Hold Memorial Chapel For Late Teacher, Friend

Seniors, Faculty Present Portrait of Miss Rosebud McClanahan to School.

As a token of love and affection for their former teacher, counsellor, and friend, the late Miss Rosebud McClanahan, the faculty and the two senior classes of 1936 presented to the school a beautiful portrait of her in upper class chapel Thursday, May 7.

This picture of Miss Rosebud is the one which appeared in the Voice of 1914, which was dedicated to her. It so happens that it was her favorite picture.

The portrait will hang in the hall of K. H. S.

Introductory remarks as to the memorial exercises were given by Professor W. E. Evans.

Musical numbers were furnished by an instrumental trio composed of Mrs. May Holliday, piano; Mrs. Kibby, cello, and Paul Mendelsohn, violin.

Searle Gillespie, president of the K. H. S. Student Council, gave a tribute to Miss McClanahan in behalf of the students.

The portrait was presented by Miss Helen Galbreath, with a tribute in behalf of the faculty. Dr. [illegible] Clark, superintendent of city schools, accepted the portrait.

The members of the committee in charge of the memorial were: Miss Edith Kurth, chairman; Miss Mary Beard, Miss Lucille Evans, and J. C. Lowry.

McMINN DEBATERS DEFEAT KHS TEAM

Knoxville high school's negative debate team was defeated by the McMinn County high school's affirmative debate team, last Wednesday afternoon, when the two teams were matched in the K. H. S. assembly hall. The question debated was: "Resolved, that the government should own and operate all public utilities.

Debating on the McMinn County team, and contending that the government should own and operate all public utilities were Clifford Jagron and Eugene Puitt. Almena Parker and Harold Simpson represented K .H. S., condemning such a situation.

Cadets Will Have Third Semi-Annual Military Hop Tonight In Gymnasium

THE LADY AND—

FRANCES EDMUNDS

who, as Hon. Lt.-Col., will step to the front in the Grand March on the gymnasium floor tonight.

Harrell Underwood and His 'Commanders' to Play— Begins at 8:30 O'clock.

Tonight in the Knoxville high school gymnasium, from 8:30 to 12:30 o'clock, the R. O. T. C. cadets and their dates will dance to the music of Harrell Underwood and his "Commanders" in the third semi-annual R. O. T. C. hop to be held at K. H. S.

The climax of the evening will be the Grand March, in which the R. O. T. C. officers and their dates will participate. Lieutenant Colonel Tom Pressley and honorary lieutenant colonel Frances Edmunds will lead the march.

Officers and their dates participating in the Grand March are: Major Phillip Kirby and honorary major Neoline Childress; captain L. R. Beard and Helen Brannum; captain Kenneth Rule and Helen Moore; captain Shirley Jones and Marguerite Glover; captain Malcolm Cagle and honorary captain Elizabeth McKelder; first lieutenant Frank Reese and Virginia Ingram; first lieutenant Bob Stephens and honorary captain Forrest Ellison; first lieutenant H. C. Harvey and Jane Hardin; first lieutenant James Luttrell and Jeanne Miller; first lieutenant Erwin Meyer and Margaret Holmes; first lieutenant Melvin Goldberger and

(Continued on Page 2)

—HER PARTNER

TOM PRESSLEY

who, as Cadet leader of the R. O. T. C., will head the Grand March at the military hop tonight.

PUBLICATION STAFF TO BANQUET MAY 22

With Fred Clayton acting as toastmaster, the Blue and White staff will hold its annual banquet May 22, at the Farragut hotel at 7:30 o'clock.

Members of Board of Education and their wives, former editors and business managers of the Blue and White, Principal and Mrs. W. E. Evans, and the new B. & W. staff will be guests.

Graduating staff members will be presented their respective honors which they have earned during the current school term and last fall.

TEACHER'S FATHER IS SERIOUSLY ILL

Miss Mary Kate Tittsworth, K. H. S. history teacher, has been called to Jefferson City, where her father is seriously ill. Her father, a retired doctor, has been an invalid for the past two years and has recently contracted pneumonia in both lungs.

Teachers and students join in wishing Miss Tittsworth's father a speedy recovery.

Mrs. Milton Terry is conducting Miss Tittsworth's classes during her absence.

Department Heads MakeSchoolSurvey

To become better acquainted with the work of the junior high schools, and to correlate their work with those of the lower grades, the department heads of Knoxville high school made a survey of the city junior high schools on last Tuesday, Wednesday, and Thursday.

Last Tuesday, George P. Turley, C. A. Browning, and Miss Guerrant Tatum visited Rule junior high school. Wednesday and Thursday Miss Jessie Lou Neubert, Miss Clara Bewley, and Miss Mary Ellen Champe visited the various junior high schools in Knoxville.

"It is a very needful plan. It not only familiarizes the high school with what is being done in the junior high school, but it gives them a knowledge of a basic work that is being done in their subjects. It affords a better acquaintance with the different types of work carried on in the city, and teaches us to work together. Dr. Harry Clark is directing the survey," commented Principal W. E. Evans.

FEW GROUPS HAVE FINISHED PAYMENTS

This is the end of the first week of the last six weeks and as yet only six groups out of over seventy-five have paid in full their Blue and White subscription money which was due at the end of this six weeks.

Those groups which have paid in full are: Miss Clara Sweeney, W. M. Smyth, J. A. Hoover, A. L. Jobe, Miss Eunice McCullough, and Mrs. Johnson.

Some groups owe over ten dollars. The Blue and White would appreciate it if all those owing money would pay up.

The Blue and White circulation manager is especially anxious to have the group representatives collect remaining subscriptions during the next week.

PRINCIPALS CLUB HAVE GAY PICNIC

Members of the professional club, composed of principals of the city schools, enjoyed an afternoon of active games and good food Monday, at the home of Miss May Rogers, principal of Oakwood school.

Principal W .E. Evans and Assistant Principal John A. Walker were among those present. A wild flower collection was displayed.

Students Elect KHS Councilmen For Fall Term

Jack Joyeux, Reelected Member, Is Only One Qualified For Presidency.

In one of the most hotly contested elections ever staged at Knoxville high school, the Student Council's fall term members were decided upon with the exception of 11B and 10B girls. Jack Joyeux, present Council member, will be the new president since he is the only reelected candidate qualified for that position.

Returns from the election bunched the candidates closely together. It was exceptionally close among the 11B and 10B girls where a run-off will be necessary.

The four girls in both the 11B and 10B classes having the highest number of votes in the primary were selected to run along with the independent candidates in a final election to be held in group rooms Monday, May 11.

The 10A's will be represented by one boy and one girl and the 10B's by two boys and two girls next term. Due to the lack of interest shown in the 10A and the overwhelming amount shown in the 10A's, the change was made.

Miss Helen Galbreath, adviser for the Council, was more than satisfied with the interest shown in the election, and feels assured of a very efficient, dependable and capable Council.

(Continued on Page 4)

12 CADETS ADVANCE TO SEMI-FINAL DRILL

It was announced by Sergeant W. A. Pratt yesterday that the following 12 cadets, having won the greatest number of first places in their respective company inspections, will compete in the semi-final Morgan Medal drill.

A Company—John Johnson, Billy King, Kyle Crowthers.

B Company — Elmore Godfrey, Tommy Taylor, Dick Evans.

C Company—Alvin Smith, Robert Walker, James Martin.

D Company—David Adcock, H. C. Patrick, Charles Cruze.

Cadets selected to compete for the band medal are: Carl Niles, Ed Knowling, Eugene Tate, L. E. Hines, and C. R. Schmid.

21 11A's Achieve First Honors To Make Highest Raters For Second Six-Weeks

With twenty-one making all A's, the 11A class led all others in scholastic grades for the second six weeks. The 12A groups led in second honors with sixty-eight students making no grades lower than B.

Following is a list of the second six week's honor roll:

First Honors

12A — Frances Edmunds, Searle Gillespie, William Hale, Dorothea Hatcher, Louise Hickman, Margaret Hoskins, Dorothy Huskey, Margaret Lentz, Grace Nickerson, James Roberts, Margaret Sisk.

12B — Elizabeth Baker, Catherine Dougherty, Margaret Card, Bill Johnson, Jess Marcovitch, Eva Wright, Frances Hamilton.

11A—Mary Ann Abel, Marianna Allen, Beverly Baer, Mary Jean Clack, Josephine Coffin, Mary Evelyn Cooley, Margaret Gillespie, Alice Gray, Len Broughton, Bob Johnson, Ruth Hayne, Joe Marks, Gertrude Meyer, Marie Miller, Helen Pate, Eleanor Shelton, Alix Smith, Janice Smith, Robert Walker, Patricia Whitmore, Judith Ann Wilkinson.

11B— Dorothy Barber, Charlotte Colby, Mary Ruth Copeland, Vivian Creech, Charles Earnest, Jack Easley, Margaret Fuller, Herman Silva, Ed Story, Kenneth Hatcher, Louise Marshall, Richard Miller, Helen Moore, Marshall Perry, Margaret Portwood, Nadine Wilson, Richard Ivie.

10A—Edith Boles, Irene Brogden, Ella Ree Johnson, Isabell Johnson, James Gonguer, Geraldine Akard, Delta Bates, Margery Evans, Barbara Ford, Mary Kaplan, Jane Moore, Mary Elizabeth Robertson, Lucy Rowntree, David Coulter, Patsy Curtis, Mary Woodward.

10B — Lucy Catlett, Margaret Adkins, Bill Browder, Martin Davis, Mary Nell Davis, Polix Line, Jimmie Hickman, Margaret Smith, Jean Reeder, Margaret Lee Reese, Canelle Simpson, Ruth Wallace.

9A— Alice Jean Bounds, Anna Jones, Marinell Quinn.

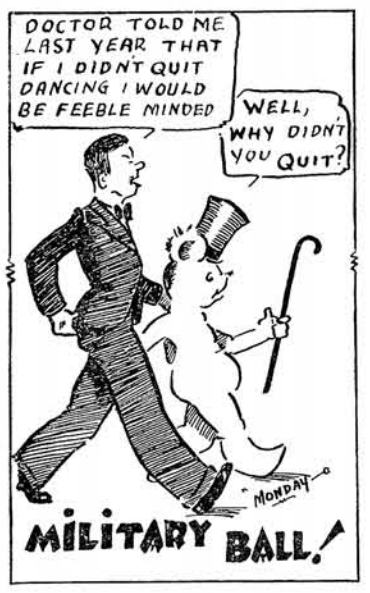
BOSKO



Winners Of Class Will, Prophecy, Poem, Song Announced By Senior Advisers

Final selections for the class song, will, prophecy, and poem have been made by the class directors and various committees. The song has been written by Davida Perry and the music by Margaret Pernette. The committee composed of S. B. Parker, Charles Martin, Edward Hamilton, and Miss Edith Horton made the selection last Monday in the music room. C. Earl Wallace's poem was selected.

The Will presented by Elsie Schumaker was selected by the judges. The Prophecy was written jointly by Margaret Lintz and Opal Brogden.

The words to the song are:

I.

Once more we've come together
Regretful, we must confess,
Our friendships will never sever
Although far from K. H. S.

Chorus

Hail! Hail! we sing with gladness
On this long expected day,
Yet there's a certain pang of sadness
That will not pass away.

II.

Dear teachers, friends, and classmates
We all pledge our love to you,
Though scattered throughout the nation
We'll be true to the White and Blue.

In previous years it has been customary for the class will, prophecy, and poem to be read at the senior banquet. Although the directors and advisers have made no announcement to this effect, it is expected that the selected compositions will be given this year in the same manner.

"Selecting the best class poem, prophecy, will, and various other compositions was a difficult task this year because most of the entries were well written," stated C. S. Montgomery, senior class adviser.

TEACHER, COUNSELOR, FRIEND

In yesterday's chapel, Knoxville high school took occasion to pay a lasting tribute to the memory of one who, till of late, moved calmly among us offering her indefatigable service to those who sought it and contributing inestimably of her reserve to the life of the school.

For over fifty years, Miss Rosebud McClanahan was an active and capable part of this institution's personnel. To many, a half century of unceasing activity has served to snap the coordination of mental and physical alertness, but to the last her admirable courage and implacable determination spurred her on. Even when her declining health was self-evident, she declined the proposed pension by the school board preferring, instead, to continue the associations made in discharging the daily tasks which time had made part of her very life.

Always modest of her unusual record of fifty years service without an absence and with but one tardiness, Miss Rosebud refused many times the demand that some public honor be given her. Now that her personal appearance cannot be had, her portrait, presented to the school by the two seniors classes and the faculty in chapel Thursday, will hang majestically in the hall at K. H. S., a manifestation of our appreciation for her kindness as a teacher, a counselor, and, above all, a friend.

CORRELATED PRINCIPLES

Last week a group of Memphis school newspaper editors met and drew up resolutions protesting a rigid censorship imposed upon their editorial columns. Local politics, they charged, were responsible because of a fear that criticism might put some of the officialdom in an uncomfortable position.

Here on a small scale is the situation conceived by certain self-proclaimed "Americans" for national purposes. Through the Kramer sedition bill and the "military disaffection" bill recently introduced into Congress, proponents hope to set up machinery to suppress any verbal missiles hurled at the existing order of government operation or any utterance that might remotely cause dislike for military or naval training. Though on a superficial study they appear innocent in their legalistic language, the extremity of the bills' possible application could be made to include opposition to a Navy or Army appropriation, advocacy of fundamental government reforms, derogation of a sailor's life, or even disapproval of the president's actions. No thinking person of unbiased judgment would accept such a policy as conducive to more perfectly contrived agencies of government. And those Memphis school editors, faced with a similar condition, realized that the restraint was a bar to suggestive improvements.

That, however, is not the purpose of this discourse. Freedom of speech alone cannot be relied upon to sustain democracy, rather a multiplicity of correlated principles. For instance, the popular election of the chief executive of the land. As designed by the aristocratic framers of the constitution, the state legislatures were the instruments for the selection of electors under the electoral college system of choosing a president. Time has educated the people in democracy and some improvement over the original plan has been made. Most of the states now select their delegates by popular vote.

Nevertheless much remains to be accomplished in this direction before we may consider ourselves adequately prepared to boast of a democracy second to none. Any method which permits the rule of the minority is grossly lacking in ideal political efficacy.

Because the designated number of state electoral votes cannot be proportionately divided among the candidates according to their popular vote, it is possible for just that minority rule to exist under the present system. In the election of 1876, Tilden, though he received 275,000 more popular votes than Hayes, was defeated by the returns in the electoral college. Again in 1888 Cleveland failed of reelection yet had a popular vote of 100,000 in excess of Harrison's. In 1912, Wilson's popular vote was 2,000,000 less than the total vote of the other candidates, yet he received 435 of the 531 electoral votes.

Due to a more enlightened public opinion of a democratic spirited citizenry, this indefensible political evil is rapidly growing more obnoxious as an American institution. Not until it is corrected will the most obstructing impediment to "a government of the people, for the people, and by the people" be removed.

The Spectator

Ruth Dobbs and Howard Bozeman are about the oldest couple in K. H. S.

—o—

Idabelle Monroe and Westley Davis are certainly utilizing the smiles for the senior play rehearsals.

—o—

The romance between Charles McElyea and Dora Lee Hamilton seems to be progressing very rapidly.

—o—

Could Hazel Condry be the cause of Woodrow Thomas' being late to class?

—o—

Earl Raby, who is the girl that you spend all your spare time dreaming about?

—o—

Seen at church Sunday night: J. T. Lewis and Viola Phillips.

—o—

Isn't love the grandest thing?

—o—

Genevieva Dennis may be surprised to hear that her affections for Ralph Watson have given him a bad case of "Heart Trouble".

—o—

P. J., be careful or Walter Wolfe will take Barbara away from you.

—o—

Louise Hickman is really modest about her new boy friend, but who is he? Calvin Sharpe.

—o—

This week's nomination for "Miss Personality" is Janice Graybeal.

—o—

Ruth Word has a monopoly on Bob Allen.

Helen Lady was seen walking home from Caswell Park with none other than Mack Orange.

—o—

Will somebody please introduce Dot Mundy to Wendell Tipton.

—o—

Ruth Anderson's popularity is unequalled by anyone but her sister.

—o—

Dick Evans and Lorraine Gentry were seen smiling very congenially at each other Monday morning.

—o—

Norris holds an attraction for Fritz Reeves. Jeane Forbes evidently is responsible for this gigantic magnetism.

—o—

Why does Neoline Childress get tickled in the second period typing class every day? There aren't any boys in there.

—o—

Virginia Eisensmith is undoubtedly one of K. H. S.'s most charming students.

—o—

Bass Barnard is unaware of it but a certain girl is dying to meet him. Of course she wants a formal introduction.

—o—

Mary Lee Morris really possesses a smile that wins the boys' hearts.

KADET KOLUMN

Instead of inspecting all the cadets for first place, only the boys having won enough first places to entitle them to compete for the Morgan Medal drill were inspected in the last weekly inspection held Tuesday.

Cadets winning places in the inspection were:

A Company

First Place: Billy King, Kyle Crowthers. Second Place: None.

B Company

First Place: Dick Evans. Second Place: Elmore Godfrey.

C Company

First Place: James Martin, Lewis Arthur. Second Place: Robert Walker.

D Company

First Place: Charles Cruze. Second Place: David Adcock.

Band

First Place: Carl Niles, Ed Knowling. Second Place: Eugene Tate, C. R. Schmid, William Dykes.

What To Do

Never reach across another person's plate in order to reach anything. Ask courteously to be passed what you want.

MORE ABOUT

R. O. T. C. HOP

(Begins on Page 1)

Susan Buchanan; first lieutenant A. T. Hammond and Anna Lynn Bolinger; first lieutenant George Childs and Ruth Long; first lieutenant William McCravey and Margie Elgin; second lieutenant Carl McCoy and captain Louise Hines; second lieutenant Howard Bozeman and Ruth Dobbs; second lieutenant Leon Thomas and Ruth Anderson; second lieutenant John Lea and Muriel Clark; second lieutenant Fred Thornton and Louise Hickman; second lieutenant Bob Allen and Ruth Word; second lieutenant Jack McPherson and Helen Coleman.

Guests of honor who have been asked to act as chaperones are: Colonel and Mrs. R. W. Collins; lieutenant colonel and Mrs. L. W. Young; Major and Mrs. F. W. Hyde; Major and Mrs. B. A. Shipp; Major and Mrs. R. F. Dark; Major and Mrs. F. S. Matthews; Major and Mrs. John S. Moore; Captain and Mrs. S. H. Guffin; Captain and Mrs. B. E. Clark; Captain J. K. Evans; Sergeant and Mrs. W. A. Pratt; Mr. and Mrs. Fred Stair, Mr. and Mrs. C. D. Beardsley, Mr. and Mrs. L. D. Word, Dr. and Mrs. H. E. Christenberry, Dr. and Mrs. H. T. McClain, Mr. and Mrs. W. E. Evans, Mr. and Mrs. C. A. Browning, Lieutenant and Mrs. J. C. Lowery, Mr. and Mrs. Wilson Collins, Mr. and Mrs. Sam Jones.

The home economics department, under the supervision of Miss Guerrant Tatem, will have charge of the refreshments. Miss Alice Cox, honorary captain of company C, is chairman of the Grand March committee. The task of supervisiong the decorating of the gymnasium was assigned Elizabeth McKelder, sponsor of company D.

Since the ball is sponsored by the R. O. T. C., all boys attending the dance will be required to wear the regulation uniform. Only boys having the R. O. T. C. uniform on will be admitted at the door. The dance is formal for girls. The price of admission is one dollar per couple or seventy-five cents a stag.

"Although the past military balls have proven a success, the attendance has not been as large as expected," stated Major John S. Moore, high school R. O. T. C. Commandant. "This year we expect to have an overflowing crowd in the gym to participate in the dance and help make it the greatest hop that has been given by the R. O. T. C."

School Daze

By Betty Dafferner

Last Friday, if you remember, we had half a holiday, and, as usual, the Blue and White was published.

"I think," said Tommye Parker, "that the Blue and White is smaller today."

"Well," retorted Otto Williams, "why shouldn't it be? We get off half a day."

Betty Dafferner

—o—

"Athletic Feats Head Program on Caswell Field" was a headline in the Blue and White. We think somebody should learn to spell. Anybody ought to know it's "athletes foot".

—o—

It just goes to show you that the senior girls aren't blockheads. If they were, those apples would have stayed on better.

—o—

The three runaway snakes that visited here last week were a ghopher, coach whip, and pine snake, but when they got such a cold reception they all decided that they would stop pining, change coaches and gopher home.

—o—

Some one has kindly suggested that, to keep the readers (if any) in a good humor, we might slip in a joke every once and a while, so, here is a borrowed one:

Judge: "Guilty or not guilty?"

Rastus: "Not guilty, suh."

Judge: "Have you ever been in jail?"

Rastus: "No, suh, I never stole nutin' before."

—o—

By the looks of the lunch room floor after the last lunch period some of the students must have spent several years in China. There it is proper when doning to toss chicken bones, olive seeds, etc., over the shoulders on to the floor. You pay your host a compliment by showing that you realize he is wealthy and has plenty of servants to tidy up after the meal.

—o—

Daffy-Dill

Overheard out in the hall:—

"She's got it in for me.
No matter if I make an A,
I always get a B."

Woods And Ward Win In Doubles Championship

Only Two Meetings of Hiking and Tennis Clubs.

With Thelma Woods and Virginia Ward as winners, the finals in the doubles of the girls' tennis tournament were played last week. The singles are still in progress and the following girls are still in competition: Bobbie Shepard, Bobbie Hull, Faye Griffin, Jeane Peters, and Ezelle Ramsey.

There will only be one or two more meetings of the tennis, hiking, and swimming clubs for this year. The girls wishing to pass their swimming tests should see Miss Mathers at the Y this week.

A tournament is to be started next week in aerial darts. This is a variation of badminton and is very popular among the girls. Teams consist of five girls, four of these playing. The captains are being chosen and will be announced later.

Does anyone know why Edna Lord goes out of her way to see James Childress?

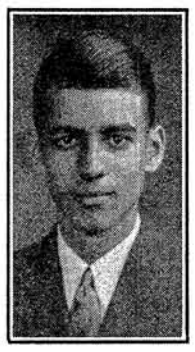
KHS Track Team Takes Second In TSSAA Meet; Netmen Win

By Bob Allen

Knoxville high school's track squad can only boast of second place in the T. S. S. A. A. track meet held at the University of Tennessee track last Saturday. The Trojans ran second-fiddle to the strong team from Kingsport high school. The Kingsport Indians gathered 66½ points to lead the Knoxville high school contingent which earned 51½ points.



Bob Allen

Both Kingsport and Knoxville high schools took five first places, but the Indians took numerous seconds and thirds which upheld their score. Knoxville high school failed to come through in finishing in the runner-up spots.

Johnson City, minus their flashy hurdler of last season, Fleming, finished third. Johnson City was the defending champion, and finished with 25 points. Morristown high school finished with 13 points, and Erwin with 7. The meet was held at the same time the Tennessee-Kentucky meet took place.

Maurice Cottrell, captain of the Trojan squad, turned in the most outstanding individual performance of the afternoon, when he cleared 12 feet 2 inches in the pole-vault. Cottrell also tied for first in the high jump, and took second in the broad jump.

Medals were awarded to the winners and runners-up in each event. Kingsport received the team award, and Knoxville high school won the relay award.

It has not yet been decided whether or not the Knoxville high school team will enter in the state meet in Nashville, sponsored by Vanderbilt University.

Knoxville high school's undefeated net team met with another triumph last Friday when it traveled to Middlesboro, Kentucky and defeated the Middlesboro high school netters by a decisive 6-0 score. All the Trojans won their matches in an easy manner. In all of the victories of this season, only one member of the squad has lost a match. This is a remarkable record, considering the competition the Trojans have been facing.

While the other athletic units were covering themselves with glory, the Knoxville high school golf team took a decidedly close match from the County high school Bobcats on the Whittle Springs course last Friday. The final score was 6-4.

The Knoxville high school tennis team won an easy match from the Morristown Roosters last Tuesday. The final score was 6-1.

While the tennis team was winning its matches, the Trojan golf team lost its match with the Morristown golfers by a rather lopsided score. No excuses are offered for the defeat. However, the Knoxville team will have a chance to redeem itself Thursday, May 21.

Congratulations to everyone connected with the very successful May Day program. The day was a complete success from beginning to end. Coach Jones' tumbling classes were received with a great deal of enthusiasm. The teachers' relay was received with a great deal of hilarity.

If such magnificent support is maintained by the student body, hereafter, the program should grow into a very important affair.

Eight Trojans To Enter State Track Meet In Nashville

Health Chats

PHYSIOLOGY OF TRAINING

By B. E. Sharp

Training is progressive improvement in executing an act through repeated performances, and depends upon the frequency of repetition with an effort to improve.

Proper training should be one major objective for, not only the athlete, but every individual.

Training brings into use latent fibers and puts them to use, thereby increasing the size and power of the muscle.

By training, Neuro-muscular coordination is more adequate, metabolism diminished, oxygen requirement is minimized, time to fatigue prolonged, recovery accelerated, and precision of mobility increased. Through training more efficient timing and adjustments are effected so that when one muscle contracts its antagonist offers a minimum of resistance, giving grace and speed as well as power and stamina to the body.

Training makes necessary adjustments in the circulatory-respiratory system which are permanent and used in all activity of life. The respiration rate is diminished, capacity for delivering oxygen increased, lung ventilation decreased, lung capacity increased, resting pulse rate slower, and the increase of pulse rate caused by work is relatively less, returning to normal quicker in trained individuals. The stroke volume of the heart is about twice as great in the trained person, lessening the burden of the heart.

The walls of the heart are strengthened and blood pressure rises less and slower.

The supply of blood and oxygen to the tissues are made more quickly and adequately.

Overtraining causes staleness in which an athlete is expending more energy than he can replace by food and rest.

Breaking training abruptly has neither a physiological nor hygenic foundation. It should be done gradually to avoid indigestion, constipation, faulty posture and other evils upon the loss of muscular tonus.

The athlete trains to attain power, speed, cooperation, stamina that he may play the game of sport more efficiently. He trains to prevent tearing of muscles which may be due to lack of timing of antagonistic muscles expanding and contracting. He trains in order that sore muscles caused by pollution of lactic acid may more rapidly recover. His second wind will be reached quicker by being in good training since it comes about by adjustments made by the circulartory and respiratory systems.

Every individual should train so that his daily routine of activity may be performed without an overdue mental or physical strain. This training is simple and requires regular habits of rest and sleep, elimination, exercise, proper diet, and avoidance of over strain.

West Tennessee To Make Strong Bid for State Honors Tomorrow.

POSTON, COTTRELL OUT

Meet Sponsored Annually by Vanderbilt University of Nashville.

Knoxville high school is to send eight representatives to the Tennessee State Track and Field Meet, held Saturday in Nashville, Tennessee, under the auspices of Vanderbilt University.

West Tennessee will make a strong bid for honors in the meet for the first time in many seasons. However, Knoxville high school is conceded only a slight chance, since Cottrell and Poston are considered out of the running with injuries.

Both Tech and Central high schools of Memphis are given good chances to take home the honors tomorrow. Both squads are a great deal stronger this year than last. Kingsport, Johnson City and Knoxville are among the more important teams entered from East Tennessee.

Dave Poston, star Trojan dash man, pulled a ligament in a recent meet with T. M. I., and is not expected to make the trip. Captain Maurice Cottrell, pole-vaulter, injured his leg in the T. S. S. A. A. meet last Saturday, and will probably be left at home. Cottrell stood a fine chance to gain honors in the Nashville meet. He cleared 12 feet 2 inches last Saturday.

BASEBALL

Knoxville high school's Trojan baseball team plays its first home game today at Caswell Park, beginning at 3:15 p. m. The Trojans took both games of a double-header last week from Rockwood high school. The Knoxville high school team meets Jefferson City.

Since this is the first game of the season, there will be no admission charge.

A.A.U.W. Thanks K. H. S. Students

Faculty members of Knoxville high school who are members of the American Association of University Women, wish to thank those of the school who contributed to the recent convention.

Among those to whom the A. A. U. W. expresses its appreciation are the choruses and the orchestra which furnished musical entertainment to the delegates in convention. Also to the winners of the essay contest which was sponsored in an attempt to promote an understanding of international affairs in regard to war and peace.

Lawrence Nicholson was first place winner, Malcolm Cagle, second, and Margaret Sisk, third .

The winners elected Malcolm to deliver the address of acceptance and appreciation of the prizes.

This contest, hereafter will be an annual affair with the Knoxville high school seniors the only eligible contestants.

Society and Clubs

By PATRICIA WHITMORE

BECAUSE of the complete success of the silver tea and style show given last term by the Senior Girl Reserves, the club decided to make the affair a semi-annual event and presented another on the same style, last Wednesday afternoon at the Y. W. C. A.

Alice Cox and Katherine Roberts, composing the decoration committee, adorned the stage with blue and white crepe paper, forming a fan shaped background. In the foreground were palms and colorful balloons.

The following girls took part in the style show, modeling every type of dress from evening to extreme sport: Mildred Simpson, Catherine Dougherty, Jean Allen, Dorothy Cates, Louise Hickman, Juliet McNeil, Katherine Roberts, Mavis Champe, Forrest Ellison, Alice Cox, Ruth Word, Helen Brannum, Margaret Post, and Ida Belle Monroe.

The various committees and their committeemen were: Foods, Catherine Dougherty; Serving, Grace Nickerson; and Hostess, Jo Eleanor Gallaher.

Seventy-five printed invitations and many "blanket" bids were distributed.

—o—

THE Polar Bear club, newly organized group of swimmers, held its first meeting last Friday night at Big Ridge park, during the Junior Hi-Y hayride.

Officers will probably be selected at the next meeting from the list of charter members, including Gaines Stuart, Stuart Maher, Fred Ford, Joe Brown, Jack Boyd, and Carl Navarre.

—o—

CHOOSING for his subject the place of his birth, China, Major A. K. Kupfer spoke to the Junior Girl Reserves last Monday afternoon at the Y. W. C. A.

Plans for their semi-annual banquet to be held Saturday, May 16, were discussed during the remainder of the meeting.

—o—

THE combined Junior and Senior Hi-Y clubs held a Mother-Son banquet last night at the Y. M. C. A.

Mrs. L. A. Richardson and Johnnie Walker were featured speakers.

Wyman Clark, senior president, acted as toastmaster, and Bob Johnson, junior president, served as program chairman.

—o—

NEW officers for the Junior Hi-Y were elected at the latest meeting. Wilfred Gillenwaters is president; John Crews, vice-president; and Eugene White, secretary-treasurer.

Bill Smythe was reelected adviser to the club.

—o—

UNDER the guidance of Professor Fred DeRobertis, the K. H. S. Orchestra is planning to make a trip to Johnson City today. Every city in East Tennessee will be represented in the celebration.

A concert is to be given at Greeneville this afternoon if plans go through. This is the first out-of-town engagement the Orchestra will play this year.

—o—

"FRENCH Home Life and Customs", was the topic discussed at the last meeting of the French club Tuesday, April 28.

"The French Home" was discussed by Elizabeth Matthews; "French Childhood" by Judith Richards; and "French Vacation Days" by Irene Cates, while Margaret Miller gave "Histories in Images".

Several French songs were sung by the club. These included "Frere Jacques", "Il a Une Bergere", "La Marseillaise" (the national song of France), and "Quand Madelon". Ralph Quinn and Oliver Jones sang "Fleurs Pour Madame". Ice cream was served as refreshments.

—o—

"THE Last of the Mohicans", the serial being shown each Wednesday in the assembly, will end next Wednesday, while "Geological Work of Ice", a one reel science film by Dr. Carey Croneis, professor of geology, at the University of Chicago, will also be presented.

The sound film opens with the survey of significant but often overlooked examples of the gradational work of ice. Animated drawings are used to explain the action of phenomena that cannot be demonstrated photographically. The major portion of the film is devoted to the story of glaciers, the types of glaciers, the formation of glaciers, glacial movement, gradation and transportation by glaciers, topographical results of glacial activities as evidenced by moraines eskers, striated and grooved rocks, cirques, hanging valleys and fiords, and finally the Pleistocene ice age.

There will also be an animated cartoon.

—o—

MISS Mae Walker of the Commercial department, spoke to the Home Economics club on the subject of "Hobbies", Tuesday, May 5. She brought out the difference between creative hobbies and those which are not worthwhile. To add to the interest of her talk, Miss Walker demonstrated how to make simple objects as a pastime, such as making Christmas cards, making attractive pictures of magazine covers, and different useful articles.

Vocational Director To Conduct Program

Review of Accomplishments and 2 Vocational Plays Will Be Presented.

Curtis Gentry, vocational director of the junior and senior high schools, will have charge of today's radio program. Mr. Gentry will give a short resume of the work that has been accomplished toward vocational guidance in the schools this year.

Two vocational plays written by Miss May Treadwell, former teacher of Boyd Junior, will be presented.

The first "Vocational Guidance" gives the results of parents selecting a child's future work instead of permitting the child to choose the work that he is most interested in and most capable of doing.

The second is "Choosing a Vocation". This play illustrates the group or groups of vocations for which each individual is best fitted.

The students participating in these plays are: Malcolm Cagle, Robert Clagett, Vera Yon, Anna Rhodes, Joel Whitten, Richard Miller, Stuart Maher, Clyde Carter, George Foster, Margaret Betty Gillespie, Gertrude Meyer, Charlotte Colby, and Vivian Creech.

Monday's program will be conducted by the dramatics department under the direction of O. E. Sams. The science department, headed by C. A. Browning, will have charge Wednesday.

LIVES
Of Our Teachers

THIS WEEK—
Miss Elinor Brading
English Instructor

(Next week Mr. S. B. Parker, Knoxville high school mathematics teacher, will be interviewed as the fourteenth teacher in this series of articles written by C. Earl Wallace.—Editor)

By C. Earl Wallace

Miss Elinor Brading is a pleasant, amiable, kind, accommodating, and agreeable person. . . . She has black hair, is of medium height, has a brisk, stylish speech, and wears impeccable dress.

Born in Johnson City, Tennessee. . . . Yours truly asked her for the date of her birth (knowing full well that Knoxville high school students like to find out the ages of their teachers. No less than nine people told me they only looked at my column to see if they could get the age of "certain teachers") and she replied in words equal to Burns' phrase "Auld lang syne". . . . But she really is young and possesses an unusual amount of vim, vigor, vitality.

Is a graduate of Johnson City high school. . . . Attended the State Teachers College for two years before going to the University of California. . . . Received her Master's degree at the University of California and the University of Ohio.

Taught for a while at Johnson City, but came to Knoxville high school in 1930. . . Is an "excellent English teacher" as one of her present pupils put it.

Likes to read good books and has the record of being one of the most ardent readers in Knoxville high school, according to one of her intimate associates for the past few years. . . . Has never engaged in any type of work except pedagogic. . . . Likes to travel and has taken several trips within the United States. . . . Thinks hiking is an excellent means of recreation.

Enjoys movies and the legitimate stage. . . . Attends shows when she has time as a good deviation from regular routine.

Can eat most any food, including spaghetti, but does not relish a second helping of this esculent dish.

She is a reserve person. . . . A person that does a lot of work for others as well as herself, and never claims credit for doing it. . . . Is unusually modest. . . . I sincerely believe that if modesty is ever personified, **Miss Elinor Brading is a personification of modesty.**

Samuel F. Brewster Speaker In Chapel

T.V.A. Land Planner Explains Recreational Value of Forests and Parks.

Samuel F. Brewster, of the Land Planning Division of the T. V. A., addressed lower class chapel Tuesday on the recreational value of forests and parks.

Mr. Brewster told his audience how southern California and New England have utilized their scenic beauty to bring tourists and that East Tennessee might do the same.

The speaker told about the parks which are being built in East Tennessee and how to reach them. Some of these parks are Big Ridge Park, Norris Park, and Buffalo Springs game hatchery.

The K. H. S. mixed quartet, composed of Una Mae Priest, Lythia Boling, Herbert Turner, and G. E. Francis, sang two selections: "Pale Moon", an Indian melody, and "Hark, Hark the Lark", by Schubert.

"To a Wild Rose", by MacDowell, and "Shepherd, Shepherd, Leave Decoying" were the two songs which the girls' trio sang. The girls making up the trio are Louise Marshall, Myrtle McWhorter, and Josephine Lea.

MORE ABOUT
ELECTION
(Begins on Page 1)

Following is a list of the victors and the classification they represent: 12B boys: Jack Joyeux and Kenneth Herrell. 12B girls: Edythe Adcock and Barbara Brown. 11A boys: Arthur Peterson and Jack Saylor. 11A girls: Anne Abel and Gertrude Meyer. 11B boys: Marshall Perry and Ed Story. 11B girls: A run-off is necessary between the following: Dorothy Barber, Charlotte Colby, Felicia Parker and Telena Sutton. Two will be chosen. 10A boys: Donald Freeman. 10A girls: Mary Woodward. 10B boys: Jimmie Hodges and Louis Ed Smith. 10B girls: Another run-off is necessary among the following: Margaret Adkins, Margaret Holmes, Helen Otto, and Gaynell Simpson. As in the case of the 11B's, two will be elected. Jim MacAshan will represent the 9A boys, and Anna Jones the 9A girls.

Jean Reeder, 10B, will run as an independent in the final election.

Helen June Otto is the girl with the beautiful eyes.
