TEACHERS WILL GO TO BUSINESS MEET

The thirteenth annual convention of the Southern Business Education Association will be held in Richmond, Virginia on November 28, 30.

Miss Mary Ellen Champe, Miss Clara Sweeney, and Miss Mae Walker, K. H. S. Commercial department teachers, are planning to go.

The convention will consist of fellowship meetings, public school meetings, and college and university meetings. Besides this, there will be sight-seeing tours, a banquet, and a luncheon given for the delegates.

One of the main speakers at the convention will be Professor D. D. Lessenberry, who is the author of "Twentieth Century Typing", which is now used in K. H. S. typing classes.

Contributor To B-W In 'March Of Time'

Howard Fike, who last year contributed an interview with Dorothy Dix to the Blue and White, was pictured in the March of Time showing at the Tennessee theatre the first part of the week. He was impersonating a striking mill worker in a scene in Georgia where Governor Talmadge was speaking to a group of striking workers.

The newsreel presents a scene in which Governor Talmadge told the strikers that their actions, whether striking or not, would not be hampered by out-of-state agencies taking it upon themselves to preserve law and order.

At the time Mr. Fike wrote the feature for this publication, he was editor of "The Stormy Petrel" of Oglethorpe University.

Mr. Fike is now employed as night editor on the Trans-Radio Service, a publication of Atlanta.

Plans Are Made For Joyland Skits

Girl Reserves, R. O. T. C., and Other Organizations To Take Part.

Coach Sam Jones will serve as master of ceremonies for the 1935 Joyland, O. E. Sams, Joyland director, has announced. Contrary to original plans, there will probably be no tryouts, and individuals will not enter acts.

To date, twelve high school organizations have made known their intentions of entering skits. Among these will be a burlesque of the gay nineties, cleverly written in rhymes, to be presented by members of the Masquers' club. The Student Council will offer a caricature of historic myth concerning Paris and the Golden Apple. A musical skit has been planned by the Home Economics club.

Library Contests Attract Interest

A great interest had been taken in the contests that were sponsored by the library for Book Week.

Some of the drawings made by the art department for Book Week are on exhibit in one of the windows of the Park National Bank. They are illustrations of some of Mark Twain's books.

Among the other things that were submitted for Book Week are: a crossword puzzle by Jeanette Shelton about the book "Downright Dency", and one by Barbara Foust; An Autobiography of a Book, by Rosa Lee French; and The Best Ten Books That I Have Ever Read, by Malcolm Cagle and Agnes Rollans.

Scenes from several books were illustrated by dolls, soap carvings and various other things. The books that were used are Little Women, Careers for Women, The Royal Road to Romance, A Ho-Ming Girl of New China, Mrs. Wiggs of the Cabbage Patch, Igloo, A Candle in the Mist, Ann's Surprising Summer, Indians of the Plains, and Invincible Lousia.

Red Cross To Give Broadcast Monday

Under the supervision of Miss Emily McLaurin, the Junior Red Cross will conduct the radio program Monday.

A playlet will be given, entitled, "Uncle Sam and the Christmas Seal", written by Grace Hallock. Characters in the play are: Bill Brakebill, Ellis Mays, Bess Robbins, Eugene Grant, Sarah Jane Casteel, Bill Holt, Robert Keller, and Mike Shoemaker. The playlet will be given to help put across the campaign of the selling of Tuberculosis Seals.

A talk, summarizing the work that has been done by the Red Cross, as well as what is now being done to help others Thanksgiving, will be given by the president of the Red Cross, Bill Brakebill.

Ruth Word will give several piano selections and Lythia Boling will give a vocal solo.

Wednesday, the social science department will have charge of the broadcast, under the direction of Miss Jessie Lou Neubert.

"Present Day Problems of the Constitution" will be the topic discussed.

MARGARET MOORE IS LEADER OF 10B's

On Thursday, November 14, the newly elected 10B class directors held a short meeting and chose Miss Eunice McCullough as their faculty adviser.

The directors are: Margaret Moore, president; Luther Stapleton, vice-president; Fay Griffin, secretary; Bob Walter Dooley, publicity chairman.

Another meeting was held on Monday, November 18, in which plans were made for the coming year.

TEAMS 'ON THE EVEN'

K. H. S. to Feature Irwin and Broome—Central Relies on Selby and Reno.

By Bob Allen

On Thanksgiving Day, the Knoxville high school Trojans meet the Bobcats of Central high school in the annual grid battle between the two teams. Both teams have pointed to this game throughout their respective seasons.

The Trojans enter the game with two defeats and one tie. The big purple team from Louisville Male high school topped the Knoxville team in a close 7-0 game. The Kingsport Indians added the second defeat in another 7-0 game. Morristown high school held the strong Trojans to a scoreless tie. The Bobcats are undefeated and untied. However, this fact cannot be used as an indication of the outcome of the game, since the Bobcats were undefeated last year, while the Trojans had suffered a loss at the hands of the Asheville

FORMER KHS PUPIL STUDIES ART IN N. Y.

J. D. Chaffin, a former Knoxville high school art student, is now in Westport, Connecticut, studying art under Harold Von Schmidt, one of the foremost magazine illustrators in the United States. In addition to his art work, J. D. is posing for some of Von Schmidt's pictures.

While in Knoxville he was one of Knoxville's champion swimmers. He was graduated from K. H. S. in 1931. When the Stair Vocational high school was organized he studied art under J. F. Fyhe, the head of the art department of the school.

Mr. Fyhe states that he believes J. D. has the necessary talent to make an artistic success. Mr. Fyhe is partly responsible for J. D.'s contact with Von Schmidt! According to Mr. Fyhe, J. D. intends to remain with Von Schmidt for some time.

Ruth Legg Winner In Artist Contest

As the first prize illustration for the Mark Twain book illustration contest, Ruth Legg's drawing has been selected. The prize was a book. The illustrations drawn by Alma Balton and Marie Roach were given honorable mention.

The three prize drawings are illustrations of "The Adventures of Tom Sawyer". These illustrations are exhibited in the window of the Park National Bank. The illustrations done by the rest of the class will be placed in the case in the front hall of K. H. S. All of these drawings were made by the fifth period art class under the direction of Miss Virginia Parker, head of the K. H. S. art department.

PRAYER OF THANKSGIVING

O MOST Merciful Father, who hast blessed the labors of the husbandman in the returns of the fruits of this earth, we give Thee humble and hearty thanks for this Thy bounty, beseeching Thee to continue Thy loving-kindness to us, that our band may still yield her increases, to Thy glory and our comfort, through Jesus Christ our Lord. **Amen.** —The Book of Common Prayer.

Man of Hannibal

ONE hundred years ago, Samuel Langhorne Clemens was born in the little town of Hannibal, Missouri, on the west bank of the Mississippi. His formal education was got from a village school, learned people in the life-school of the frontier town. He entered a printing office and became an expert compositor, traveled and worked as a journeyman printer, and learned the business of pilot.

It was by engaging in this last profession that he got his famous pen-name and much subject material for his greatest works. In a short while, "Mark Twain" so obscured Samuel L. Clemens that even his most intimate friends are said to have thought of him more as "Twain". When the Civil War broke out, Clemens left the paralyzed river trade to fight for a while on behalf of the Confederacy, encountering nothing more menacing than scant rations, scant enemies, and an abundance of false alarms.

Finding the war not to his taste, he went to Nevada, where he worked on a paper in a mining town, Virginia City, where and concerning which he wrote a number of hyperbolical but deft and humorous sketches. Later he took an "excursion trip" around the world on the **S. S. Quaker Maid,** achieving "Innocents Abroad".

His fame will last. Little Hannibal may well celebrate the hundredth anniversary of her greatest son with the tinkling of cymbals and blare of trumpets, but Tom Sawyer and Huck Finn will sing his praise in husky boy-voices long after Hannibal town is forgot.

Our Own Plan

WHEN Principal W. E. Evans announced in upper class chapel this week that the purchase of new sound motion picture equipment for K. H. S. is to be financed by the taking of notes from students who "promise to attend four showings of pictures in the Knoxville high school auditorium, paying the matinee price of fifteen cents," he stated the principle upon which your Blue and White has been advocating the establishment of the student activities ticket system here. This pledge-and-pay-later system has been successful for the season football tickets, for the B. & W. subscriptions, and modified for the last three dramatic productions at K. H. S. It may well succeed in the motion picture project. We hope so.

But why, as your Blue and White has editorially believed for several years, if this system is a success in each of these activities, would it not be equally successful for the support of an all-activities program? We believe that it would be, will be successful because for less than the amount paid by each student who supported the aforementioned activities, more entertainment and recreation could be provided, if the student activity heads were assured of a sale of activity blanks to a large number of students.

The Blue and White strongly advocates the introduction of the activities ticket system into Knoxville high school at the beginning of next year. Meanwhile, the students themselves should determine to show shrewdness and thrift in the purchase of this "wholesale entertainment".

Lest We Regret

THE K. H. S. - Central game last year was closed by a disgraceful incident, a mass assault upon one of the officials by a furious mob of angry rooters. The affair cheapened the high feeling which the "City-County classic" has always called forth. **It must not be repeated.**

Rather than have another such disgraceful demonstration, (instigated by non-students, for the greater part) the officials of both schools might agree to appoint the officers of the Knoxville high school R. O. T. C. and heads of athletic organizations at Central to act as a guard of honor for the officials of the game next Thursday.

It would be one way, none too pleasant, of preserving order at the expense of dignity.

THE Pimple, a hill in France, was held by the Germans. Twice the French had tried to take it, but had failed both times. General Assolant, a fearless and daring man, was ordered to take it the following morning at seven o'clock, the zero hour. At 7:35 the third attack on the Pimple was over. A third time they had failed. General Assolant demanded that all of the remaining soldiers be shot for mutiny and cowardice in the face of the enemy. He compromised on a section from each company, but General de Guerville decided that only four, one from each company should be executed. Each captain was supposed to choose a man from his company. One captain refused, saying that there were no cowards in his company. The courtmartial and execution of the other three men concludes the story.

Humphrey Cobb was born in Italy (1899) but was brought to America when he was thirteen. He joined the Canadian forces in 1916 and was sent to the front a year later where he was wounded.

"Paths of Glory" has already been dramatized, and plans are being made to make it into a movie.

Christopher Morley describes it as "More than a book—it is an arrow in the conscience of the world."

Three Best Shows Next Week:

"Orchids To You", featuring John Boles and Jean Muir; Wednesday and Thursday, November 27-28—Strand.

"Redheads On Parade", featuring John Boles and Dixie Lee, Monday and Tuesday, November 25-26—Riviera.

"Broadway Gondolier", starring Dick Powell, Joan Blondell, and Adolphe Menjou, Monday and Wednesday, November 25-27—Strand.

"BROADWAY Gondolier" is a musical comedy that reunites the stars of "Gold Diggers of 1933", Dick Powell and Joan Blondell. The all-star cast also includes Adolphe Menjou and Louise Fayenda. Powell sings three numbers: "Outside Of You", "Lonely Gondolier", and "A Rose in Her Hair".

Ted Fio Rito and his band, the Four Mills Brothers, and the Canova Family also appear in the picture.

Noted as the possessor of the most colorful singing voice on the screen as well as for his brilliant talents in both drama and comedy, John Boles is perhaps the most versatile player in Hollywood.

In his newest vehicle "Orchids To You", Boles plays the part of an attorney, whose romance with Jean Muir supplies most of the love interest of the picture. Miss Muir is the owner of an exclusive flower store, hence the film's title. Charles Butterworth, the famous "deadpan" comic and Ruthelma Stevens are among the favorites in the film.

First singer, then a dramatic actor, now John Boles reveals himself as an accomplished dancer in the gala production number of "Redheads On Parade". To tango rumba and waltz versions of the new tune, "I Found a Dream", Boles executes a series of catchy ballroom dances with his co-star, Dixie Lee. The picture has its ups and downs but the producers make their movie, redheads are glorified and the romance continues after the ingenious, chuckle-filled climax.

County Eleven Beats Nashville Team In 32-0 Win

Central High School Remains An Undefeated Team.

SELBY IS STAR

Hume-Fogg Rated Among Nashville's Strongest.

Keeping their fine record clean, the Central high school Bobcats marched through a sadly outclassed Nashville Hume-Fogg eleven to roll up a score of 32-0. The County team goes into the annual Thanksgiving day battle with Knoxville high school as an undefeated team, that has beaten most of its opponents by overwhelming scores.

After receiving the kick-off, the Bobcats made a sustained drive to the visitors' 12-yard line, where Pat Reno, Central's great fullback, took the ball off tackle to make the first touchdown of the game. West converted the extra point. The second touchdown of the first quarter came when Charlie Selby, County fleetfoot, romped 51 yards to tally.

In the second quarter, West recovered a Hume-Fogg fumble on the visitors' 30-yard line. A series of plunges carried the ball to the 8-yard line where Red Bailes gained another score for the Bobcats.

In the second half of the game, Hume-Fogg stiffened, and held the Red and Black team to only two touchdowns. A pass good for 45 yards from Underwood to Whaley scored the fourth touchdown. Underwood plunged over the line for the final score, after the County eleven had carried from midfield to the scoring position.

For Nashville, Griffen and Elliott were outstanding, while Reno, Suffridge, Selby, Whaley, and Bailes were the best performers for the County team.

The final score was 32-0.

Another cute girl—Davy Kiser.

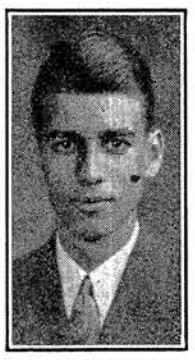
Trojans Romp To 47-7 Triumph Over Nashville Central Eleven

By Bob Allen

Riding on the crest of a victory wave, the Knoxville high school Trojans breezed to an easy win over the Nashville Central high school eleven by the overwhelming score of 47-7. The game was played last Friday on the Caswell Park gridiron.

On the third play following the kick-off, Dick Flannagan broke through the visitors' line and smothered an attempted punt. Bob Alley caught the loose ball, and carried it over the final stripe for the first touchdown of the game. A second touchdown followed immediately. Bob Broome heaved a long pass to Herbert Bolin who lateraled the pigskin to Bob Alley. The play was good for 53 yards and a second tally. The third touchdown of the first quarter came when Johnny Butler plunged over the goal line from the Nashville oneyard line. Butler and Bob Broome put the ball in scoring position by a series of running plays.



Bob Allen

In the second quarter, the only touchdown was scored by George Coile, a reserve Trojan back, who ran 20 yards to a touchdown following a short kick on the part of the visiting team.

With the opening of the second half, Notre Irwin carried the ball across the goal line on a short plunge. Irwin was the main factor in a Trojan 60-yard march, which resulted in the tally. He made runs of 19 and 16 yards.

Bob Broome, kicker extraordinary, accounted for another touchdown, when he featured in a 42-yard march and carried the ball over on a buck through center.

Red Cross scored the Trojans' final marker and made the longest run of the game, when he intercepted a stray Nashville pass, and ran 60 yards for the tally.

Nashville Central scored her only and the last touchdown of the game when she completed one of a series of desperate passes.

Five extra points were converted by the Knoxville team. Veo Yon accounted for two, as did Notre Irwin, while Richard Flannagan gained the fifth.

The final score was 47-7.

It is nearly impossible to point out the outstanding performers of the afternoon since all the players were good. The final score bears out this last statement. However, in the Trojan line, Billy Luttrell was the outstanding figure. In the backfield, Irwin, Butler, and Broome were good.

In the visiting line-up, Pruett, Gibson, and Harris were outstanding.

Thus far, Bob Alley, first string end, leads the Knoxville contingent in scoring, with a grand total of 42 points. Of these, all but six are the results of passes. The injured Bob Foxx follows Alley with 28 points. Notre Irwin is third with 25 points. The rest of the scorers and their scores are as follows: Carper, 18; Shults, 18; Butler, 18; Maglio, 13; Gillespie, 13; Cross, 12; Anderson, 6; Bolin, 6; Broome, 6; Yon, 3; Flannagan, 1. The means of gaining these touchdowns show that the Trojans' passes are nearly as strong as their running attack. However, more points were scored on runs, which is only natural.

The rest of nearly two weeks, which the Trojans are getting between last Friday's game and the contest with County, should bring the squad into shape for the tilt; Tony Carper, who has been out with an injured finger, should be ready for the game. Carper's flashy running is counted on Thursday. Tony Randles, regular fullback, who has been suffering with a bruised hip, and David Tipton, who has had a bad hand, are expected to be ready. Bob Foxx, who had an operation on his shoulder, is reported to be doing well.

Neil Cooper is fickle, first Anna Lynn Bolinger is his woman and now it is Lilyon Painter. We congratulate you, Neil.

Wonder who Berl Malone is going to the County game with? We presume Jack Hacker knows.

For each bracket advanced points are awarded. The two winning teams will receive a white felt S. R. Letters will be awarded in chapel.

Finals will be played Thursday, December fifth. If a girl is on the winning team, the second year her white letter will be on a blue background.

Upper Class Hears Dr. James Hillman

Dr. James M. Hillman, president of Emory and Henry College, spoke to upper class chapel Tuesday.

"Unless your moral training includes moral integrity it may be a menace to our society rather than an asset. Moral integrity is the first stepping stone of our lives," stated Mr. Hillman.

"Willingness to work is also very important. Some of us are willing to do more than we have to, while others will not do as much. Any piece of work shorter than your best is not quite honest.

"Have self reliance. Acquire the ability to think. Evenutally problems are going to come which will have to be figured out by ourselves.

"An intense determination and a willingness to help others are important factors and leads to a will to win.

"We should keep the following five points in mind and try to live up to them: Moral integrity, willingness to work, self reliance, an intense determination, and a willingness to serve our fellow men," concluded Mr. Hillman.

Sara Jane Casteel is very popular, but we can't find out exactly who the lucky boy is.

Trojans, Bobcats Meet Thursday In Annual Game

Wendell Tipton Is Confident K. H. S. Will Win.

high school team. The score of the game last year was 12-2, with the Trojans on top.

Coach Wilson Collins stated that he would feel very happy if his charges should be winners by one lone point.

Coach Sam Jones, assistant to Collins, was very pessimistic. Coach Jones stated that last year the Trojans were able to guess the Bobcats' plays because the Central team's backfield consisted of a group of specialists. This year every man in the Central backfield is versatile. Last year the Trojan team was supposedly stronger and more experienced than the present Trojan line-up. Jones said he would not be surprised to see County win by two touchdowns.

"I believe that we will win, although the County boys are mighty good. I think we have the fight necessary to win," said Captain Wendell Tipton, Trojan leader.

In individual players, the teams are fairly well matched. Charlie Selby, fleetfooted County back, will be pitted against "Jaybird" Irwin, veteran Trojan halfback. Bob Broome of Knoxville high school, must equal the kicking of Reno, Selby, and Payne. Pat Reno, powerful County back, is expected to be the thorn in the side of the Trojan linemen. Reno's plunging and great defensive play is the outstanding feature of the County line-up. The County quarterback, Billie Beeler, will match his generalship against that of Searle Gillespie and Bob Shults. The big battle in the lines will be between Tipton and Suffridge. Suffridge is the strongest lineman on the Red and Black team. He has borne the brunt of the Central line play all season. Tipton is captain of the Trojans, and is noted for his good all round playing. Billy Luttrell, Trojan tackle, is counted on to play swell football. Bolin, Alley and Anderson, Knoxville high school flankmen, will match skill with Whaley, Central's great end.

The probable starting line-up will be: Bolin and Alley, ends; Luttrell and Cook, tackles; W. Tipton and D. Tipton, or Yon, guards; Flanagan, center; Gillespie or Shults, quarterbacks; Irwin and Broome, halfbacks; Randles, fullback.

The usual large crowd is expected to attend the contest.

JUNIOR RED CROSS DRIVE TO CONTINUE

As a result of the Junior Red Cross membership campaign, $48.30 had been received last Tuesday. Last year over $77.00 was received in membership fees. Because of the great difference between this year and last year's receipts the final day was postponed until today.

The Thanksgiving baskets prepaid by the K. H. S. groups are to be ready for delivering by next Wednesday. Thirty-five baskets will be given to needy families of K. H. S.; the remaining baskets will be given to the needy families of Beaumont and Perkins schools.

Society and Clubs

By ELIZABETH CHILDS

THE members of the Top Hat club will have the first of their series of dances of this year on November 28 at the home of Mary Ruth Bibb, Magnolia avenue. This dance is in honor of the new members and their dates.

The officers of the club are: Marianne Heins, president; Una Mae Priest, vice-president; Mary Ruth Bibb, secretary; Cecile Kavanaugh, treasurer.

RUFFIE Gentry, of the second period art class, has made the design for the decorations of the stage for Joyland, the regular K. H. S. vaudeville performance.

Ruffie's idea is to use a large cluster of artificial balloons or bubbles across the back of the stage. These balloons will be painted in gay bright colors and fastened on to the background curtain.

COMMERCIAL students met for the third time this term on Tuesday, November 19, in the assemby hall. Mary DeArmond, chairman of the program committee, presented a very entertaining program.

Jo Eleanor Gallaher, Helen Seivers, and Myrtle McWhortle sang "Little Orphan Annie". The remainder of the program was in the form of a contest. Short skits were given by members of the club, each dramatizing some commercial subject offered in the school curriculum. Club members were to guess the name of the skit and a prize was given to Loretta Whaley for getting the most correct.

The club will have a party at the home of Joan Coile, next Tuesday night. All members and their dates are invited.

MEETING Tuesday and Thursday during chapel periods, the lower and upper class group presidents' councils had as their theme, "Scholarship". The National Honor Society under Faye Poore, president of the society, had charge of the program.

The program consisted of talks by Alex Simpson on the history, purposes, and membership requirements of the Honor Society; Billy Brownlow on Service; Capitola Shannon on Character; Mary Ruth Pitillo on Leadership; and Martha Ijams on What the Honor Society is.

—o—

STUDENT Council members are waging a heated battle in the honor member contest with Helen Bales leading at the present writing. Kenneth Hatcher is runner up; C. F. Fielden is trailing in third place, and Joe Galloway is barely able to hold fourth place with David Clark a fraction behind him in fifth place. Evelyn Freels and Rachael Patterson rank sixth and seventh, respectively.

The contest ends next Wednesday. The winner will be announced at the regular six weeks meeting Monday, December 2.

MEMBERS of the home economics classes, retail selling, and applied designing classes had the opportunity of seeing a moving picture Tuesday, showing the need of proper lighting in the home. The picture was explained by Miss Taylor of the Tennessee Public Service company. The picture was very educational and it is hoped that more like it may be shown in the future.

TUESDAY afternoon the science club, under the supervision of J. Clyde Lowery, science teacher, visited the Knoxville Gas Company.

The club members were shown the method of extracting gas from coke and the various machines used in distributing gas.

LAST Thursday, November 14, the French club held their regular meeting with a program consisting of a play, songs, and a talk on the costumes of France.

The songs were, "Flowers for Madame", sung in French, and two French folk songs. Those in the play were Edwine Powers, Martha Wallace, Annette Davis, and Russell Lamon.

[illegible]lotte Colby was appointed chairman of the committee to make plans for the French club's part in Joyland.

TONIGHT is the big night for R. O. T. C. boys. Most of them are coming to the military hop, and it's just too bad that monthly inspections cannot be held at the dance instead of next Tuesday. The only difference is that tonight the boys will have very dainty, beautiful girls on their arms, and Tuesday they will be carrying very dirty, greasy guns; that is, some of them. But every one is expecting to have a grand time.

The dance is going to be from 8:30 to 12:30 o'clock with five no-breaks and the grand march will be about eleven o'clock. If you care to "spectate", you may sit in the balcony of the gym.

TO help others in becoming better acquainted with good and interesting books, the newswriting class published a paper this week which gave summaries of several well-known books that were written in expressly news story style.

Newsworthy happenings and incidents in outstanding books have been written in news form for the paper. A lost, found and died column assumed its respective place in the promulgation.

The library will distribute the paper to teachers of the English classes.

AT the last meeting of the Masquers' club, the new members were initiated by presenting a stunt which the old members applauded long and loud.

Most of the stunts consisted of girls taking boys' parts and girls masquerading as boys. Martha Cavaleri with her blond curls tucked under a belled cap, made an ideal bartender, and Julia Freels wouldn't have been recognized in her role as a bold bad racketeer. Another skit was given by John Lea, George Foster, and Clyde Carter in which Clyde made up as an attractive young lady, lipstick and all.

Polly Jane Edmonds has added Jack Atchley to her list of victims.

B&W Journalists To Edit Journal On December 4

Publication Will Be Issued During Celebration of Journalism Week.

(Begins on Page 1)

sented to the editing of the Journal by the Blue and White staff members during Journalism Week instead of the regular date in February.

Journal reporters and columnists will be "shadowed" by Blue and White staff members on Monday, December 2. Then on Tuesday the staff members will cover the beats and write the stories. Regular editorials and syndicated columns will be replaced by editorials and columns written by K. H. S. students.

Charles Ewing, editor of the Blue and White, will serve as editor of the student edition of the Journal, and Bill Herron, business manager of the Blue and White, will be the business manager. All staff members will help edit the paper.

Copies of this edition of the Journal will be sold at K. H. S. for the regular price of five cents. All money derived from these sales will go to the Blue and White staff.

Girl's Pictures Bring Letter

TVA Employee Agrees Martha Cavaleri's Is Best.

If you notice a peculiar twinkle in Martha Cavaleri's eyes, there is a reason for that peculiar twinkle and a good reason at that.

Sunday, November 3, the Knoxville News-Sentinel published pictures of several K. H. S. girls portraying horror and kissable emotions. Martha was one of the girls pictured.

Several days later she received a letter from three boys in one of the Tennessee Valley Authority CCC camps stating that they had seen the pictures and that they had unanimously agreed that Martha was the most kissable one according to the pictures. The boys also desired that she write and tell them her age and a little about herself.

So if you notice that peculiar twinkle in Martha's eyes and that flashing smile of hers, think nothing of it. What girl wouldn't be thrilled to receive such a letter from three boys over her picture that was published in the Knoxville News-Sentinel?

COUNCIL ELECTION TO BE NEXT MONTH

Miss Helen E. Galbreath, faculty adviser of the Student Council, announces that nominations for Student Council will be made by the group presidents the first week after the Thanksgiving holidays. Although the nominations will be made by the group presidents, anyone may get a petition and run for the Council.

The qualifications for Student Council membership are a C plus average, character above reproach, and a willingness to work. Petitions will be issued the first week after the holidays; they must be signed by twenty-five of the candidate's classmates, and turned in before December 10.

are as follows: Senior and Junior Girl Reserves; Open Forum; R. O. T. C.; French, Math., and Sketch clubs.

"We are working this year for shorter and peppier acts and so a ten minute time limit has been placed on each skit," stated Mr. Sams.

"Since the groups are all eager for the ten and five dollar prizes offered for the best two acts, Joyland promises to be a top-notched evening entertainment."

B & W Editor Attends SIPA At Lexington

Meeting Will Include Quill and Scroll Banquet.

Charles Ewing, editor of the Blue and White, is attending the eleventh annual Southern Interscholastic Press Association, being held at Washington and Lee University, in Lexington, Virginia.

Important features of the convention will include: round table discussions, motion pictures, featuring important newspaper subjects; group meetings; convention banquet, with presentation of a silver loving cup for the best school paper, and prizes for individual honors; Quill and Scroll banquet; a visit to Natural Bridge; and a reception and dance after the Quill and Scroll banquet.

Charles Ewing

A Current Events contest will also be sponsored. This is the fifth successive year that this event has taken place. A prize will be awarded to the delegate who identifies the greatest number of names that make the news.

S. should be the regular meeting place.

R. H. Clagett, editor of the Knoxville Journal, spoke to the assemblage.

"As a hobby, I can imagine nothing more enlightening than editing a school paper. However, if you are not especially interested and have not a distinct talent for newspaper work, I would suggest that you stay out of it. On the other hand, if you really have a talent for journalistic work, nothing should keep you out of it. If you do not have a native talent for it you cannot succeed, regardless of what you do trying to make good at it," stated Mr. Clagett.
