### KHS Honors AE Program

Miss Emily McLaurin, language teacher at KHS, is chairman of the Knox High American Education Week project committee, and has made plans to place a display of Knoxville High School Trophies and Club Informative material of KHS organizations in George's windows.

#### Many Exhibits Planned

On Miss McLaurin's committee are Miss Chesnutt, Mr. Coyner, and Mr. Sanders. All departments of the school will be represented in this display. Each department will be allowed space to arrange a small display within the large one. Included in the departmental displays will be exhibits on all activities and clubs connected with these departments.

#### Students Help

Many students have helped with this project. A large picture of KHS was painted by David Collins, Jack Simpson, and Rita Green, students in Miss Parker's art class. Lettering for the display was done by Nan Temple and Suzan McCrary.

### Ben Elam Attends SASC Convention

Ben Elam represented KHS at the Southern Association of Student Councils Convention at Oklahoma City on October 19-21.

About one thousand students and sponsors from fourteen Southern states attended.

There were ten discussion groups. The purpose of these groups was to pool the ideas of all the members and to reach a general agreement on the problems that were brought up. Student Council systems used by each school were explained. Point Systems of all types were discussed, but most of them ran along the same line as the one used at Knox High.

#### School Spirit Discussed

After much discussion delegates chose two main systems for improving school spirit. They are: (1) Holding contests as to who sells the most tickets to plays, ball games, etc.; (2) having constant activities going on to create interest and competition.

Delegates were interested in Knoxville High School's Spirit Campaign, and many said that they would suggest a similar contest to members of their councils.

#### Entertainment Furnished

On the entertainment program for delegates was a bus tour of the Oklahoma city, a barbecue, a football game, a square dance, and a formal dance and banquet.

Students of Classen High School put SASC stickers on their cars which meant that they could be used to transport all delegates at any time.

#### Souvenirs Given

Many souvenirs were obtained by the Knoxville High representative. Miniature cowboy pins and vases with SASC, 1950, on them were presented to delegates. Booklets on Oklahoma and Oklahoma City were given to all visitors.

### Neblitt's Six-Legged Bug Wins First Prize of Club

Dorothy Neblitt has been awarded first place for the best bug design entered in the contest sponsored by the Sketchbugs.

Mitzi Greene and Suzanne McCrary placed second.

Pastel chalk was presented as first prize and second prizes were boxes of water colors.

The new design for the club pins and posters is a six-legged bug with a spotted coat, bow tie, and paint brush.

On the October 19th meeting of the Sketchbugs movie slides on famous paintings were shown by the adviser, Miss Parker.

Oilcloth books of rhymes and drawings are being made for the Crippled Children's Hospital.

KHS SENIOR CLASS OFFICERS—Recently elected officers for the senior class at KHS are (seated) Betty McAfee, (left) secretary; and Marian Jo Tapp, treasurer; standing (from left) are Phil Robinson, publicity chairman; Harvey Sproul, president; and Dwight McCawley, vice-president.

### KHS Helps Out French Orphans

Points in the School Spirit Contest are being offered by the Student Council for the orphan project, which KHS has helped to support for four years.

On Monday, November 9, money will be collected in each home group by the Red Cross representative. This student project is carried out through the Junior Red Cross of KHS.

#### Renee is Fifteen

One of the orphans, fifteen year old Renee Joanne Cavarci, lives with her grandmother in northern France. Her father, who helped English and American fliers to safety, died in a concentration camp.

Maria "Mia" Metsemakers is a thirteen year old Dutch girl. Three weeks after the war ended, her father was killed by a land mine, leaving a family of seven to be cared for.

"We are all thankful," said Mrs. Payne, KHS sponsor of the project, "that the last war was not fought on American soil. It is our responsibility to do our small part in caring for these children who suffered so much."

#### Fourth Year of Project

This is the fourth year that KHS has sent money overseas. Fifteen dollars for each girl has been sent every month through the Foster Parents' Plan. The money collected for this month in home groups will be called for during Thursday's chapel-period by French club members who act as treasurer for the Red Cross. For each dollar collected, the home group will be given one point.

"Put another nickle in  
In our little orphan's tin,  
All they want is your good thoughts—  
And money, money, money,"  
sang the sixth period French club during Tuesday's chapel program.

#### KHS Alma Mater

Where the Tennessee is winding  
And the smoky mount looks down,  
Proudly stands our Knoxville High School,  
Bearing nation-wide renown.  
May our love for her never falter,  
May we ne'er have hopes less bright,  
For what to us is dearest—  
The good old Blue and White.

Where scholarship is highest,  
Where athletes meet the test,  
Firmly stands our Knoxville High School,  
Ranking first among the best.  
While hearts are filled with courage  
While arms defend the right  
We'll never stand less staunchly,  
For the good old Blue and White.

### 'Twirp Season' To Invade KHS

Twirp season will open in Knox High November 11 in the form of an old fashioned Square Dance to be held in the KHS gym, and will continue through the following week, ending November 17.

The Square Dance will begin at 8:00 p. m., closing at 11:00 p. m. Mr. Baughn Browder will be the caller for the dances. Mr. Browder will have a four piece band, known as Green's String Band.

Price of admission will be .50 stag, and .75 per couple. Since Twirp means "the woman is requested to pay" the gals will be grabbing dates and coming along to the shindig.

Mr. Sanders stated that he thinks "Twirp season" is a very good idea. This is true especially for the shy boys, according to this English mentor, who wishes that the Twirp idea had been in vogue during his "earlier" years—'cause he was one of "those shy boys".

The girls will be wearing full skirts with sweaters, while boys will probably appear dressed in blue jeans and sport shirts.

SENIOR Y-TEENS—New officers elected are Polly McGill, treasurer, left, and Charlene Campbell, president. Left to right, at back, are Norma Sawyer, devotional chairman; Elizabeth Reed, publicity chairman; and Carolyn McMillan, secretary. Not pictured are Mary Kelly, vice-president; Clara Sue Hendrix, sergeant-at-arms; and Betty Sewell, interclub council representative.

### ROTC Tells Dance Plans

Semi-Annual ROTC Hop  
Will Be Held November 17

Date of the semi-annual ROTC hop has been announced by Captain Jack Bowen, mentor of the KHS cadets, for November 17, at the gym at 8:30 p. m.

Couple or stag will pay .50, with Bill Dexter's band furnishing music for the dancers. The band will furnish music until 11:30 p. m.

Six no-breaks, dedicated to the officers and their dates, who will be the sponsors; to the company selling the largest number of tickets to the hop, and to the non-commissioned officers, have been arranged.

Regular winter uniform, with black socks, black shoes, white blouse, and black ties will be worn by the cadets. Sponsors will be the only girls to wear flowers.

#### Grand March, Big Event

As is customary, the feature of the hop is the grand march. Only ROTC officers and dates participate in this march. The march will be led by Lt. Col. Bill Christenberry and Honorary Lt. Col. Carolyn Crye, followed by Al Lonas and Honorary Captain Adj. Maud Mooney Burke; Captain Phil Durand and Honorary Captain Judy Rorex; Captain Larry Dorsey and Honorary Captain Carolyn Dennis; Captain Jack Brown and Honorary Captain Mary Frerking; 1st Lt. William Downey and Honorary Captain Jerry Whedbee.

### Knoxville Bells Pealed October 24

Bells and whistles rang out all over the world at 12:03 Thursday, October 24. It was a day celebrated by all the free peoples of the world by speeches, by prayers, by singing national anthems, and by ringing of bells.

Students and teachers of KHS recognized United National Day by listening on the radio to speeches by President Truman and General Lucius Clay and then the ringing of the Berlin Bell, which scene was witnessed by 400,000 German people. Small bells rang in the class rooms; some students filed to the campus to hear the sirens, bells, and whistles of celebrating Knoxville.

Of this day, historians will record that it was the first United Nations Day!

#### Locker Key Lost

Anyone belonging to locker key number 1329 please come to B&W room, room 233, to claim it.

**BETTER EDUCATION MEANS BETTER GOVERNMENT**

People, plural of person, means you and I, and our government is an organization of our creation. It is an organization which must have our support and our criticism. We are its master and we are directly responsible for what it does, for all it does is in our behalf.

Years of hardship, experienced by centuries of our predecessors and of which we learn through our history books, plus experience of two World Wars within one generation, have proved that our system is the best yet devised. These same experiences show that the best vehicle for preparing a citizen for his active participation in our government is education, for each person to be schooled is his responsibility to his government. Each generation inherits certain freedoms, rights and privileges, duties and responsibilities, but each member of each generation must be educated so that he may best enjoy, exercise and perform in his inheritance.

Government of, by and for the people therefore is a living thing. It is part of us the same as we are part of it and if it is to continue and improve, we must be informed so that we can teach others. We must perform well our duties and responsibilities so that others will be inspired to study and take an interested and active part in the noblest achievement of mankind.

**WHAT DA YUH THINK THIS IS?**

Heard around the corner:

George: Watcha gonna do tuhorrow night?

Sue: Nothin'. Whyhawantaknow?

George: Don'tcha hava date?

Sue: Huh-uh!

George: Thasa shame. S'long.

And no wonder she doesn't! Who wants to spend an evening trying to understand the mumbo-jumbo of Sue, the Syllable-Slighter?

Well, maybe that illustration is slightly silly, but seriously, do you ever stop to think how you SOUND when you speak? Do you ever, like Sue or George, halfway open your mouth and utter quick sounds?

If you are in the habit of running words together and not using good English because you are in a hurry or maybe you just don't stop to think, then slow down. Many men and women have been refused important promotions and positions in the business world because of bad grammar.

This is National Education Week—so let's all try to be observant of this by speaking more slowly and distinctly, remembering to enunciate each word.

Remember, please, please don't be an S. S.

**QUESTION OF THE WEEK**

By Audrey DeVoe

**Question: How would you like to have Twirp Season at KHS?**

Ronald Perry, 12B: "It's about time the girls put out something."

Ann Chandler, 12B: "I think it would be fine for the girls to ask the boys for dates, but paying is another thing. (Oh, I'm so glad you asked me. I've always wanted to be in Question of the Week. Now I'm famous!)"

Marion Jo Tapp, 12B: "I'm all for that. I'll date a different boy every night."

Mr. M. H. Sanders, (Guard): "I think it's wonderful. I wish it had been popular when I was growing up. After all, I was a bashful young man."

Jimmy Massengill, 12B: "I think it's high time the girls got stuck with something."

Bob Harrison, 12B: "It's about time the girls got somebody's money's worth."

Kaky Arrants, 12B: "Sure thing! After all, they pay for us the rest of the year."

Nat Burkhardt, 10B: "Sounds like great sport."

The Band is going to Louisville, Ky., for the Manual game next Friday night, leaving early Friday morning. After the game the buses will embark immediately for Knoxville—the Band has to march in the Armistice Day parade here Saturday morning. It'll be a long, hard weekend for the Band.

**Tunesters Apologetic**

A lot of people are wondering just what happened to the Band at the Kingsport game. Here 'tis—the hurricane hit Florida that week and the results of that, in the form of rain, hit Knoxville in time to ruin all the Band's practices. On that Friday night, the field was so muddy it was like ice, and the Dobyns-Bennett band didn't help matters any. If our Band hadn't gone on the field they would have been considered "chicken." Since the KHS'ers figured it would be easier to match than lay eggs, they went on the field. Everyone knows what happened—but that is past history. The last three teams on our schedule all have excellent bands, and ours will have to work hard to compete with them. From all indications the stunt for the Young game tonight is excellent; so everybody be sure and be on the lookout for it—you'll enjoy it more that way.

**"D" Company Wins**

**Phil Files Felony**

By Pessa Caller

Phil Robinson, noted musician, speaker, and poet, is suing the Blue and White for \$50,000, because of an "unintentional" mistake this paper made in failing to report in the last issue that he was elected publicity chairman of the senior class. Mr. Sanders and Mr. Turley were reported as being his defense attorneys.

Mr. Robinson, who voted for himself ninety-three times, charged that the Blue and White is being unfair to him because he ran on the RADICAL ticket. "Those CENSORED are misusing the freedom of the press," he said; "I only hope that my defense attorneys may do justice to my case in the coming trial," he continued.

Phil also claimed that the Blue and White, by not publishing more of his articles about (if you'll excuse the expression), Phil Durand, was keeping the truth away from the school. "This, uh person?? is a maniac," said Phil, "and no one is a better judge of maniacs than I am."

Mrs. Byrd, B&W adviser, has failed to comment upon either charge.

A conceited person is one who will break his arm trying to pat himself on the back.

**Around The Halls**

By Shirley Rison

After the holiday last Friday everyone seems to be back at work (or back at school, anyway) and there is a lot to be seen. For instance: Faye Covington swooning over her picture of Robert Myers in the lunchroom; Betty Ballard almost fainting every time she sees Sylvan Brady in the hall; and Fuzzy Brewster borrowing Novia Lowe's or Donnie Odum's shorthand book so she can study before 4th period.

Goodness, there are so many of those cute lil' ole sophomore gals running around. Carolyn Greenlee, Barbara Greenlee, Joyce Vickers, Barbara Underwood, Orine Harvey, Marie Harper, are among those that chose KHS for their school this year.

Couples seen around lately: Faye Belcher, Vaudry Beets; Jewel Mayes, Joe Patterson; Arville Burnett, Karlee Collins; Lula Walker, Madison Brady; Peggy Smith, James Clem; Pauline Garner, Jimmy Clem; Betty Rines, Ray Acuff; Barbara Dew, Jack Fox.

Everyone is wondering what has happened to the romance between Martha Walker and Lawrence Poore.

"I'll Always Love You," Sue Shipe to Jimmy Trent; "My Silent Love," Frances Simpson; "The Things We Did Last Summer," Barbara Bradley and Betty Coffman; "Are You Lonesome Tonight?," (in Ft. Devens) Gladys McCarter to Bill Lane, "I'll Never Be Free" (from Bobby Pack), Celia Evans.

Everyone is certainly happy about the Trojan victory over Morristown last Thursday night. The team displayed determination, cooperation, and fine sportsmanship and they played an outstanding game. We're expecting to see everyone in school out at Duff Field tonight when we battle with the Young High Yellowjackets. It will be a game worth seeing.

That's all for now so I'll see you Around the Halls.

**WHO'S WHO**

By Jo Ann Crawford

**WESLEY FRAZIER**

This week we honor Wesley Frazier, our Cadet Major. This 5'10" black headed, brown eyed, good-looking guy (so Charlene thinks) is really quite a fellow. He is the President of the Honor Society, vice-president of the choir and vice-president of the Hi-Y. Wesley is 17 years old and hails from South Knoxville Junior School. His favorite food is steak with french fries and his favorite song is "Rhapsody In Blue."

Wesley is a true Knoxvillean, having been born, reared and educated in Knoxville. He has held a lot of titles at KHS. Last year he was treasurer of his junior class. He is on the rifle team and also takes part in the Young Life club.

When I asked him what the most thrilling thing was that ever happened to him, he said, "I guess winning the Stone medal was." This really is an honor to be congratulated for. Wesley says he intends to go to college, probably U.T. He is going to major in engineering and physics. He hopes some day to retire on a low wage pension, (and don't we all)?

Wesley is a wonderful person and one to be very proud of, and believe me, Charlene is! We wish the best of luck to you Wesley, in whatever you undertake to do.

**CHARLENE CAMPBELL**

Marching beside Wesley (as close as she can get, and trying very hard to keep up with him) we find Charlene Campbell. This sweet little girl is 5 feet tall, has auburn hair and brown eyes. She holds the title of Honorary Cadet Major and thinks that the most thrilling thing that ever happened to her is being Wesley's sponsor. She confided to this reporter that it was more fun to be his sponsor than just anybody's!

Charlene came from Park Junior to hold the titles of secretary of the Honor Society; president of the Y-Teens; to go as governor to Girls' State in Washington; and to be elected Courtesy Queen last year, as well as vice-president of her junior class. Her ambition is to do missionary work among the negroes.

Charlene's pet peeve is people who say the sponsors don't speak! "That makes me so mad!" fumed the Honorary Cadet Major.

Regarding matrimony, Charlene's ambition is to find the right man—have a family of four children. (This gal has no intention of being an old maid!)

If I may add my own opinion, I think Charlene is one of the sweetest and finest girls I've ever known. She's always helpful and is a grand person to know. Good luck, always, Charlene.

COWBOY LOOP—This KHS foursome last night found square dancing can be as much fun as jitterbugging. From left to right are Virginia Finney, Shields Remine, Carolyn Griffin, Jimmy Cosson.

**Learner Permits Won**

Twenty-seven students in the KHS Driving Course have passed a written test for a learner's permit.

Miss Isobel Butler and Mr. Speaks are teaching the class.

Those who passed the test are: Jesse Busic, Barbara Cahoon, George Cavalaris, Rosemary Cox,

Barbara Dyer, Elizabeth Keller, Alice Keough, Doris Owenby, Ronald Perry, Philip Robinson, Glenda Rogers, Thetta Sparks, Charlotte Stinette, Helen Surgenor, Pearl Gilbert, Jane Mynatt, Mary Mashburn, Wilbur Curtis, Rhonda Lewis, Charla Blair, Ermon Byerly, Jerry Martin, Carolyn Burke, Virginia Bowling, David Bishop, Pat Underwood, and Roberta Bowen.

### Sproul on the Prowl

By Harvey Sproul

Harpin' on Litkenhous again! How in the world does he expect to rate teams mathematically? If one team won every game in the season and another team lost two games but beat the other teams (which were hick teams anyway) by big scores, the team with two defeats would probably be rated ahead of the other according to Lit ratings. Does this seem logical? Well, no other system would work probably. Since we've got Dr. Lit we might as well get accustomed to his system.

Kenneth "Brute" Swafford seems to be setting the world on fire down at Baylor. He has been the stellar player in almost every game, getting much publicity all over Tennessee. At the first of the season he played offense but was soon switched to defense where he is a regular demon. Swafford played second string tackle at KHS last year, seeing almost as much duty as the regulars.

Curtis Brown and Ross Bagwell have a hard time getting their peepers open and getting to practice on Saturday mornings. The coaches were even telephoning home for them last Saturday.

The best wingback in Tennessee—we don't think that is going too far, and maybe not far enough, when we speak of Eddie Taylor. In eight games this season "Speedy Ed" has kept his average well above 10 yards per try. When on defense he seems to cover the whole field at once and if the opponent breaks through, Eddie is usually waiting on him. If "Speedy Ed" ever breaks into the clear, he is usually gone, for he is much more fleet on foot than most players.

Dick Hatcher played his best ball since the Johnson City game during the Morristown fracas. He ran and passed with adeptness which probably has not been seen since he led the Trojans over the Hilltoppers.

The Jonesmen's next game, after the Young game will be Louisville Manual and it promises to be a humdinger. Manual has won eight straight games over some of the best teams in the North and East.

### KHS Ends Rivalry With 19-0 Victory; Corky Leads Blues In Grudge Battle

One of KHS's longest rivalries was ended in a mud-fest when the Trojans kept their win streak going with a 19-0 victory over an improved Kingsport Indian squad.

For the Trojans it was the one team, excepting Central, that they wanted to tromp on substantially, the Indians being the only team to beat a KHS Jones-coached team three consecutive times.

But it turned out that the Big Blue were destined to have a difficult time in subduing the renovated Kingsport team. Their own coach, Howie Bowers, claimed they were 200 per cent better than when they played Chattanooga Central and that Knox High was, in his estimation, two touchdowns better than Chattanooga.

Carl Corneliusen and Charlie Bales again led the Trojan attack, Corky scoring all three touchdowns. Bales hit the center many times and frequently broke through for big gains, especially when the Jonesmen were in the hole.

In the first quarter the Knoxville fans were cheering for a run-away when the Trojans scored two of their three markers. But Kingsport got over their first quarter jitters and held until the third quarter when they were scored upon again.

#### Monroe Blocks Punt

The first score came when Pete Monroe charged through and blocked a Kingsport punt which was recovered by John Hall. Bales and Corneliusen then went to work and, along with a penalty, put the ball on the eight from where Corky scored.

Monroe again set up the next scoring play, recovering a fumble. Corky then swept the end for thirty yards and on the next play

scored through the same spot as the first.

The final touchdown came when a long pass from Dick Hatcher to Buddy Cruze was completed on the 10. Corneliusen came in and slashed his way across from the 3. Curtis Brown kicked only one extra point—after the first score.

Monroe, Hall, Stairrett, Cruze, Fry, and Hankins were outstanding defensively for the Trojan. After the game the KHS players were so elated they carried Coach Jones off the field in a fit of jubilation. It was the seventh straight win of the season for Knoxville and the fifth consecutive unscored upon game.

### Gym Shorts

Aerial darts tournaments will be started in the girls' gym classes soon.

Each team in a gym class has the chance of becoming a participant in this tournament. The team having won the most games in a gym class will play after school. All will be eliminated from the classes except six teams. They will then play for the championship.

All contests are scheduled after 3:30 p. m., according to Mrs. Lines, head of the girls' gym department.

You can talk yourself into most anything, but be sure that it's the good you that's doing the talking.

## Young High Yellow Jackets Aching For Revenge; Meet Knoxville Trojans at Duff Field Tonight

### Trojans Skin Hurricanes

By Gary Adams

With Edwin Taylor paving the way, the Knoxville High Trojans swamped the Morristown Hurricanes, scoring five touchdowns and three extra points against a lone Morristown tally.

KHS held off all Morristown threats until the last quarter, when Hurricane passes finally clicked against the reserves to score the first touchdown on the Trojans in six games.

Taylor, playing a great game, racked up 122 yards against the Hurricanes in 10 tries. Edwin was especially effective on the "Boot-leg" play, taking the ball from Corneliusen and tearing through would-be tacklers for constant gains.

In the first quarter, Taylor, Corneliusen, and Bales drove the ball to the Morristown 17, where Taylor scampered around left end for 6 points.

The outstanding play in the second quarter was end Buddy Cruze's spectacular catch of Hatcher's long pass for another Trojan score.

Corneliusen turned in a great play in the third period. Reversing his field, Carl plowed through the Morristown forward wall and ran 42 yards to score. Dick Hatcher switched from passing to running and with the help of Hankins and Taylor, moved the ball deep into Hurricane territory. Hatcher then drove over from the four to bring the total to four touchdowns.

Pass Fools Trojans  
A Morristown pass from Cunningham to Spoon fooled the Trojan defense and Spoon appeared headed for pay dirt. Sub halfback Vernon Romines overtook Spoon on the 18, saving a score on KHS. The Trojan defense stiffened to turn back the Morristown threat.

Pete Monroe came into the lime-light in the last period, blocking a punt and falling on the ball when it rolled behind the goal. A desperation pass by Morristown was complete from Cunningham to Lingerfelt who ran the ball to the one. Dalton then went over on a quarterback sneak.

On the line, Fry, Stairrett, Goins and Bingham were standouts.

On the line, Fry, Stairrett, Goins and Bingham were standouts.

### B-Team Slashes To Decisive Win

Following a victory by their "big brothers" the KHS B-team slashed to a decisive 13-0 win over the Kingsport B-team on a reverse by wingback Vernon Romines and a dive over the line by M. H. Laney.

Although both teams were hampered by slightly wet ground the Trojans were clearly the superior in both offense and defense. The longest run of the day was a reverse by Romines for over 35 yards for a touchdown. Spears completed a pass for the extra point.

#### Laney Dives Over

The Little Trojans stayed in Kingsport territory most of the game but frequently lost and then regained the ball on fumbles. Finally in the third quarter KHS got close enough to the goal for M. H. Laney to dive over the middle for the final score. A pass from Spears was incomplete on the try for extra point.

Tampa, Yearwood, Simpson, Waller, and Bush led the line play for the Little Blue.

### Taylor Continues Leading In Big 5

By Gary Adams

Still leading the Big 5 in yards per carry is KHS wingback Ed Taylor. Edwin has lugged the ball 471 yards in 47 tries for an average of 10 yards per try.

Dick Hatcher's record of 17 completed forwards for 284 yards is the best among Knoxville competitors. Dick's average in passing is 16.7 yards per pass. End Buddy Cruze is tops in pass receiving. Cruze has gained 207 yards via forwards and is far ahead of the runner-up Johnson, of Central, who has gained 139 yards.

Carl Corneliusen tops the list in punting. Carl has booted the ball 18 times for 629 yards, an average of 34.9 yards per punt.

Young High's Bob Carroll leads in punt returns,

Aching for revenge, the Young High Yellowjackets take on the Knoxville High Trojans at Duff Field tonight in a battle that could have much to do with the city and state championships.

The Trojans have won eight straight games without a defeat or a tie. They have two wins against no losses in city play while Young has two wins and one loss. If Young wins it would give the Yellow Jackets at least a tie for second place, and in the event that Central defeats the Trojans, the status would give Young undisputed possession of second spot.

That's just what the South Knoxvilleans are aching to bring about. Last year Knoxville knocked Young out of the running with a close 20-14 victory, highlighted by two long touchdown jaunts by Ray Byrd. KHS then went on to defeat Central and take the city trophy. Young hasn't forgotten.

#### Jackets Tough

"Young High is no push-over," commented Coach Jones. "They are perfectly capable of beating anybody. This was demonstrated when they beat Chattanooga Central which is one of the best teams in Tennessee and the South."

Bob Carroll of Young is leading the city in punt returns which will make plenty of danger for the Bluemen. They have a hard-fighting fullback in Red Kelly, and one of the best centers in East Tennessee in Bob Reese. Much of the hope of the Jackets is centered on Reese as they go about the business of stopping the Trojan victory-string.

## Fashion Flashes

By Mary Lee Rule

(Answers at end of column)  
This week's Fashion Flashes is going to be a little different. As you know, it is always the fashion to wear a great big smile so let's see if you can guess who these ever fashionable people are—

1. Who is a pretty brunette with clear blue eyes who always finds something nice to say about everybody?
2. Who is a cute lil' girl from Fairfax with brown tresses and freckles (just a few) who is always laughing?
3. Who is a good looking gal from Christenberry everyone thinks is so cute?
4. Who is one of the sweetest girls you know—always saying the right thing at the right time?
5. Who is a darlin' blonde whom everybody knows and everybody loves?
6. Who is the girl whose name is a synonym for sweetness?
7. Who is a cute little girl who is as friendly as they come?

### No Fair Peeking

Though I know you won't have to read the answers because I gave too many hints, here they are—the "winnahs" and still top champions!

No. 1—Emily Tester; No. 2—Sandra Davis; No. 3—Barbara Davis; No. 4—Sue Burchfield; No. 5—Ross McNutt; No. 6—Kathryn Andes; No. 7—Shirley Van Pelt.

There are others whose smiles are wonderful.

Bye now an' be good.

John Peter Zenger, early New York editor, was jailed in 1734 for his criticisms of the royal governor.

### Collins Makes Posters

David Collins is representing Knoxville High School in a city-wide art campaign for American Education Week.

David worked out the design for the 320 posters made by students in the art department. He also worked on the exhibit to be put in George's window.
