Balcony Defect Delays Chapel Until Tuesday

Students In Balcony Feel Slight Vibration As Truss Fails.

INVESTIGATION MADE

'Trouble Caused by All Students Arising Together', Examiner Says.

Commenting on the safety of the balcony after the apparent shifting that occurred during chapel last Thursday, Principal W. E. Evans assured those who questioned that the situation was "really not dangerous"; that a full investigation had been made, and that the trouble, which was found to be in an attic truss that had given slightly, was being corrected.

"Chapel will be discontinued until the defect is remedied," Mr. Evans said.

"Until Thursday," Mr. Evans explained, "the balcony had never shown signs of anything at all being wrong, and then, from the reports I received, a slight vibration was felt by those on the balcony.

"Immediately E. L. Adcock, business manager of the Board of Education, called the city building inspector and the original contractors and architects, including A. B. Bowman Jr., for an investigation.

"Friday they examined everything and Saturday they were back for conference. They opened the floor of the balcony and examined the framework but could not find signs of anything that had happened.

"When the investigators searched the attic for the trouble, one of the trusses that supports the roof of the auditorium and from which

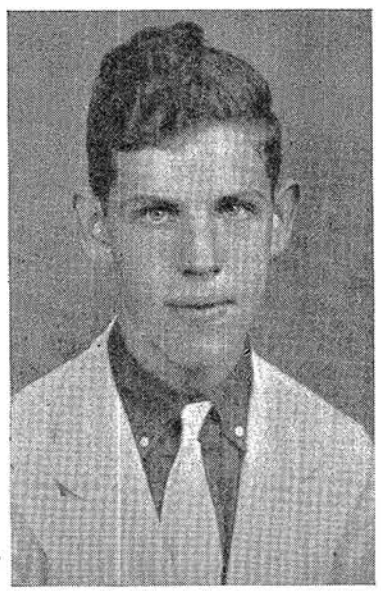
5 CLASS DIRECTORS TOGETHER 12 YEARS

Ever since they entered school twelve years ago at Park City Lowry, Ruth Word, Wesley Brown, Dick Evans, John Lea, and Lorraine Gentry have been in school together. They have been through Park City Lowry, Park junior high and now seniors at K. H. S.

Strange as it may seem, all of them hold honorable positions in the senior class. Dick Evans is Lieutenant Colonel and publicity chairman, Ruth Word is Honorary Lieutenant Colonel and vice-president, John Lea is captain of the band and president of the 12A's, Lorraine Gentry is secretary of senior class and secretary of the Thespian Society, and Wesley Brown is captain of "D" Company and treasurer of the senior class.

CHIEF ANNOUNCER



MARVIN KREIGER

who was chosen as head announcer for the Knoxville high school radio programs. He will be assisted by Harold Simpson and W. R. White.

P. T. A. Has Charge Of Radio Program

Thursday, the P. T. A. took charge of the radio program. During the broadcast they announced plans for a membership contest to be held between the groups of Knoxville high school. The home group having the largest number of mothers and fathers join the P. T. A. will the contest.

Today, Miss Jesse Lou Neubert has charge of the program. The theme of the broadcast will be "Know Knoxville". The object of this program is to urge students to get acquainted with important places and historical ear marks of Knoxville.

Captains Of PTA Contest Elected

P. T. A. membership contest started Thursday of this week. Kenneth Hatcher was elected captain of the upper classmen and Ruth Linke of the lower classes. The two captains tossed a coin and the upper classes won the toss and chose the blue team and also to receive.

On the miniature field in the hall of high school, Tuesday's formation in which the Reds were kicking off to the Blues, receiving the ball on their goal line, or the line their membership at the beginning of the game indicates.

All 11B groups and up are considered as upper classmen and are on the blue team. All 10A groups and below are lower classmen and are members of the red team.

Just how far the ball advances on each side depends on the students. Each member advances the ball almost eight inches, five members one yard and twenty-five members five yards.

KHS Student And Brother Visit In Hollywood; Guests In 'Spanky's' Home

During a six weeks visit to Hollywood, California this summer, Archie Foxx, Knoxville high school student, and Bob Foxx, former K. H. S. football hero, visited the home of "Spanky" McFarland, juvenile movie star of Hal Roach comedies.

Although "Spanky" makes $450 a week, he lives in a very modest home. His father does not work.

Immediately after they entered his home, "Spanky" asked Bob and Archie to play "Cops and Robbers" with him. Since it was too dark to play, the young actor decided to play "horse" instead. He mounted Bob's shoulders and commenced a private rodeo.

"Spanky" was very much taken by Bob when he found tha the was a football hero. He asked Bob to send him an autographed football.

Next morning at the studios, Archie and Bob saw "Spanky" act. After the "takes" were finished, the small actor, seeing his friends, rushed to them and insisted upon playing "horse" again. Before they left, he gave them autographed photographs of himself.

HI-Y RECEIVES 42 FRESHMEN AT MEETINGS

Fall Initiation Climaxed With Weiner Roast At Camp Hoffeld.

The introduction of new members and the starting of the fall initiation were the main events of the meetings held by the Knoxville high senior, junior, and sophomore Hi-Y's Thursday night, Sept. 24.

All new members were introduced and given pledge cards to sign. The presidents of the clubs, John Lea, senior; Wilfred Gillenwaters, junior; and Henry Lawless, sophomore, explained to the new members the purpose of the club and the members' duties.

The initiation of the new members, forty-two in number, started immediately after the meeting and was to have ended last night, in a combined meeting and weiner roast at Camp Hoffeld in Island Home ark.

The new members are:

Senior Hi-Y

Maurice Austin, Albert Brown, Frank Brown, Wesley Brown, Ralph Burkhart, Bob Claggett, Joe Johnson, Cornell McReynolds, Fred Owens, Tommy Taylor.

Junior Hi-Y

Joel Whitten, Hugh Jones, Sam Dalton, Dick Miller, Arthur Cockrell, Herbert Morgan, Bob McConnell, J. A. Wallace, Walter Burnett, Joel Anderson.

Sophomore Hi-Y

John Bolinger, Guy Yoe, Cecil Drinnen, Ed Kyle Smith, Claude Phillips, Welix Line, Burke Russell, Hazen Hilands, Bill Brown, Ted Beeler, Harold Jenkins, Her-

'Ladies of the Jury' To Be Given at KHS

"Ladies of the Jury" will be presented around the middle of November by the night school dramatics class, O. E. Sams announces.

The presentation has a cast of 22. Caroline Joyeux, sister of Jack, retired Student Council president, is playing the lead.

The first act is a court room scene, and shows the murder trial of Yvet Gordon, who is accused of murdering her husband.

The second and third acts are laid in the jury room and are made up of the efforts of Mrs. Crane, the leading character, and member of the jury, in persuading the eleven other jurors to vote not guilty.

This was a long run play in New York. The lead was played by Mrs. Liske. Later Edna Mae Oliver took the lead on the screen.

There is a great deal of humor and cleverness throughout the play.

FORMER PRINCIPAL NOW RECUPERATING

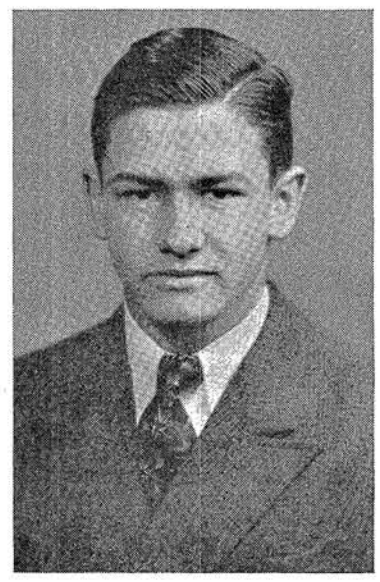
Floyd Amburn, former principal of Boyd junior high school, who was compelled to give up his work because of ill health, is now recovering at Oteen, North Carolina.

In a letter recently received by Miss Mary Lou Caskey, who is taking Miss Catherine Webb's place in the high school office, he said he spent most of his time in reading and that he intended to write a book entitled, "We, the Unburied Dead".

Perhaps some of Mr. Amburn's former students would like to write him. His mail should be addressed to the Veteran Administration Facility, Oteen, North Carolina.

Joe Woodruff Elected To Succeed Joyeux As President Of Council

NEW COUNCIL HEAD



JOE WOODRUFF

who was elected to the presidency of the K. H. S. Student Council.

Cecil Mynatt Nominated—Organization's Members Do Final Voting.

C. F. FIELDEN RESIGNS

Bill Browder To Fill Vacancy Made by Jimmie Hodges Moving to Miami.

Joe Woodruff has been elected as the new president of the Student Council of K. H. S. succeeding Jack Joyeux, who resigned because his occupation conflicted with his Council periods.

Cecil Mynatt was the only other 12A besides Joe who was nominated for election. They were the only senior boys who were eligible for presidency according to the constitution of the Student Council.

The members of the Council voted during their Council periods to install Joe as a member, and duly elected him president.

Joe said, "I am fully aware of the responsibility of this position to which I have been elected, and I will endeavor to maintain the high standards of efficiency which have been set by preceding presidents."

Since Bill Browder has decided to take the 10A place left vacant on the council by Jimmie Hodges who moved to Miami, C. F. Fielden, installed in his place, has resigned. Before Bill knew he could take the position, the faculty committee of the S. C. and Prof. W. E. Evans had given permission for C. F., although he is a senior, to be elected as a member.

Cuff Organizes Geography Class

Civic Clubs Send Useful Material To Class.

W. A. Cuff has organized a new course this term known as commercial geography. It includes the study of regional, economic, and physical geography. It is not only a text book course but includes the study of materials which are collected from all parts of the country.

"As we study the development of the Tennessee Valley, we plan to visit the places of interest in order to see the first hand geographical interests," stated Mr. Cuff.

In the collection of material, various civic organizations have responded to the request for information on their community. The class has received industrial surveys, pamphlets, and one beautifully bound history book, which came all the way from Lincoln, Nebraska, post paid. The Department of Interior has contributed several maps of Tennessee and of the United States.

Each student is assigned one or more states. Anything he reads in newspapers, magazines, or hears over radio must be reported to class. The students are encouraged and urged to use their own travel experiences in class.

These pamphlets and various materials received will be classified and filed next to the door in the library where they will be available for other history and geographical courses.

The first trip was to Alcoa Monday where the class was shown through the Aluminum company. They went by way of Henley street bridge, and came back near Con-

(Continued on Page 4)

HAYHOW WILL RETURN TO SCHOOL MONDAY

H. H. Hayhow, former teacher of freshmen and senior history at K. H. S., who has been absent this term because of an appendix operation, will return to school Monday.

Mrs. Paul Canaday has been substituting for him during his absence.

Last year Mrs. Canaday substituted for Miss Mabel Broady also in the history department. After Christmas she took Miss Margaret Carroll's place, instructing girls' gym classes.

ELECTION RUN-OFF TO BE HELD FRIDAY

Only two cheerleaders have been elected: Norman Anderson, a senior boy and Mary Ruth Bibb, a junior girl. The other three will be elected in the runoff this morning in group rooms, much the same way in which the primary was run. All those holding season tickets, members of the football team or one of its managers or a member of the band, will be eligible to vote.

This year there will be five cheerleaders. One will be elected by them to act as a head, while the others will work with him in leading cheers.

The run-off is between Gaines Stuart and Frank Pate, senior boys; Julia Freels and Myrtle McWhorter, senior girls; and Bill Barbour, Kyle Crowther, and Frank Winstead, junior boys.

SOAP AND TOWELS

In Knoxville high school the majority of 2200 people, after handling numerous objects and being closely associated with one another for all three hours, eat their noon meal without washing their hands!!

This startling situation is due largely to the fact that, within the school building, there are no adequate facilities for the washing of hands. There are neither towels nor soap in some of the lavatories used by the students of the schools! In all of the lavatories there are wash bowls. A large number of the wash bowls are, at present, out of order.

This condition is contrary to the rules of sanitation and good health. With hundreds of students eating a meal with their hands possessing the accumulation of germs which unwashed hands possess, the chance of a dreaded epidemic is enormous.

The good health of every person in this school should be of much greater consideration than any course of study the school can offer!

The placing of towels and soap in Knoxville high school could not be considered an additional cost in the operation of the school. Such a movement would more than likely pay for itself by its reduction of the sickness and absences in the institution.

However, if such a movement took place, the students would have to do their part by being as conservative as possible with the water, towels, and soap. Without such cooperation, the furnishing of such accessories would be impossible.

Soap and towels should not only be placed in the school, but the health officials should encourage the student body to use them.

METER-EDUCATION

Knoxville's city council advances a plan to place parking meters on the streets of the business district of the city.

It has been suggested that the proceeds from these meters be used toward the salaries of our school teachers.

Has not our city government reached a sad plight, when one of the most important branches of that government, our communities' educators, must depend on such an unstaple income as the proceeds from parking meters to offer them a decent salary?

On rainy and dull shopping days it is supposed that the education of the youth of the community will have to be called to a halt as there will be few cars parked in the business district and therefore no proceeds will result. But there might be one good point to this plan—when the circus comes to town all the autos will be parked near the circus grounds where there are no parking meters, then there will be no funds to pay teachers salaries with, and all the schools will be dismissed for the day and we can all go to the circus. But alas, some master mind will conceive the plan of the city monopolizing all parking lots surrounding the circus grounds and keep us in school after all.

The education of tomorrow's citizens should not be a pastime of the government, to be dealt with when there is nothing else to deal with, and this phase of public service is no institution to be supported by the proceeds from just any fad or fancy.

It is time for this city to come to the full realization that the schools are a necessity, to be supported to the utmost by adequate appropriations.

A good character and education are the greatest securities the youth of today can obtain.

Trilly Says--

By Trilly the Trilobite

Imagine their embarrassment when J. A. WALLACE, HERBERT MORGAN, and FRANK BROWN had to run off of the football field on their hands and feet! Hi-Y initiation you know — and can some of those guys swing a paddle! WESLEY BROWN is being initiated too, but the girls don't seem to mind his face all painted up. He was sitting with MURIEL CLARK, INEZ CLAYTON, MARGIE ELGIN, and MARGARET MOORE at the game Friday.

Flash!! Portland, Oregon. JIM BOB BEASLEY broke his ankle playing football. It's a shame, isn't it? Don't tell a soul, but he isn't dating any girls at all. It's understood that he prefers his little southern gals!

TUBBY, MICKEY, CATHERINE, HAZEL, DOT, JEAN, and BARBARA look adorable in their sponsor's uniforms. Hope their feet don't hurt. You know they all have on new shoes!

At the All Students club dance last Friday night, K. H. S. was well represented. KATHERINE BRISCOE, DUDLEY WILSON, MARY ALLISON FRIERSON, DOT STEPHENSON, and MYRTLE McWHORTER were there. Skeet Tallent gave a splendid imitation of an old mountain farmer by taking out his teeth and putting on a shaggy blonde wig while his orchestra played and sang, "The Martins and the Coys".

5 W'S

Listed below are 5 questions which every high school student should know. Test yourself and see how many you know. The answers are included below.

1—What 3 presidents of the United States were assassinated?
2—What well known person frequently uses the expression "Me and Paul"?
3—What is the population of the City of Knoxville?
4—Who wrote "Pilgrim's Progress"?
5—Which country is Oxford University located in?

Answers

1—Lincoln, Garfield, and McKinley
2—"Dizzy" Dean
3—115,000
4—John Bunyan
5—England

MISS CHAMPE VISITS TEXAS CENTENNIAL

In a recent vacation trip out west, Miss Mary E. Champe visited the Texas Centennial. She found the Texas Cavalcade the most interesting feature. This was a pageant of the history of Texas under five different flags.

From Texas, Miss Champe's party visited New Mexico, Trindad, Pueblo, Colorado, and Colorado Springs, where they spent a week.

Another interesting town visited by Miss Champe was Cripple Creek, an old typical western gold rust town. From Cripple Creek she visited the Rocky Mountain and Yellowstone National Park.

"I had a grand time and enjoyed it thoroughly," concluded Miss Champe.

New Course Is Added to K. H. S. Curriculum

George Poindexter Turley has received an SOS degree from the University of Minnehaha and is now qualified to teach Supervision in high school. This is an interesting course. There is no class room, no text book, no home work, and the teacher can never be found. From the word supervision one gathers that the course has something to do with better sight. Although this subject was listed on the schedule, only one person came to sign for the class. He was a freshman.

Trojans Hand Bradley Eleven Bitter Defeat

Bob Broome Leads Trojans In Inspired Victory—Yon Stands Out In Line.

MOORE SCORES

Brilliant Halfback Intercepts Pass and Races 90 Yards For a Touchdown.

After being on the short end of the score for the first time this season, Knoxville high's undefeated Trojans came back to defeat a fighting Bradley County eleven, 33-7, last Friday afternoon before a huge crowd at Smithson Stadium.

After Moore, flashy Bradley back, intercepted a Trojan pass on his own ten yard line and raced ninety yards for a touchdown, the Trojans huddled together their scoring attack and ran up a total of thirty-three points in the second and third quarters.

Bob Broome undoubtedly played the greatest game of his career as he led the team to its third victory of the season. In doing so Broome was aided greatly by Johnny Butler and Tony Carper.

Veo Yon, back after a short absence, proved himself to be the spearhead of the Trojan's defense, by making tackle after tackle upon entering the game. Captain Luttrell and Tipton gave their usual good performance in the line and Partridge showed up well at his end position.

Line-ups:

Bradley	Pos.	Trojans
Apperson	L.E.	Alley
Lawson	L.T.	Luttrell (C)
McCoy	L.G.	Tipton
Carson	C.	Cross
Palmer	R.G.	Johnson
Dooley	R.T.	Standridge
Barger	R.E.	Partridge
Dockery (C)	Q.B.	Broome
Bigham	L.H.	Butler
Moore	R.H.	Bell
Kirksey	F.B.	Randles

Scoring touchdowns: Bradley—Moore. Knoxville—Broome 2, Partridge, Butler, Carper.

Points after touchdown: Bradley—Apperson (placement). K. H. S.—Yon (place kick), Butler (linebuck), Randles (linebuck).

Substitutions: Bradley — Belch, Tye, White, Kile, J. Barger. K. H. S.—Yon, King, Broughton, Martin, Coile, Coffee, Ramsey, Tucker, Long, Bolin, Hendricks, Cowart, W. Broome, Carper, Hewgley.

Girls Earn Points For School Letter

Girls in the physical education classes who are interested in earning points toward a school emblem, have been given the opportunity of doing so by living health rules daily and by keeping a record of their walking, as walking is beneficial when done in moderation and under proper conditions of health, cloths, shoes, and weather. One point is given for each mile walked; a limit of two points for any one walk, and with a limit of fifty points for each term. These records of walking and health rules are signed by the girl and her parents.

The swimming, hiking, and other athletic clubs will be started in two or three weeks. The time will be announced through the classes. Any senior girl not taking physical education but wishing to join any, see Miss Mary House, athletic instructor.

June Warren, where art thou? This is the question C. B. LaRue has been asking lately.

SPORT DOPE

Trojans Defeat Bradley Eleven In Thriller; Bob Broome Stars

By Fred Owens

Did you ever see a pass walking? The Trojans did—and came back fighting. After Moore, Bradley County right halfback, had taken one of the Trojan's aerial bombs out of the air on his own ten yard line and raced ninety yards for a touchdown, Knoxville high school's Trojans unleashed a terrific offensive attack that resulted in a 33-7 victory.

Fred Owens

Bob Broome, Trojan quarterback, gave the most brilliant performance of the season as he scored two of the five Trojan touchdowns and figured in the other three. He was passing, punting, running, and on the receiving end of a touchdown pass thrown by "Flash" Butler.

Although shocked and stunned by Moore's sensational touchdown run, the Trojans revived that old fighting spirit, so characteristic of Knoxville high elevens, and gave the Bradley team its worst defeat of the season in proving that they have what it takes to come back.

TROJAN HIGHLIGHTS

"California" Partredge scored his first touchdown of the season last Friday after taking a pass from Broome. Didn't Veo Yon give you a thrill with his perfect place-kick that tied the score at 7-7?

Johnny Butler is one of the finest players to ever wear the Blue and White. This Woodruff family really turns out football players. Joe, a member of the Trojan eleven, has a brother, Bob, with the University of Tennessee Vols.

Tipton and Luttrell cannot be given too much credit for their sterling type of play displayed this season. . . . W. J. Bolin played his best game of the year Friday. He was tackling enemy runners hard and often. . . . Wasn't Tony Carper's touchdown run a honey? I'll wager every Bradley player laid hands on him as he twisted and squirmed his way down the sidelines and across the goal line. . . . Bob Johnson did a swell job of backing up the line. He seldom missed the ball carriers once they got by the line of scrimmage.

Len Broughton and I. C. Hewgley gave excellent performances while in the game. . . . Bob Bell marked his return by several long and high punts that kept the Bradley safety man in hot water.

THE SPORTING WORLD

George (Jug) Earl and John Troutman, former Trojan stars, played for Chattanooga against Tennessee last Saturday. . . . Bill Badgett, former Trojan captain, played a swell game for Georgia against Mercer last Saturday. . .. It will be interesting to watch the Royal Jewelers, a team composed of former City, County, and Morristown high players coached by Ott Shetterly.

Predictions:

Tennessee to beat North Carolina at Chapel Hill tomorrow, and the New York Yankees to defeat their fellow townsmen, the Giants, for the nickel World Series.

Trojans Battle Dangerous Rhea County Eleven

Visitors Offer Toughest Game of Season for Trojans—Gave County Battle.

BOASTS TWO STARS

In Dodd at Quarterback and Black at Center—Black Lightest Man on Team.

Knoxville high school's undefeated Trojans face the toughest assignment of the year this afternoon when they face a heavy and powerful Rhea county high eleven. The game will start at 3 o'clock at Smithson Stadium.

Rhea County is well remembered by Knoxville fans for their stiff fight against the Central Bobcats two weeks ago. Central high defeated them by a score of 13-0, both touchdowns coming by passes.

The visitors offer a sensational back in Dodd at quarterback. He is an all around man and fans seldom see his equal in the punting department. His long punts kept the Bobcats out of scoring territory throughout the entire contest at Pruden Field. At center they offer the lightest and most dangerous man on the team in Black. In the Central game he was the fifth man in the Bobcats' backfield and made tackle after tackle.

Line-ups will probably be as follows:

Rhea County	Pos.	Trojans
Phillips	L.E.	Alley
Arnold	L.T.	Luttrell (C)
C. Able	L.G.	Yon
Black	C.	Johnson
Solomon	R.G.	Tipton
Ferguson	R.T.	Standridge
Henderson	R.E.	Partridge
Dodd	Q.B.	Broome
Gibson	R.H.	Butler
Ingram	L.H.	Bell
E. DeVault	F.B.	Cross

VOCATIONAL EXPERT SPEAKS IN CHAPEL

Curtis Gentry, head of the personnel department of the city schools, spoke to the students on the importance of choosing a vocation during upper class chapel Thursday.

Mr. Gentry stated that several years back the students of K. H. S. had no one to guide them or help them in choosing a vocation. Now the K. H. S. library contains one of the best collections of books on vocations and jobs to be found anywhere.

Mr. Gentry is willing to help anyone on this subject who will leave his name in the office or have his group teacher to get in touch with him.

Society and Clubs

By MARGARET PORTWOOD

COMMERCIAL club held the first of a series of four meetings Tuesday afternoon in room 200. Ruth Kirby was elected president; Marie Miller, vice-president; Aileen Waisman, secretary; Ruth Lane, treasurer; Irene Brogden, social chairman; Lorraine Gentry, chairman of refreshment committee; and Glena Brobeck, chairman of the pin committee.

The club was divided in two parts and Pauline Witt was elected captain of the yellow side and Irene Cox, captain of the purple side. Each team will strive to raise the membership and at the end of the term. The defeated side will have to entertain the winners.

Plans were made for increasing the membership and interest in the club, and for more attractive programs this year.

The new candidates for membership are: John McLeod, J. C. Buhl, Ralph Lovelace, Marjorie Hebbard, Geraldine Akard, Joel Anderson, E. T. Collinsworth, Guy Yoe, Fish Bolinger, Jean Wayland, Mary Nelle Montgomery, Ethel Whittlesey, Joe Marks, Hazel Hicks, Peggy Elberly, Lucille Higgs, Albert Chesney, Morris Epps.

FRENCH club held its second meeting Tuesday, September 29. Martha Webb, Anne Wray, Alix Smith, and Jeanette Shelton gave a French skit.

"Parlez moi D'Amour" and "The Marseilles" were sung by the group as a whole.

—o—

SEVERAL surrounding schools have invited K. H. S. members of the Open Forum to debate with them.

The Open Forum has applied for a charter to the National Forensic League. If it receives it, it will mean that K. H. S. will be represented at Denver, Colorado in the national contest.

Debates will be held with Newport, Johnson City, Morristown, Athens, and other Tennessee cities.

—o—

SENIOR Girl Reserves had Mrs. C. E. Blee, chairman of the Girl Reserve department of the Y. W. C. A., speak to them Wednesday.

Blanks for membership were given out and the girls requested to fill in their particular interests. Girls wishing to join the senior club are asked to attend three consecutive meetings and if at the end of this time, they meet the required standards, they will receive invitations to become members. The meeting was concluded with a tap dance by Beverly Fischer.

SCIENCE club organized for the coming term in J. C. Lowery's room last Tuesday.

Martha Cavaleri was elected president and J. C. Buhl vice-president.

The members discussed what the functions of the club would be for this term, and the meeting was adjourned.

—o—

RUTH Linke was elected president of the lower class group presidents, and Kenneth Hatcher president of the upper class group presidents, at a meeting Tuesday, September 29.

The P. T. A. campaign for more members was discussed and it was decided for the lower class to be represented by the red side and the upper class by the blue.

—o—

T. N. T. held a meeting Tuesday afternoon to plan the initiation for the following new members: Emily King, Faye Griffin, Barbara Brown, Gertrude Myers, Susan Buchanan, Margaret Portwood, Marian Thompson, and Josephine Coffin.

—o—

TRIALGEO society, presided over by acting chairman Eugene White, met in room 214 Thursday, September 24, to elect officers for this term. A greater number attended this meeting than any held since the club was organized a year and a half ago. The officers elected for this semester are: C. F. Fielden, president; Billy Householder, vice-president; Arthur Peterson, secretary; Hugh Wilson, treasurer; Eugene White, program chairman, and Hazel Hicks, publicity chairman.

The incoming president discussed with the new members the purpose of the club and some of its new rules.

—o—

JUNIOR Red Cross met Tuesday afternoon to elect the following officers: Sara McSpadden, president; Jane Adams, vice-president; and Lucile Ward, secretary.

—o—

ALL clubs of K. H. S. have begun their regular meetings this week.

The club schedule committee of the student council works with the directors of each organization to have a regular day for each meeting.

Meetings are posted daily on the Club Schedule bulletin board in the front hall.

—o—

LATIN club members elected the following officers at their first meeting Wednesday, September 30: Consuls, Eugene White and Anne Able; Aediles, Nadine Wilson, Ed Story, Jean Reeder, and Margery Evans; Praetors, Joel Anderson, Sara Adkins, Martin Davis, and Ed Beeler; Censors, Hazel Hicks and Ruth Wallace; Scribes, John Clark and Betsey Lyon; Quaestors, Billy Essex and Ann Bradley; pianist, Elena Irish; and song leader, Eula Pemberton.

MORE ABOUT
BALCONY DEFECT
(Continued from Page 1)

the balcony hangs, was found to be slightly sprung. The examiners explained that the springing had occurred when the students on the balcony all arose together, causing a great strain at this particular point, and resulting in the tearing sound that was heard."

Mr. Evans stated that the truss was being straightened and steel sustaining rods put in to strengthen all points, and that the balcony would be "doubly safe" when the work was completed.

"However," he continued, "there was really no danger for either those on the balcony or below, but it was something that needed to be found. We certainly won't go back until we receive a clear sheet from the investigators and know that it is absolutely safe."

Group Officers

Miss McLaurin
10-A

Herbert Newman, president; Harriet Roberts, vice-president; Marie Poore, secretary; Claude Phillips, Blue and White representative; Mary Renfroe, Red Cross representative.

Miss Markwood
10A

cord, where they crossed the river on a man powered ferry. Here a comparison was made of the old way of crossing the river when it took around thirty or forty minutes, and crossing now when it can be done in five minutes.

The next trip will be taken within the next two weeks, when they will visit the local weather bureau to study the methods of weather forecasting.

"The most important part of this course is not only learning to know about the world in which we live but also learning to appreciate it," stated Mr. Cuff.

'SUN' EDITOR PRAISES K. H. S. IN ARTICLE

Proclaiming K. H. S. as one of the most vitally important factors in Knoxville's past present and future well being, James H. Bennett, writer for the **Sun**, a community newspaper of North Knoxville, paid attribute to K. H. S. in an article appearing in the **Sun**, Friday, August 28.

In closing the article, K. H. S. was declared a monument to education.

Harry Elmore wants to know who he gave his chemistry book to two weeks ago today.

Ira Stineman Collects 518 Calling Cards

Instructor Has Display Under Glass Desk Top—Dates Back To 1917.

By Wilfred Gillenwater

Did you know Knoxville high school had a school history under glass? No, it isn't in the library. If you pay a visit to Ira Stineman's room you will find an interesting display of calling cards under the glass on the desk. There are 518 of them, all of which were presented by high school graduates. Each term this number is increased.

Among the names are those of former lieutenant colonels of the R. O. T. C. battalion, senior class presidents, editors of both the Blue and White and the Voice. Some of them are prominent business men in Knoxville today.

The oldest member in Mr. Stineman's collection is a man who while prominent today was just another student to the teachers back in 1917. Roy N. Stansberry is one of Knoxville's outstanding lawyers.

"Roy was a pretty good old boy though," said Mr. Stineman. "He turned out to be a Republican."

W. Edward Roefl, who is now with the Fidelity-Bankers Trust company, was editor of both the Blue and White and the Voice.

Herman E. C. Lovelace is now a minister. Marie Smith and Phil Trotter, whose cards are placed together, are now Mr. and Mrs. Trotter. William A. Sample is vice-president of Sample Produce Company. Charles Emilie Kolhase (yes, Charley Kolhase is the same one) starred in the University of Tennessee backfield after leaving high school.

Margaret Preston, former popular high school girl, is now working in the main office of the Lawson McGhee Library.

Edgar Neas, who was president of the orchestra and the class of '35, is now in college. Tom Pressley and Bill Herron, lieutenant colonel and business manager of the Blue and White respectively, were the contributors of the class of '36.
