCENCES OF A SOLDIER

Great God, did
I not offer my life
Once to help make this
World safe for Democracy?

I shot and fought—
As brave men ought,
In their country's defense.
I marched and fell
In that devasting hell,—
And, in gaping suspense,
Saw men die
And watched sky devils on high
Soar above torn battlefields.
I saw stricken families, gaunt,
Beg and plead in pitiful want—
War, its victims, yields!
For four years,
This hellish destruction,
Went on!
Then, on November 11, 1918—
Ah, at last, Heaven intervenes,
Mars retreats, peace abides.
Relieved of their plight,
Nations admonished and thought,
"No more we'll fight;
Our lesson has been wrought."
Years passed, and now . . . .
War mad,
Crazed dictators again demand
"A place in the sun".

O, omnipresent
Father, I beg of you:
Let not the posterity,
Dead ones bequeathed the
World, proceed to death in
The same manner as did they!

—EARL WALLACE

The Blue and White congratulates The Knoxville Journal for bringing Moro Gonzales, famous Mexican caricaturist, to Knoxville, If Gonzalez' sketches of city "notables" are as amusing and deft as his portraits of national figures have been, they will add enjoyment to the lives of Journal readers.

At The Theatres

Two best shows next week:

"The Gay Deception", with Francis Lederer and Frances Dee, showing at the Riviera, Monday-Wednesday, November 11-13.

"Steamboat 'Round the Bend", starring Will Rogers and Anne Shirley at the Strand, Monday and Tuesday, November 11-12.

"THE GAY DECEPTION"—there is deception in the title but the picture really is gay. Francis Lederer is irresistible as the happy-go-lucky young prince who decides to do some bell-hopping in New York's most ultra hotel. In this picture Francis Lederer has nothing on his mind but Frances Dee—and no wonder, for Miss Dee turns on the charm full force and gives a grand performance of the rich little poor girl splurging on sweepstake returns.

The story is pretty badly tangled up in spots, come to think of it, but you'll enjoy it, so you won't be thinking anyway.

Whether or not you are a Rogers' fan, this new Will gone dramatic, in "Steamboat 'Round the Bend", is going to please you plenty. Will, as a steamboat captain, plays Will in his usual charming manner. Frances Ford is simply sleek in the role of a converted sinner; Irvin S. Cobb is a scream in the role of a rival steamboat captain; and Anne Shirley, Eugene Pollette, and Berton Churchill all contribute to the general merriment.

HO-MING, GIRL OF NEW CHINA

By Elizabeth Foreman Lewis
The John C. Winston Co.—$2.00

Ho-ming is the second daughter in the Sung farmhouse; a small, comely, amusing firebrand of restlessness and mischief, eager to experiment with life.

The story opens with Ho-ming, just twelve years of age, caught in a web of tradition and superstition. Already she has earned in her household a reputation for getting into scrapes and ingeniously saving herself.

Into Ho-ming's life enters Wei-Doctor, bringing modern ideas; and Ho-ming's attempts to reconcile these with her own family's theories of living is the theme of the book. Sometimes amusing, sometimes tragic, she runs the gamut of adolescent emotions.

In the end she emerges (at 17 years) as one of that increasing group of Chinese youth who offer their lives and talents to its people—in Ho-ming's case in the service of Public Health.

Kurt Wiese has again captured the spirit of China in his thirty-seven illustrations, of which four are in colors. Mr. Wiese lived for many years in China, and his drawings faithfully depict the charm and atmosphere with an intensity that could not be obtained by any artist who had not known intimately the background he pictures.

School Daze

ALL kinds of greetings!!!

And did you know that K. H. S.'s absent-minded professors are becoming more and more numerous (perhaps they are reading School Daze). But anyway, Mr. Longmire has now joined the ranks.

One day, not so long ago, he went to the corner of Broadway and Central to catch a Fountain City bus home. It was only when he had ridden several blocks on the Lincoln Park street car that he discovered his mistake, and had to walk that many blocks back to catch the right car. That takes the cake, we think.

"Their eyes met for a long, breathless moment, and swam together."

"Marjorie would often take her eyes from the deck and cast them far out to sea."

"He wrenched his eyes away from hers. It was a painful moment for both of them."

Bobcats Trim TMI Cadets By Score Of 39-12

Pat Reno Runs Wild Against Visiting Grid Team.

FIRST DEFEAT

Central Remains Undefeated —Presents Strong Offense.

Last Friday, the Central high school Bobcats romped over a greatly over-rated Tennessee Military Institute team to beat the Cadets by a score of 39-12. Pat Reno, fullback, led the County team to the victory with his great line-bucking and several long runs.

Using several daring plays from the most unexpected positions, the Cadets registered 15 first downs, while the Red and Black team gained but nine.

Central showed great offensive power, but were weak on the defense. The Cadets gained a great deal of yardage by passes and complicated laterals behind the line of scrimmage. The visitors out-kicked the Bobcats.

Bob Suffridge, guard, was outstanding in the Red and Black line before he was forced to leave the fray by a severe leg injury. Cy Whaley played good football. Beeler at quarterback played steady football, but he took several chances that might easily have boomeranged and cost the County team heavily. Pat Reno, however, was the big figure on Pruden Field last Friday afternoon. Reno thrilled a rather meager crowd with his fine running. His outstanding run was for 63 yards for a touchdown.

Dewell at center was outstanding for the visiting team.

Before the battle, the Tennessee Military Institute team was undefeated.

WILSON COLLINS IS COMMITTEE MEMBER

Perhaps all Knoxville high school students do not know that our own head football and basketball coach, Wilson Collins, is a member of the National Basketball Committee of the United States and Canada.

Since there are only sixteen members of the committee in the United States and Canada, the position is considered a great honor. The committee is detailed to make basketball rulings.

SPORT DOPE

Trojans Romp To 27-0 Win Over Strong Asheville Eleven

By Bob Allen

Once more the Knoxville high school Trojans climb within reach of the top rung of the championship ladder. Coach Wilson Collins' boys have found their stride, and are expected to go through the remaining part of the season undefeated, unless the ancient rival from over Fountain City way provides enough fight and skill to down a now very potent Trojan team. Last Friday, the Blue and White team sought and found revenge over the undefeated Asheville high school gridsters. The Trojans outclassed the North Carolina team in every phase of the game. The final score of an encouraging battle was 27-7.

Bob Allen

Led by Bob Foxx, the Trojans scored early in the first quarter to start a lead on Asheville, which the visitors never overcame. After a steady march down the field, Foxx took the ball around left end, and carried the leather 18 yards to a touchdown. Box Foxx kicked the extra point from placement. Notre Irwin, whose presence in the game at the start added to the Trojan spirit, was injured at the beginning of the second quarter. Johnny Butler, who took Irwin's place in the game, added the second tally to the Trojan total, when he lugged the ball off tackle for five yards and a touchdown. Foxx converted.

After receiving the kick-off following the second touchdown, Justice, of Asheville, took the ball off left tackle on the first play, and raced 69 yards for Asheville's lone score. W. Bryson added the extra point. On this play Asheville showed some of its highly touted prowess. Asheville's blocking was perfect in the play that cost the Trojans the seven Asheville points.

With the end of the half, the score stood at 14-0.

In the fourth quarter, Tony Carper, substituting for the spearhead of the Trojan attack, Bob Foxx, crashed through the visitors' line to add six points to the Trojan score. Veo Yon added the extra point.

Bob Shults, substituting for Gillespie, intercepted a stray Asheville pass and romped 30 yards for the final touchdown before a bewildered visiting backfield could swing into action. This ended the Trojans' scoring for the game. The final score—27-7.

In the Asheville forward wall, only one player lived up to expectations. He was T. Bryson, center. He and his brother, who played fullback, were the outstanding defensive players in the visiting line-up. Captain Justice, at quarterback, furnished most of the Asheville Maroon Devils' offensive threat. W. Bryson's punting was good, although it did not rival that of our own Bob Foxx.

For the Trojans, Captain Tipton and Luttrell played good football in the line. In the backfield, Bob Foxx again was the spearhead of the Blue and White offense. Foxx passed, ran, and kicked the Trojans to the decisive victory gained on Caswell Park gridiron last Friday. Notre Irwin, who has only recently recovered from a rib injury, showed his old time form in the time that he played. Randles' defensive work was very good. Searle Gillespie was unbeatable in the signal calling role.

Wonder where Bob Shults got the new "handle"? They are calling him "Punchy".

"Hey-hey——Ho-ho!!!" Those Austin high school Panthers pounded out another victory last Friday at Caswell Park. The down-trodden victim was the darktown high school of Chattanooga. To be exact, Howard high school bowed to Knoxville's dusky team. It seems that none of the Chattanooga teams can win in Knoxville.

'A' COMPANY TAKES LEAD IN FOOTBALL

With A company playing B, and C company playing D, the second half of the intra-mural football tournament got under way this week. N company was idle.

All the teams have shown great improvement, and a close race is anticipated for the second half championship. The winner of that half will vie with company A for the intra-mural football title. The final winners will schedule some outside high school team for an exhibition game. Last year, the champions, N company, played and defeated Halls high school at Halls.

The winners of the intra-mural tournament will be presented with a trophy, which is to be kept in the K. H. S. trophy case. The champions of each year will be presented with the same trophy by the captain of the preceding championship team.

The standings at the end of the first half are:

Company	Won	Lost	Tied
A	4	0	0
N	3	0	0
C	2	2	0
B	1	3	0
D	0	4	0

GIRLS GIVEN POINTS FOR GYM ACTIVITIES

One hundred forty-four girls in the physical education department have passed the first inspection on the gym uniforms this year. To pass this test the girls must have every part of their uniform and each piece marked with their name in ink as a means of identification, in case it is lost. The team with the largest number of girls passing this test receives points. This creates keen competition among the girls.

A skipping rope routine has been taught the girls. After the routine had been practiced by the girls, they were given a chance to pass a test. As a reward for correctly going through this routine, the girls were awarded five points toward their school emblem. So far, fifty-seven girls have passed this test.

Another way that a girl may earn points toward her school emblem is by foul shots with the basket-ball. If a girl puts five out of seven shots in the basket from any point on the gym floor, she is awarded five points. And if she gets three out of five from the foul line, she is also awarded five points. One hundred and forty-nine girls successfully passed this test. For shooting either five straight or three straight shots into the basket the girls are also awarded points.

Tommy Shook seems to like these university girls. Is her name Frances, Tommy?

Asheville High School Maroon Devils Defeat Spartanburg Team 16-0.

FOXX OUT OF GAME

Large Crowd to Attend First Battle Between Teams—Begins at 2:30.

Today, for the first time, the Knoxville high school Trojans meet the Spartanburg, South Carolina team. The game will be played on the Caswell Park gridiron, beginning at 2:30. A large crowd will be on hand to see the two football aggregations in their first engagement. Since their upsetting victories over Chattanooga and Asheville, the Trojans have again become a favorite in the eyes of victory-hungry fans.

Earlier in the season, Spartanburg succumbed to the Asheville high school Maroon Devils by a score of 16-0. Asheville used most of her second stringers in the second half of the game.

The Trojans defeated Asheville by the decisive score of 27-7. This fact gives the Knoxville aggregation a slight advantage over the visitors from Carolina. However, the Asheville - Spartanburg battle was in the early season, and cannot be taken as the final indication of the Spantanburgers' strength.

Bob Foxx, alternate-captain and star halfback of the Trojans, is definitely out of the game. This fact adds to the Spartanburg chances of victory. However, to keep the Blue and White team with a good punter, Bob Broome will probably be substituted in Foxx's post. Steve Maglio and Johnny Butler will be on hand to aid the veteran Notre Irwin in the other halfback post. Len Broughton, Bob Shults, Veo Yon, and Tony Carper are slated to see lots of service in today's game.

The probable starting line-up is: Alley and Anderson, ends; Luttrell and Cook, tackles; W. Tipton and D. Tipton, guards; Flanagan, center; Gillespie, quarterback; Irwin and Broome, halfbacks; Randles, fullback.

TROJANS LOSE FOXX FOR REST OF GAMES

As a result of his shoulder injury received in the Asheville game, Bob Foxx, versatile Trojan halfback, may be lost to the Trojans for the remainder of the football season. Foxx is certain to be on the side-lines for the next two games. He may be ready for the County high school game. Chances are, however, that the triple-threat back has played his last game of football for Knoxville high school.

Bob Foxx was the mainspring of the Trojan attack. His running and passing scored more touchdowns for the Trojan cause than the efforts of any other Knoxville player. His punting kept the Trojans from bad spots time after time, while his place-kicking added many extra points to Trojan totals.

Knoxville high school will miss this star and his absence will be greatly noticed when they meet County high school's Bobcats.

MANN'S

Society and Clubs

By ELIZABETH CHILDS

LAST Friday night, the R. O. T. C. Officers' club had a hamburger fry at Martha Ijams' home on Island Home pike. This was the first social event the officers have had this year, and since everyone had such a good time, they intend to have another such gathering soon.

A stunt had been planned by each company and there were many laughs over the "wonderful acting" of the officers. There was to be a prize awarded the best company and Sergeant Pratt and his wife were the judges.

Everybody agreed that "B" company was the winner. They had a play called "The Fatal Quest" ('member it was in Joyland '34?) and Clyde Fleming was the King; Bill Brakebill, the Queen (gee, what a lovely red-headed queen), Vitcha Makres, the beautiful princess, and last but not least, Howard Pedigo, the handsome suitor. It really was very funny.

After everyone had eaten all he could and the stunts were over, Martha invited the boys and their dates in to dance.

I'M sure everyone is bursting with pride over Myrtle Lois Godwin and Margaret Thompson for taking two of the highest honors at the University last Friday.

Myrtle Lois was made "Sweetheart of Sigma Chi", and Margaret was crowned "Venus". When these girls were at K. H. S. they were both sponsors. Myrtle Lois of "A" company and Margaret of "D" company.

AT the last meeting of the Commercial club, officers were elected. Jo Eleanor Gallaher was made president; Ann Chandler, vice-president; Bess Clift, secretary; Mildred Carmon, treasurer. Evelyn Pierce, Rosa Lee Cooper, and Dorothy Oaks compose the program committee. The entertainment committee of Mary Henry, Mary DeArmond, and Leonnae Gillenwaters. Thelma Shellenburg, Mildred Wright, and Evelyn Griffith are on the constitutional committee, and Jessie Gass was elected Blue and White representative.

Eula Waggoner, Loretta Whaley, and LaVerne Underwood were appointed to select the club pin.

THE Senior Girl Reserves had a lovely best-date banquet last Wednesday night at the Y. W. C. A. Everyone was charmed with the beautiful decorations and the unique place cards which were silver and black. The table centerpieces were silver flowers reflected on mirrors.

Ruth Word, president of the club and toastmistress, looked lovely in her black and silver dinner dress. She gave a toast to the boys and David Wells, president of the Hi-Y, returned it.

The guest speaker was the Reverend Foye Gibson, assistant pastor at the Central M. E. Church, south.

After the banquet the girls and their dates were invited to dance at Evelyn Freels' home on North Broadway. Evelyn has a ball room on the third floor in her home and everyone had a glorious time dancing there. As usual, extra boys had been invited to keep the girls in one continual whirl.

DISCUSSING the point system, the lower and upper class group presidents councils met during chapel Tuesday and Thursday, respectively.

Tom Pressley, chairman of the point system committee of the Student Council, Margaret Smith, and David Clark, members of this committee, addressed the councils.

How points are made and how the records are kept were among the many things discussed. Point system pamphlets were distributed to group presidents who desired them.

TO decide the best monitors in the school, the Student Council monitor committee under C. F. Fielden's chairmanship is sponsoring an honor monitor period contest.

Things counting against a period are absences, fines, and off duties. The period with the fewest of these wins.

Leading the contest now is the first period. The fourth period is in second place.

VARIOUS organizations of the Y. W. C. A. are presenting a Fall Festival tonight from six to ten o'clock at the Y. W. C. A.

Each organization has planned a different attraction and a few cents admission will be charged. The program consists of a freak show, a water carnival, some trained mice, a tumbling team, Major Bowe's amateur hour, and a cabaret.

The Junior Girl Reserve club is presenting the Cabaret and the hostesses are Martha Jean Osbourne and Margaret Betty Gillespie. On the program are Noreen Powers, who does a Spanish dance; a dance team of Beverly Fischer and Lois Galloway; a guest artist, Dorothy Seymour; and a solo tap dance by Beverly Fischer.

There will be pink lemonade, pop-corn, hamburgers, and peanuts on sale. General admission is free and the public is invited and promised a swell time.

THE Red Cross drive which closes today has proved very successful from a monetary standpoint. About twenty dollars has been received for use in welfare work among the students of K. H. S. and Beaumont school.

All students are urged to read the Red Cross magazine in the library. A study of this magazine will enable all members of the organization to know about the various projects of the Red Cross.

Ewing Will Attend S. I. P. A. Convention At Washington-Lee

To Represent B & W at Meeting of Scholastic Publishers Nov. 22-23.

Charles Ewing, editor of the Blue and White, will represent K. H. S. at the Southern Interscholastic Press Association which holds its eleventh annual convention, November 22-23, at Washington and Lee University, in Lexington, Virginia.

Important features of the convention will include: round table discussions, motion picture, featuring newspaper subjects; group meetings; convention banquet, with presentation of silver loving cup and other prizes; Quill and Scroll banquet; visit to Natural Bridge; and a reception and dance after Quill and Scroll banquet.

For the fifth successive year, a Current Events contest will be held. A prize will be awarded to the delegate who identifies the greatest number of names, who make the news, correctly. Last year Helen Simpson and Alva Pease, tied for first place in the Current Events contest.

MISS M. BROADY TO BE ABSENT ANOTHER WEEK

Pupils of Miss Mabel Broady were sorry to learn last Monday that their teacher was on the verge of a nervous breakdown and had been advised to stay in bed for a week or more, at her home at Maryville, Tennessee.

Mrs. Paul O. Cannady is substituting for Miss Broady. Mrs. Cannady, formerly Miss Mary Anderson, graduated from Knoxville high school in 1924.

While attending high school, Mrs. Cannady was instructed in English by Miss Broady. Her brothers, Wendell, Charles, and John, who are now attending U. T., were all taught history by Miss Broady.

fore had accepted a pension from the School Board. Miss Rosebud had twice refused retirement, preferring to remain at her work in the K. H. S. office. Funeral services were held Sunday at the Second Presbyterian church. Burial in Old Gray cemetery.

Both chapels paused for a moment this week for the memory of Miss McClannahan.

National Education Week To Be Held November 11-17

Celebrates the Founding of Free Schools—Tribute to Past Achievements.

National Education Week will be observed throughout the United States during the week of November 11-17. This is set aside as a tribute to the economic and social value of education.

Approximately six million adult citizens took part in the observance of Educational Week last year, and it is anticipated that even a larger number will participate in this year's program.

American Education Week celebrates the founding of free schools. It is more than a tribute to past achievements, though. It is also dedicated to the future. This movement needs the help of every citizen in planning for the future education.

The School and Democracy was chosen as the theme for American Education Week in 1935. It shows the great need for improvement in the schools so that the American people may serve better the new vision and high purpose they have in founding democratic ideas.

The subjects suggested for each day of American Education Week are as follows: Monday, the School and the Citizen; Tuesday, the School and the State; Wednesday, the School and Nation; Thursday, the School and Country Life; Saturday, the School and Recreation; Sunday, Education and the Good Life.
