'The Thing' Is Identified At Last by KHS Students

Lassies—Grab a Date and Come on Out;
'Enjoy the Last Senior Mixer', States Prexy Sproul

1951 Senior Mixer will be held tomorrow night, January 27, in the KHS gym, from 8:30 to 11:30 p. m.

The theme will be "Tennessee Saturday Night", with Bill Pollock using his sound system, playing all the popular tunes of the day and some of the old favorites of yesteryear. Five no-breaks—one dedicated to each of the senior class officers—will be played.

Philip Robinson has written a song to the music of the "Thing" which he hopes will be a plug for the Mixer. The words are as follows:

As you are walking down the hall
Each bright and sunny noon,
You will see a note that says,
A dance is coming soon;
Please think to stop and read it
through,

If you're a lad or lass,
For you'll discover a Mixer to
Be given by the senior class.

The moral of this story is
You'd better not be late—
Grab yourself a handsome boy
To be your darling date;
Put fifty cents into the pot
And vote for the queen and king,
Thus you'll find out on Saturday
night—

The Mixer is the "THING"!

Boys running for "King of the Mixer" are: C. L. Huling, Don Southern, George Szabo, Frank Stansberry, Hugh Lindsay, Eddie McMillan, James Goins. Lassies trying for the Queen are: Martha Mills, Paula Hoke, Pearl Gilbert, Sue Gray, and Molly Roehl. Votes will be cast upon entering the door.

Games will be ping pong, cards, checkers, bingo, etc.

Chaperones for the Mixer are Mr. and Mrs. Tapp, Mr. and Mrs. J. M. McAfee. Mr. Sanders will be doorman.

Harvey Sproul, senior prexy, says, "This will be the best Senior Mixer ever if all the students, especially the seniors, cooperate by coming. For any bashful lassies who are afraid to ask that cute little boy in their English class, we are urging them to buy a stag ticket and come on. The more girls who come stag—the easier it will be for the other girls to get their beaux no-breaks."

NOTICE

January 27 is the last day to order Senior announcements at Josten's.

Senior Chapel Held

A special upper class chapel was opened Wednesday morning by Mr. C. S. Montgomery.

An announcement was made by Phil Robinson concerning the Senior Mixer. Dwight McCawley and Phil sang a commercial on the same topic.

Senior Prexy Harvey Sproul then took over as master of ceremonies. He introduced John Trent, Inter-Church Council, Ruth Ellen Kelly, vice-president of YWCA, and Dick Gamble, co-captain of KHS track team, who gave their personal testimonies and urged all the students to go to the Methodist Youth Revival, being held at Central Methodist Church.

6 of the 53 Groups Have Completed Their Payments On the Last KHS Trojan

Members of the 1951 annual staff wish to express their appreciation to the seven out of fifty-three groups that have completed their payments for the Trojan. They are as follows: Dempster, McLaurin, B. E. Sharp, Brewer, Jobe, Hayhow, and Parker.

"This is only a small percentage of the groups in KHS and the Trojan would appreciate it if the other groups would get their paid subscriptions in as soon as possible," stated Gordon Ruckart, co-editor of the Trojan.

FTA Holds Initiation

February is the month of initiation for all new members in the F.T.A. This organization is still looking for new members.

On Monday night, January 29, the F.T.A. members will be guest on a program given in the KHS auditorium. Miss Catherine Allen, who recently returned from Pan-America will have charge of the program. Along with the F.T.A. will be the Spanish Club.

This program is opened to the public. Everyone is cordially invited to attend this program.

A Day in the Life of Knox High School Teachers

In all fairness, we should give credit to teachers for our outstanding scholastic abilities. We know that teaching is a bed of roses even though there are one or two thorns.

The student views school life through the eyes of an oppressed soul. Just to give the underdog a new slant on his educators I would like to present a picture of school life as the teacher lives it.

Day Begins
A teacher's day begins at various times in the morning. If the teacher is one who looks forward with happy enthusiasm to grading some 500 English themes, he will be up in time to wave goodbye to the stars; otherwise he may sleep lazily until the day threatens to pass him by at 6:30 a. m.

"A teacher must never be late to school," is the first rule in the teacher's handbook, sent free with a \$1.25 teaching degree ordered from Sears and Roebuck. (Teachers have come to arrive at school ahead of students in order to avoid mass riots, broken windows, splintered seats, and well thumbed grade books.)

Is That So?
To the teacher a day in school is just one pleasant round of amusing events after another. A favorite game played by most

Autry To Appear At U-T on Feb. 15

Chief Tony White Cloud and a group of authentic National Indian Dancers, tribes of the New Mexican Pueblos, will appear on the program with Gene Autry when he comes to the University of Tennessee auditorium for two performances on Feb. 15, according to Elizabeth Frost, president of the University YWCA, and co-chairman of the show.

Different Style Dancers
To go with the different style dances, there are different costumes which are made entirely by hand by the Indians themselves. There is the Buffalo Dancer, the Eagle Dancer, the Horse-Tail Dancer, and the Hoop Dancer.

Also sharing the bill for honors with Autry will be Smiley Burnette, comedy singing cowboy; Rufe Davis, "One Man Barnyard Symphony"; Eddie Peabody, "King of the Banjo," and Judy Clark, singing comedienne.

GS Hold Supper On January 22

Jessie Dempster's Girl Scout Troop No. 11 met on Monday, January 22, 1951. Since the church was to be re-modeled soon they had sandwiches and drinks for supper with cookies for dessert.

After supper they had a devotion by Gwen Brooks. Following devotions they had business during which they discussed the results of the planning board meeting. Lucy Scroggie led the discussion for ideas for the senior rally. Swimming at the "Y" was also brought up during the meeting.

The Friendship bags were brought up also. Everyone was urged to get theirs made and turned in immediately. Near the close of the meeting they received an invitation to come to Helen Pickell's wedding.

The next meeting is to be held at the home of one of the members.

The cooks for the meeting were Mary Jane Pruitt, Bobby Thompson, and Betty Turner. Clean-ups were Mary Jane Pruitt, Patsy Payne, and Mary Jean Yarnell.

Thespians Are To Present 'Ramshackle Inn' Feb. 1-2

The Play is a Fast Moving and Delightful Comedy with a Thrill and Two Laughs a Minute

Ramshackle Inn, the first Thespian production of the year, will be presented February 1st and 2nd in the KHS auditorium, under the direction of Miss Ruby Bird, dramatics director.

Thespians Audrey DeVoe and C. L. Huling play the leading roles as Miss Belinda Pryde, an old maid librarian, and Patton, the criminal caretaker of Ramshackle Inn.

Tenth Grades Win In Highest Honors

Tenth graders have more highest honors on the third term report than any other class. Total number of KHS highest honors is 61, of which number 25 are 10th graders.

Highest honors in the 12th grade are Marjorie Arden, Charlene Campbell, Carolyn Clark, Marilyn Clark, Jane Cotton, Phil Durand, Wesley Frazier, Mary Frerking, Molly Heins, Virginia Hutchison, Mollis Ingrain, Anna Ruth King, Charlotte Lobetti, Suzanne McCrary, Jimmy Massengill, Dorothy Neblitt, Philip Robinson, Judy Rorex, Frances Slaughter, and Laura Sue Smith, and Bill Christensen.

Those making highest honors in the 11th grade are: Arnold Bucove, Florence Burnett, Vivian Byrd, Nancy Crosley, Carol McIntyre, Carter Miller, Carolyn Mitchell, Eugene Moore, Charles Moser, Max Ogle, Bob Ryan, Ted Simpson, and Ronald Stone.

The 10th grade highest honors are Barbara Barnard, James Allen, Bill Raymond, Sue Biggers, Virginia Bird, Celeste Brichetto, Suzella Burns, Eugene Cox, Bruce Foster, Barbara Grenlee, Nancy Halliburton, Lucille Heap, Jody Hodges, Virginia House, Kay Jones, Retta Kelly, Martha Jones, Roberta Lonas, Carol Mynatt, Shirley Nicely, Robert Reeverts, Martha Riggins, Betty Prater, Lucy Scroggie, Nancy Walker, and Paul Wooten.

'Put A Little Money In the Orphans' Tin'

Collections for the KHS adopted war orphans will soon be rolling on the ball.

Theme Song:
"Put A Little Money in the Orphans' Tin"

Mrs. Payne said that KHS students have always rallied to the cause of the orphans and she is counting on the same results for the remainder of the school year—the last opportunity that will be offered at KHS.

Wesley Frazier as Bill Phillips and Jean Adams as Mary Temple supply the romantic touch that every play needs. Gilhooly (Newell Anderson), a dumb cop, helps the constable mess things up. Another corpse is supplied by Walton Rawls as Mr. Temple, the town banker. Dwight McCawley makes his second appearance as Fred Porter, and promptly gets a bump over the head. (Poor guy. He never gets to show his acting ability.)

Ramshackle Inn could well be the hit of the year. Everyone who comes is bound to enjoy it.

'Pay Up-Join Up'

Adviser Jessie Dempster of the Hiking Club is now urging any KHS student who is interested in the Hiking Club to talk to her in room 219 regarding membership in the club. Students have from time to time asked to join this club and according to President Tim Prater and the adviser this is the specified time for taking out membership. Students were not allowed membership after the rolls for the Fall semester were closed as members voted it was unfair to paid up members to enroll students until Spring semester due to "money considerations."

Little Willie has always said He's going to be a teacher. Of his ambition he's not afraid, But what if there's a Willie, Jr.

Sproul on the Prowl

Bill Arnold won by fall over Bill Porterfield of Middle Tennessee State Teachers College when the Knoxville "Y" wrestlers took on MTST Arnold, junior from KHS, was entered in the 123 pound class. Bob Crittenden lost his match, a close decision.

John Fine won his match in the 157 pound class by 10-6.

Eighty-one entries have already been received for the 1951 News-Sentinel Golden Gloves Tournament. However, at least 120 are expected before January 31 when the tournament starts at the Chilhowee Sports Arena.

The Sentinel has been featuring a column by Dr. Max Gabe, Golden Gloves instructor, for several months. As a result, more interest than usual has been raised and much really good talent has been working out at the YMCA. Teams from Oak Ridge and Gatlinburg will enter as well as squads from other regions. Tickets are already on sale and many tickets have been sold.

Gatlinburg's main entry will be, of course, an Ogle. Willie Ogle, really a top notch fighter, is trying to come down from the middleweights and make the welters. That would put him against dynamite-loaded Ott Smith from Oak Ridge, last year's champ who went to Nashville. If that happens, you can really expect a whale of a fight. John Rogers, 1950 lightweight champ, will be back; Buck Hall, a slugger from Burlington, and John Berrier will be featured.

Dean Helton and Larry Littleton head a talented group of lightweights. John Rogers, open lightweight champ last year, will be out for the middleweight title.

Reliable Motors is running away with the Men's "A" Division City League. Southern Bell Telephone is second. These teams play some really good ball, most of the players being former high school and college players. It is the best free entertainment in town.

Steins Clothiers is leading the National Junior League with the Boys' Club close behind. These teams meet again this week and it can determine the winner of the first half. John Hall, Glenn Shirley, Bill and Bob Blackstock, Gaines Morton, and Buddy Tate play for Steins. Walt Leonard, Boys' Club, is second high scorer in the league and Harry Spears is fourth.

Bob Henry of Kelly Furniture Co. is leading American Jr. League scoring; J. D. Ammons is second and Ronald Perry is third; Frank Warner is fifth. All of the boys are either members (I hate to say "students") or ex-members of KHS.

Now, don't everybody get all excited because we lost another game. After all, it was only by one point. We're going to play all of these teams again (except Catholic) in regular season play. We can get revenge after we have had experience. That Kingsport game was in the bag. They just lucked up in the last twenty seconds. It's better to win last than first—and you can't win all.

Another crack will be had at Chattanooga Central next Tuesday afternoon right after school. They have a good center in Tom Poe and three good guards in Bobby and Dickie Salley, and Bucky Shamburger—all specializing in teamwork. But the Trojans can beat them if they get in the proper frame of mind and want to win. KHS has improved since the last meeting and will have a better chance.

They say that we were robbed up at Kingsport. The game was over and we had won when the Indian coach stormed on the floor and said something. The referee then ruled that there were still 7 seconds to go. During those 7 seconds a Kingsport player scored 2 points, was fouled while doing so, and made the free throw to win the game. The referee must have had a good reason to say that there were still 7 seconds to go; but we don't understand it.

Cruze Tops 'B' Team Scoring

By scoring 28 points against Rule, Buddy Cruze pulled into first place in "B" team basketball scoring. With a total of 109 points in twelve games, Buddy averages over 9 points a game.

Tommy Ayers is running a close second with 101 points, and Louis Neyland is third with 96.

Other high scorers are Robinson with 82, Eddy Taylor with 81, Carl Corneliussen with 70, and Lockhart with 64. Rounding out the scoring are Scruggs, 46 points; Bayless, 44; Foster, 16; Hamilton, 15; and Lobertini with 9.

People who know everything have got a lot to learn.

BULLETIN!

Bob Fry, tackle and captain of the last Knoxville High School football team, signed a grant-in-aid with the University of Tennessee just before the varsity game between KHS-Rule last Tuesday night. Chan Caldwell, U. T. assistant, witnessed the signing. Fry joins another All-State team man from Knoxville, Jay Sentell, who has already signed. It is believed that the signing of Fry was delayed because of his injury received in the Central game.

Trojans Face Bobcats Tonight Before an Expected Full House

Central Slightly Favored Because of Better Record; Biblemen Out to Repeat Football Team's Triumph Twice

Hall Leads Byington by 9; McKinnon Holds 3rd Place

A-Team Scoring
Captain Bill Hall continues to lead Knoxville High School varsity scoring with 184 points. This is an average of 12.3 points per game compared to his 11.7 average of last week.

J. D. Byington gained on Hall from last week's standings now having scored 175 points, only 9 points behind Captain Hall. Byington has an average of 11.7 markers per game.

Barry McKinnon, running mate to Hall, is third with an average of 10.6 out of his 151 points.

Testerman Pulls Ahead
After being 6 points behind in the last count, Kyle Testerman, southpaw forward, pulled ahead of Dewey Thomas by a meager 4 points. Kyle now has 105 points to sew up fourth place, dropping Thomas to fifth with 101 points.

Other high scorers are Pete Monroe, who is no longer on the squad, with 61 points; Pat Scruggs with 26, and Buddy Cruze with 34.

Indians Eke Out Win Over Trojans; Hall Rings Up 22

By Gary Adams
The Kingsport Indians eeked out a 68-67 victory over the Biblemen Friday night before a packed gym of 1,900 frenzied fans.

The Trojans seemed to have been victims of foul play. The deciding point was an after game foul shot by Bobby Bedford. After tying up the game 67 all, Bedford sank a charity toss for the winning tally. The victory was the 11th in 12 starts for the Indians and the sixth straight.

Although trailing 15-4 early in the game, the Trojans put on steam, closing the gap to one point by half-time. They led by 54-53 going into the final period.

Joe Burke was high scorer with 24 points and Bedford aided the cause with 18.

Captain Bill Hall was top man for the Blues with 22 points. Testerman followed with 15 points and Thomas and Byington with 13. McKinnon finished the scoring with 4 markers.

Athletes Will Be Eligible In One Zone Only

In order to distribute the athletic program evenly, the Tennessee Secondary School Athletic Association has zoned the city of Knoxville.

High school athletes with participation records will be eligible to participate in athletics only in the zone where they live.

Those students who wish to go to a county school will not be eligible for athletic participation for one year, unless such families move to the county.

These rules were set up to cover the problems that may arise over the breaking up of Knox High and Stair.

Board Names Zones

The Association Secretary, Mr. A. F. Bridges, states, "As far as TSSAA is concerned, Knoxville High is not being disbanded. It is being continued by the new schools and it will be left up to the City School Board to draw up zones for the new schools."

According to unofficial estimates, Fulton will have the largest enrollment, around 1100. There will probably be 700 students at East, 500 at West, 800 at Rule, and 300 at South Knoxville.

To be intelligent is good; to have common sense is golden.

To know better is one thing; to do better is still another.

Knoxville High School came way out on top in the final football game with Central, but with two teams of almost the same caliber it will be a different story tonight when the Trojans play the Bobcats at the Central gym before an expected full house.

Led by Billy Mac Lovelace, high scoring forward from last year's team who has been changed to center, the Bobcats are out to avenge the two point defeat the Biblemen handed them in the finals of the 1950 district tournament. Central has only one defeat out of 15 starts. Catholic High, one of the three teams that have beaten KHS, beat Central.

Lynn Johnson and Billy Marks, along with Lovelace, have been compared with the best prep players in the state. Although not great in height, these two guards make up for it with their play-making and scoring abilities.

Coach Lloyd, Central tutor, also has several outstanding reserves. One is Buddy Helton, star tailback on the Bobcat football team.

SOCIAL HIGHLIGHTS

Congratulations to all you seniors who graduated at the term. And just think you other seniors, you only have to struggle one more semester and you'll be graduating too.

Senior Mixer Comin' Up

One of the main events this week-end will be the Senior Mixer tomorrow night at 8:30 in the gym. Let's all come out and have lots of fun. Don't forget to support the queen and king of your choice.

Turning real "Frenchie" tonight will be a group of "funny" (?) boys. Skits are to be given by that well known comedian Don Ferguson and the rest of his cast—Ronnie Brackney, Chester Phillips, Paul Sisk, and Earl Street.

Tonight the E.P.E. house will be a replica of one of Reno's famous gambling places. These red and white boys plan to spin the wheels.

Congratulations to re-elected sweetheart, Eleanor Riggins. Also congratulations to Curtis Brown who is now a member of this "swanky" club. Rumors are flying for sometime around the first of February.

Felicitations to the newly elected one and only little "Duchess" who is helping make plans for a party February 2, at the A.T.O. house. The new members of this club are: Jimmy Walls, Bill Wallen, and Ernie Luttrell.

Red and white pledges are sending out invitations now to boys for their party on February 3. When the boys arrive at Martha Riggins' home they will be given heart shaped puzzles to work. On the puzzles is the name of their dates. Another group of pledges will have a party February 3. On February 17, this same group of girls will have their annual dance at the Rec Hall. "The theme is a secret," said Clara Slack.

An after-the-game party on February 9, is to be given by the Blue and Gold girls. The club's formal is dated for April 27, at the Rec Hall.

Martha Entertains

Last Wednesday a group of girls were given a buffet supper by Martha Mills at her home. After the supper, officers were elected.

Terry McNew's joke turned into a nice party. "Terry kept kidding me about having a party for him," said Sara Buckner, "so I decided to give him a surprise party. He really got a shock when he walked in and was greeted with 'Surprise!' We had a cake with 'Party for Terry' written on it."

A slumber party was given by Betty Williams at her home on January 19.

After skating, the girls went to Agnes Vaughn's home for refreshments. Later they returned to Betty's for the slumber party.

Decorations and music at the "shining armor" boys' formal ball last Saturday night at the Rec Hall followed the theme "Thinking of You". After the dance, the boys and their dates had breakfast at Regas' Restaurant. Officers and their dates were: Hugh Lindsay and Carolyn Burk; Frank Kurkowitz and Hulinda Tapp; Bob Harrison and Frances Slaughter; L. B. McClary and Carolyn Crye; Al Lonas and Maud Mooney Burke.

Other members and dates were Paul Clift and Alice Keough, Ronald Stone and Rhetta Kelly, Dick Gamble and Helen Baker, Bill Rook and Barbara Davis, Johnny Lykens and Frances Seaver, Buddy Dougherty and Jo Ann Rhegness, Bob Copeland and Jane Cotton, Donald Nelson and Ellen Ann Lyle, Charles Durham and date, Tom Matthews and Betty Hodges, Raymond Bell and Mona Roe Weaver, Frank Blacket and Virginia House, Wendell Wyrick and Barbara Crawford, Sammy Essary and June Gentry, Fred Hankins and Carolyn Dennis, Ray Loy and Wilma Irwin, and Jimmy Smith and Nancy Haliburton.

Six new pledges to the green and white club headed by Martha Shippe will be initiated Saturday night at a slumber party at the home of Jeanette Roy after the Senior Mixer.

Frenchmen To Give Command Showing At UT, Jan. 31st

Knowing the "stellar" qualities of the French Club members, KHS students may not be surprised to hear of a command performance to be given at the meeting of the University of Tennessee's combined French Club on January 31st at U. T.

The program, according to French Club Adviser Payne, will consist of a play, "The Lost Necklace" by Guy deMaupassant. The third period French club of Mrs. Payne will present the play. Kay Hays will play the part of the rich lady, and Jim Trent will play her husband. Mathilda will be played by Patsy Brown.

Another number on the program will be "Le Vie En Rose" to be sung by members of Les Cercles Francais.

The KHS French Club members will have a sneak preview of this program on January 30—sounds big time stuff to this reporter—a la Baltimore and New York.

Frenchies Challenge

French Club basketball players have challenged Spanish Club Roundballers to a game of roundball—date is to be decided upon.

Upper classmen may recall that last year's game between these "hotblooded" players was won by the Toreadors over a very scrappy set of Les Miserables in the boys' game and Mrs. Payne's Madamoiselles defeated Miss McLaurin's "Senioritas."

The players on each team announce that more news of this tangle will be forthcoming.

New Twins Enter KHS

By Kay Hayes

Remember the Keenans, the Pickells, or the Archers? Yes, all had one thing in common—being twins. Well, we now have another set—the Grove twins, Nora Lou and Willie Sue who hail from Byington. The gals entered KHS for the Spring Semester.

Both are sixteen—naturally; both are juniors—naturally; and both are taking the literary curriculum—naturally.

Don't Be Confused

You may become confused the first few times you see them, because they are identical. Blonde, small, and pretty describes them very accurately. There are ways to tell them apart if you're observant. Look at their hands—Willie Sue wears a birthstone on her left hand and Nora doesn't.

There are other differences, too. Future plans don't include twin careers. Willie plans to be a nurse and Nora has a stenographer's job in mind. Both are interested in music. . . Nora is taking voice lessons and Willie plays the piano. Both girls like almost any kind of sports.

Here's another interesting fact: they are related (as cousins) to J. D. Byington, our basketball player from Kentucky.

Frances Whaley, Jack Wilbanks, and Tommy Wilson.

Jenabeth Simmons, Patricia Watkins, Barbara Hamilton, Betty Lynn Green, Nancy Chrestensen, Ruth Adams, Lillie Capps, Trula Cockrum, Doris Cornn, and Martha French.

Fashion Flashes

By Joyce Groseclose

This being KHS Teachers' Week, I think some special notice should be given to the outfits of some of our favorite "learners."

In the Music Department we find "Pop" Hamilton in a gray suit and a blue tie with gray cartwheels on it (or either the painter was dizzy). Also in the Music Department is "Sweater Boy" Scarbrough in a flesh-colored sleeveless slipover.

The very famous resident of room 234 looks real "snazzy" in his purple spotted tie; his rival who lives in room 214 is runner-up in his gray tie boasting a red design.

On down the hall we find Miss Butler in a very becoming brown suit and tan blouse. Another becoming ensemble is Miss Evans' gray wool bolero suit worn with a red long-sleeved blouse.

Athletic

In the athletic department Mrs. Line looks might "sporty" in her yellow corduroy skirt. Coach Sharp is really a dazzler in his dark blue suit—it sets off his blond (?) hair. Mr. Petree isn't in his second childhood — his tie just happened to have a tricycle on it. Saddle oxfords seem to have some kind of hold over Mr. Montgomery but I think he looks real cute in them.

Students were shocked the other day by Mr. Sanders' shocking pink socks.

Getting down to more serious things, Miss Thompson was seen in a navy suit, white tailored blouse with a red carnation at the throat. These colors are not only patriotic, but they definitely set off Miss Thompson.

The matron of room 233 looked especially cute parading around in Journalism class, in the pink and blue house shoes she received as a Christmas present.

I would like to leave you with just one thought—our wonderful teachers should be appreciated all year long—not just during Teachers' Week.
