Campbell Is DAR Winner

Runners-up Are Burros, Parrot, and Sawyer

Winner of one of the most coveted awards of Knoxville High School, the D.A.R. Good Citizenship Award for seniors girls, is Charlene Campbell, who, from a nominated group of 47 girls received the highest number of student votes. The three runners-up were Barbara Burros, Burney Parrot, and Norma Sawyer.

Charlene was selected on the basis of the citizenship traits of dependability, leadership, and patriotism.

Landslide Vote

"The purpose of this contest is to increase interest in good citizenship by choosing the outstanding girl citizen from the senior class. All seniors voted on any girl of their choice. After votes are counted, the senior faculty and principal cast their votes for the students having 10 or more student votes. However, in this case the teachers felt that their votes were not necessary as Charlene was way ahead in the student votes," stated Miss Edith Horton.

Group Nominated

The 47 nominees include: Jean Adams, Pat Brown, Sue Burchfield, Barbara Burros, Carolyn Burke, Maude Burke, Marilyn Bryant, Myra Corkland, Anne Chandler, Charlene Campbell, Marilyn Clark, Carolyn Crye, Helen Collins, Carolyn Clark, Audrey DeVoe, Carolyn Dennis, Nancy Davis, Nan Dunaway, Anne Fitton, Mary Frerking, Sue Gray, Pearl Gilbert, Nancy Hamilton, Virginia Harper, Doris Huggins, Alice Henley, Mary Kelly, Anna Ruth King, Kay Maples, Ann McAfee, Martha Mills, Betty McAfee, Polly Powers, Burney Parrott, Virginia Ragsdale, Phyllis Rogers, Judy Rorex, Norma Sawyer, Frances Slaughter, Clara Slack, Bobbie Smith, Marion Jo Tapp, Elizabeth Taylor, Bobby Thompson, and Pat Underwood.

SC Backs Contest

"Value of Friendship in School Life" is the topic for an essay contest that is being sponsored by the Student Council to start immediately and to close Monday, February 5, winners being announced in B & W on Friday, February 9.

Prizes will be awarded in two divisions, by grouping the 9th and 10th grades together in one group and the 11th and 12th grades in the second group. First winner in each group will receive two dollars and the second winner in each group will be awarded one dollar.

Words Limited

Gary Adams, Student Council president, said that the Council has decided that the papers submitted in the contest must contain between 200 and 500 words; each essay must be typed or written in ink; essay must be written on only one side of the paper.

The essay papers must be headed with entrant's name, class, and English teacher.

Winning essays will be used on the chapel programs on February 13th and 15th, unless announcement contrary to this plan is given by Miss Galbreath.

No member or former member of the Student Council will be eligible.

Style, originality, and content pertaining to ideas that students might really apply in their own friendships will determine the merit of winning essays.

Art Students Try Out For Nat'l Art Society

Art students interested in being elected to National Art Society must have an exhibit of ten pieces of work in three media completed by the first week of March.

The best work will be chosen by three judges. From April 15-28, the winning exhibits will be shown in the University Fine Arts Building. The students whose exhibits have been named outstanding will be announced as the new members of KHS Art Honor Society in the April 21 Blue and White.

The Annual Knox High Senior Mixer was held Saturday evening. Left to right are senior officers of the '51 class: Dwight McCawley, Harvey Sproul, Betty McAfee, Marion Jo Tapp, Philip Robinson.

2nd Mixer To Be Held March 10 in KHS Gym

In response to student demand, publicity chairman of the senior class, Phillip Robinson, has just announced that a second senior mixer will be staged in the school gym on the evening of March 10, at 8:30 p. m., girls again being the "invited".

Many of the same features that proved so popular will again be on the entertainment program with the introduction of ideas that have been suggested by officers and students.

Mr. Sanders, class adviser, has given his sanction to the idea with Mr. Evans' approval.

Both Mr. Sanders and Mr. Evans feel it wise to make one proviso that must be met if the Mixer is to be given. This is it: Advance ticket sales must be large enough to cover all costs before the event can be finally approved.

"Class officers are very anxious to hear from students who have clamored for a second Mixer," says Chairman Robinson. He further requests, "Will all organizations composed of High School students check their club dates to see that the calendars are clear for the night of March 10th. Only in this way can a successful evening be accomplished. Furthermore, will you gals pounce on the date list of your boy friend and sign him up for March 10—KHS gym—8:30 p. m."

Neblett Shows Films

The Sketch Bugs recently attended an exhibit of prominent American artists at the University of Tennessee Library.

The first prize is a silver loving cup, inscribed with the winner's name. Second is an engraved medal, and third is honorable mention. Winners will be guests of the Jaycees on March 4th at Brown's cafeteria when the first prize winner, senior high division, will be asked to read his essay to the Jaycees if time permits.

Ann Robeson Enters KHS

Fairfax Hall has forfeited another "Miss" to KHS. Ann Robeson is her name; her eyes are blue, her hair is brown, and she herself occupies the space upward of exactly five feet and six inches. Her reply to the question what do you think of KHS, was: "It's quite a change being in classes with boys again, but I don't exactly dislike it."

"Stardust" tops her hit-parade. Her favorite pastime is playing a ukelele and eating spaghetti and meatballs.

'Beware of February 8; This Is A Warning'

By Myra Corkland

This is a warning! Beware of February 8 because on that date the Senior Class chapel program will be offered for inspection and from the number of "surprises" listed on the program I make no promise as to what may meet your eye and ear. The program is well under way, so I hear.

Class president Sproul will announce the numbers on a program that is said to have what will please the lovers of both stunt and long-hair programs.

Music, Music, Music

Male and female vocalists will offer solos and duets; a "surprise" orchestra number is listed; a "surprise" piano-voice arrangement is to appear; instrumental solos are numbered.

We upper classmen seem to be in for a few "surprises".

Personally, I am wondering what the class directors and "Red" Sanders have hatched up for us.

Remember, I am warning you in advance.

MY GREATEST AMBITION

One thing I want more than anything else is my high school diploma; the knowledge that it represents. I understand that everyone who receives a high school diploma does not have that amount of knowledge that the diploma represents. This is perhaps due to the fact that the student isn't in school really to get the most out of it, but is here because he or she has been forced to attend classes or is indifferent to the opportunities our fine schools afford. I am glad to say I am here because I feel the need of an education, and hope it helps me to contribute to and enjoy the best of the things of our wonderful world.

"MAN'S WORD IS GOD IN MAN"

Are you a person that can be trusted? Are you a person that can be believed? The world is in such a state today that it is hard to find many men that are truthful to the very end. Your word should determine your character, the trust of your friends toward you.

Let your conscience be your guide! You can always feel it in your heart when you have said something you shouldn't have. And you will always regret it. The feeling is in your soul because God is in your soul. If He isn't you will find yourself saying things that aren't pure and wholesome. Try then to realize that you should try to find the Right Way. And remember, "Man's word is God in Man."

—Ellen Ann Lyle

WHAT IS YOUR FUTURE?

Have you planned your future for next year? I know most of us have, especially the seniors, but my question is, more or less, for tenth and eleventh graders.

The reason I ask this question is because we, as tenth and eleventh graders, still have one or two years of planning and training, and in my mind wonderful years.

Entering in new schools we will be given the privilege of being one of the first classes to graduate. It is, therefore, our duty to make of the schools what we can. We also have a chance for better education, meaning, in this respect, a chance for more personal training, since the population will be lowered considerably.

So let us, as tenth and eleventh graders, promise, to the best of our ability, to make these schools some of the best in the south, no matter which one we enter.

Let us remember, as we leave Knoxville High, that "The old order changeth, yielding place to the new."

—Nancy Barrow

GOODBYE KHS

"The old order changeth and time waits for no man." We of Knoxville High School are going forth next year to face strange surroundings, some new teachers and new methods. We will be in entirely different environments. Most of us will leave KHS with a feeling of regret and sadness, but we must remember this change is an advancement for our benefit. We must meet this challenge with courage and high hearts and a resolve to take advantage of all opportunities that come our way. We must keep the pace of the times or be left stranded by the wayside.

Newell's Nuts

By Johnnie White

"What is home without a mother?" the young man said. "Well," replied the sweet young thing, "I am tonight."

In the parlor there were three She, the table lamp, and he; Three's a crowd there is no doubt, So the little lamp went out.

—The Harr-O-Scope

Three small boys were taken to the director of a local playground. He asked what they had done.

"I threw peanuts into the pool," answered the first lad. The director said he would excuse that, but he was not to do it again. The second boy answered, "I threw peanuts into the pool." The director said, "Well, just don't do it again."

He turned to the third boy and said, "I suppose you threw peanuts into the pool, too."

"No, sir," answered the smallest of the three, "I'm peanuts."

Joann: "Knock, knock."
Johnnie: "Who's there?"
Joann: "Kilroy."
Johnnie: "Kilroy who?"
Joann: Kill Roy Rogers; I'm Hopalong Cassidy."

In second period English George Caldwell was copying spelling words from the board, when he stopped and asked for the meaning of word "9" which was "usurp."

George: "What does that word u-s-u-r-p mean?"

Bill Stonecipher, waving his hand wildly in the air: "When you eat pancakes you use syrup."

Fashion Flashes

By Joyce Groschlose

"Shocking is just the word for all those loud shirts flashing around KHS. Seen sporting these are: Don Greely in a bright red and still brighter green plaid; Bill Neese in a novel half-red, half-blue combination; "Doc" Simpson in a wine, blue and white plaid.

Wearing the all time favorite corduroy we find: Carolyn Clark in a black shirt and yellow matching blouse. Diane Templeton looks especially cute in her wine corduroy dress. Another cute corduroy is Joyce Nighbert's red jumper. Joan Burchfield has been seen wearing a cute multi-colored corduroy weskit.

Nothing can take the place of "jersies". Contributing to this statement are: Edna Davis in a red, Marilyn Myer in a green, Vera Haile in a blue and believe it or not, Carl Louison in a purple turtle necked jersey.

Pat Helme's rose sweater really sets off her dark hair and eyes. Some more pretty sweaters have been seen on Shirley McNutt (wine), Pat Kinzel (orchid), Barbara Carter (orange), and Carolyn Griffin (white).

Sleeveless sweaters seem to be gaining popularity among KHS boys. Seen wearing some "snazzy" ones are: Bill Williams, Harvey Sproul.

The "Thing" might have been identified as the Senior Mixer but I think it could be the shoestrings worn by Joe Harb, Richard Yearwood, Bud Grissom, and last but not (?) least, Frank Jones.

More Honor Students

In printing the names of the pupils making honors, the Blue and White last week unavoidably omitted these students: Highest Honors — Nancy Brock, Patsy Brown, Ann Kemmer. Honors— Sallye Block, Cameron Brackney, Marilyn Bryant, Catherine Buckner, R. N. Bullard, Maud Mooney Burke, and Barbara Burros.

Around The Halls

By Jo Ann Crawford

Hey, there, did you know that the ole' love bug is really bitin' people! Why it's not even time for him yet — but you surely couldn't make Betty Mooney believe that. The football she wears around her neck proves it. When you ask her whose it is, her eyes light up and she shyly says, "Ray Byrd's." Ray and Betty really hit it off together as a good-lookin' couple.

Crutches hinder some people, but not Joe Proffitt! He's still No. 1 on Betty Hodges' "Hit Parade". In this case they're both lucky!

Edna Lowery Writes

I have a complaint from Edna Lowery's teachers. They just can't seem to get her attention because she is always busy writing to that sailor of hers. Looks like Ray will have to wait until after studies, Edna.

Another bloomin' romance is that of "Hutchie" Henry and Bill WALTER. I hear they have been dating quite a bit lately.

Girls Receive Gifts

If you were eating lunch about 12:00 at table 6, you would see a group of girls gabbing away. You could not help but hear Betty Plummer bragging about that new watch that some boy named Charles sent her. Then you would hear a yell from proud Pat Underwood — what has she got to be proud of? Well, it's that beautiful record player David Bayless bestowed upon her. Next, Doris Gal-

yon joins in and insists that the radio-clock Ray White gave her is the nicest! They're really lucky gals.

Why is it Betty Lebow is always late to 5th period Spanish class? Reading that note she's received from David Arnold?

Basketball

Since the basketball season began crowds of Knoxville High students have been seen at Chilhowee Park. Among this cheering group is Bobbie Keller who watches no one but her favorite "feller" Scoop Collins. Seen also were Charlotte Carey, "Bootie" Jett, Donna Gardner, Patsy Pettit, and Nancy Warwick. Wonder who their "prince charmings" are? Carolyn Crye surely does attend KHS' basketball games regularly. We wonder "who" her favorite attraction is?

Golden Gloves

The Golden Gloves Tournament is upon us, and seen practicing for it were Douglas Wylie and Adele Weber, R. N. Bullard and Kaky Arrants, and (in rehearsals for Ramshackle Inn) Wesley Frazier and Jean Adams.

Random Thoughts

Seen day-dreaming in second period Assembly Hall: Jo Ann Buckner. That Dickie Wilson sure has her mind whirlin'. Dotty Brandau has been receiving a lot of mail lately. Charlie Burros keeps her busy answering his letters.

Well, that's all for now. I'll be seeing you Around the Halls.

WHO'S WHO

By Bill Searle & Newell Anderson JIM SPEARS

Jim Spears, our head janitor, came to KHS in 1931, and "here he has stayed". While attending Austin High he met the girl he later married. He has four children, two sons and two daughters, the oldest being 18, the youngest 10.

According to Jim, the boys and girls never change except they start in school earlier than he did. He says that although the teachers may be rough on their pupils, they have always been swell to the janitors.

We quote from Jim, "W. E. Evans is the swellest boss in the school system. Don't know where he will go from here, but I'd like to go with him."

Jim says that although he doesn't know what will happen to KHS, it would, with a few repairs, make a good hotel. He says the building is very hard to clean because of the crooked floors and rough walls and he will not be sad when he has to leave. Jim loves old KHS and has 20 years of memories to take with him.

By Patti Batchelor BEATRICE SMITH

This week we interviewed one of the cooks who keeps us "fat and happy". Beatrice Smith has been here in Knoxville High School longer than any other cook. For twelve years she has been fixing good food for our lunch. Before coming here she worked in private homes around Knoxville. She has found that she enjoys working in cafeterias best.

Mrs. Smith can prepare any kind of food well (reports Mrs. Sobolewski, cafeteria head) but meat is her favorite dish. Turkey and dressing, steak, and wonderful chicken pie with pastry rate high with her.

Church work is Mrs. Smith's main interest. She has taught a Sunday School class at Calvary Baptist Church. Sacred songs are her favorite music.

Her pleasing personality and faithful service have made her a head cook in our kitchen. We give her our many thanks for all the good food and best wishes for the future.

Good luck, Jim. We are all for you.

Mutiny on Bounty Today's English Movie

Mutiny on the Bounty, starring Clark Gable, Franchot Tone, and Charles Laughton, is today's feature at the "Assembly Hall Theatre".

Showing with this great movie is a short, Brazil, Tropical Lowlands of the Amazon. The first performance will start at 8:45. English students will fill the "theatre" during the day.

Mutiny on the Bounty tells the story of two young Englishmen, Franchot Tone and Clark Gable, who, in search of excitement, enlist in the navy. They become crew members on the mysterious ship, "Bounty". Charles Laughton plays Captain Bligh, a thoroughly unpleasant person. He is cruelty personified, and needlessly goads his crew to mutiny. The men are pushed beyond their endurance, and when far out at sea they seize the ship, setting Captain Bligh and his few companions adrift.

Jolly Time

When order is regained the crew proceed to the South Pacific where they have a jolly old time. Meanwhile the captain has managed to return to London to tell his tale of woe. The Admiralty sends for the crew to come home and face the charges against them. In the famous trial scene filmed in a navy courtroom, Bligh is dishonored.

Fourth period Spanish class is 100% in the club. Other McLaurin tutored classes number 85, while Mrs. Bishop's classes number 26 in the club.

February 15 Is Date

"I urge all Spanish members to hold afternoon of February 15 open to attend the first Spring Semester club meeting," said Miss McLaurin.

Nominees

Bob Ryan, Harold Richard, Diane Templeton, Joan Burchfield, Jim Redding, Carolyn Scruggs, Peter Cason, Janice Schubert were all nominated for office, but bowed out in the final count.

Group Officers

Shirley Bradley, Shirley Breed-en, Jackie Breeding, Celeste Brichetto, Thurmond Brock, Shirley Brummette, Buddy Bruce, Barbara Buckley, Jo Frances Bryan, Bill Burger, Nat Burkhardt, Bill Burnett, Eleanor Burnett, Evelyn Burnett, Tom Brummette, Betty Burns, Suzella Burns, Thula Burns, Sandra Brown.

Trojans Hope For Victory Over 'Nooga

By Gary Adams

Fighting for revenge, the Trojans will take on the strong Purple Pounders of Chattanooga Central at 3:30 today. The Biblemen suffered their first loss of the season at the hands of the Pounders by a four point margin, 54-50.

After dropping a decision to Central, the Trojans will be hoping to regain the victory road with a win over Chattanooga.

The game can be expected to be filled with excitement and hard-playing, so let's all turn out and cheer our boys on.

Ayres Jumps Ahead With 118 Markers; Hits Against Cats

By Gary Adams

With 118 points for the season, Tom Ayres leads the Knoxville High B-team in the scoring column. His average per game is over 9 points.

Ayres

Tom's highest scoring game was against Central High, when he scored 17 points to lead the Trojan attack.

Closely challenging Ayres for top spot is Buddy Cruze. With 109 points, Buddy has an average of over 8 points per game. Running a strong third is Lewis Neyland with 106 points for the season.

Holding down fourth place is Robinson with 92 points, followed by Eddie Taylor with 87. Completing the scoring are Carl Corneliusen with 76 points; Lockart with 64; Scruggs with 56; Bayless with 45; Foster, 16; Hamilton, 15; Lobertini, 9; and, Wolfenbarger with 3.

Lovelace Leads Bobcats To Win Over Biblemen

Knoxville High Trojans suffered their fourth defeat of the season Friday night. This time at the hands of the Central High Bobcats by a 54-41 score.

The Biblemen were off their game. Central took advantage of it and led throughout the game.

Billy Mac Lovelace played one of his greatest games, scoring 18 points against the Trojans. The Cats displayed precision teamwork. They seemed to do everything right.

Bob Knickerbocker and Lynn Johnson were standouts for Central, scoring 10 points each.

Captain Billy Hall led the losers with 10 points. Hall was a constant scoring threat during the game. Buddy Cruze tallied for 7 points. Dewey Thomas and Barry McKinnon six each and Kyle Testerman four.

Bible's Comment

Coach Bible commented after the game, "Central has a great team—one of the best I have seen this year. Our shooting was off tonight and when that happens you just beat yourself."

"B" Team

The Knoxville B-Team scored a victory over the Baby Bobcats 63-34 with Ayres leading the way with 17 and Scruggs, Robinson, and Neyland with 10 points each.

It is because nations tend to stupidity and baseness that mankind moves so slowly; it is because individuals have a capacity for better things that it moves at all.

Hall Still Leads; Approaching 200 With 194 Points

Leading the Knoxville High School scoring parade again this week is Captain Bill Hall. Captain Hall is approaching the 200 mark with a total score of 194 points. His average is 12.1 per game.

Still holding down second position is six-foot, five-inch J. D. Byington, Trojan center. J. D. has racked up a grand total of 183 points for the season. This is an average of 11.4. Both Byington and Hall conceivably have outside chances of hitting the 300 mark by the end of the regular season—only seven games away.

Barry McKinnon has scored 157 points to sew up third place by a long shot. "Bulldog" has not been hitting the bucket up to par in the last few games, but still he boasts an average of 9.7 points per game.

Only two points separate the fourth and fifth high scorers who are Kyle Testerman and Dewey Thomas, respectively. Testerman has 109 points compared to Thomas's 107.

Complete varsity scoring and averages follow:

Player	Points	Average
Hall	194	12.1

Teachers Have Unknown Records; Were Formerly Sports Minded

By Joe Moore

As you do or don't know this is Knoxville High School Teachers' Week. This being the case, we thought it a good idea to put the spotlight on a few of the more sports-minded members of the faculty.

It seems Miss Naberhius, typing teacher, has gone in for most of the sports. She was the Woman's City Champion in tennis in 1946-1947. In Miami while she was in high school she and her partner won the state doubles champion-

I'm sure all of the cadets will agree with me when I say, "The ROTC instructor staff will seem empty when outdoor drill begins and we have no 'Pappy Haynes' to drill the first platoon." But don't feel bad, he is said to have been roaming around in the Armory with civilian clothes on.

According to Captain Bowen the inside classes are expected to be finished in the next six weeks. Only one third of the classes have been finished to the present date.

sproul on the prowl

To all boys 18 years of age or thereabouts: There's one thing about the infantry—you can't be threatened with anything worse! But don't worry; now they're arguing that 18 year olds are not mature enough (ha! ha!).

Everybody be sure to matriculate over at the gym this afternoon at 3:30. Our local heroes are engaging Chattanooga Central in a basketball duel. If we can't beat Chattanooga in population, maybe we can conquer in basketball (even though they beat us in the first meeting earlier this year).

Prediction: KHS 51, Chattanooga 46. We'd hate to have to eat these words; so come on basketball team, loosen up and play like you really can.

We don't quite understand how the KHS B-team can win by such lop-sided margins and then the Trojan varsity lose to the opponents by 2 or 3 points.

The Knoxville B's won over the "Baby Kittens" 63-34, but Central beat our A-team 54-41. We beat Kingsport's and Catholic's B-teams by substantial scores and yet lost the A game. We suppose there must be a reason for KHS to beat the B-teams one year and then next year lose to the Varsity made up of boys on last year's B-team, but we haven't found a really good one yet.

ship. She coached the KHS Boys' Tennis Team for three years until Coach Bible returned to the halls from World War II. She still plays tennis along with a little badminton.

When Miss Weigel, geometry teacher, was interviewed, she claimed she had done nothing in sports. She finally acknowledged playing tennis and badminton in high school. She never won any honors as she never had time to try for them. She is still sports-minded, as she attends all of Tennessee's football games and most of Knoxville High's.

Miss Weigel "sicked" me on Miss McDougall, biology teacher. The latter also played tennis. She won the Woman's City Championship one year; and after a bit of coaxing she divulged the fact that she won the Woman's Tournament at Whittle's in her second year of playing golf.

Mrs. Mellen, English teacher, hails from Indiana, the birthplace of basketball. There she was taught by her brothers, who were All-State players, the one hand push shot which is her specialty. She played on her high school and college teams, and had great success.

So, hats off to those just mentioned, and to the numerous others of the faculty who have done something besides study how to torment unsuspecting pupils.

The present entire coaching staff was retained at Rule.

Trojans Slip By Improved Bears On Slim Margin

The Knoxville High Roundballers squeezed out a 62-60 win over the much improved Rule Golden Bears last week.

The victory was number 12 for the Trojans against three losses. A full house at the Knoxville gym was kept on its feet most of the second half by the hard-fought battle.

The Golden Bears carried the game to the Trojans, but the Biblemen played hard and eeked out a two point victory.

Bell Scores 32

Tiny Bell led the Rule attack with an amazing 32 points and was high point man for both teams. J. D. Byington paced the victorious Trojans, pouring 16 points through the hoop.

The Trojan "B's" copped the opener 70-23. Buddy Cruze almost equalled Bell's total in the B game swishing the nets for 28 markers.

Jones

Coaches for the West High staff are now in consideration and will be selected at the next Board meeting.

Jones Is Supervisor

Jones has been and will continue to be physical education supervisor for all city schools as well as his new job which will be to cooperate all schedules for the high schools and to supervise use of Evans-Collins Stadium. Evans-Collins will be used by all high schools.

Meaning of Word 'Friends' Studied By Journalists

By J.O.—M.L.R.—J.C.

If you think about the word "friend" long enough, a great deal may come of it. Taking the letters individually we'll try to show what we mean.

"F" is for the fun that comes out of being with your friends.

"R" might stand for the reliability that you put in your friends—they are always right around so you can turn to them when needed.

"I" is for the ego part of it; or your side of friendship—you have to help, too.

"E" is the everlasting part of friendship. Once you make real friends you will probably keep them all your life.

"N" is for the naughty tricks you sometimes play on friends—maybe in fun but maybe hurting your friend. "Do unto others as you would have them to unto you."

"D" is for dandy talks and exchanges of confidence that you enjoy with your real friends. Such times form outlets for our ambitions, our emotions, and other feelings.

"S" is for the social activities you share with your friends. There are social cliques which are not good, but then again, maybe they are not bad either—always people are thrown together, and in small

Do These Hobbies Still Interest 10th Graders?

By J.O.

These students, while in the 9th grade, gave the following hobbies as their chief interests. We wonder if they have done any more toward developing these hobbies.

Among these we find that: Ann Roberts likes collecting fancy or unusual paper napkins; Bill Satterfield, loafing around; Roy Nelson, trick roping and whip cracking; Bill Fox, collecting girls' pictures; Carolyn Craig, writing friends in other countries; Nancy Lobetti, collecting old money; Betty Burns, horseback riding; Frances Gamble, collecting salt and pepper shakers; Betty Berry, collecting miniature horses; Raymond Loveday, fishing and playing golf; June Burnette,

bunches or cliques where one deals with different types of people and this teaches us how to get along.

SOCIAL HIGHLIGHTS

By Jean Brooks

No news is good news they say, but that doesn't apply to this column. If everyone will turn in his club news to Room 233, we will have plenty of news in this column from now on. Now that the commercial has been given, we will turn to the news.

New Pledges

The first party for the new green and white "Dee" pledges Phyllis Rutherford, Kay Love, Barbara Ruckart, Gaynelle Prather, Willie Sue Grove, Nora Lou Grove, and Carlee Collins, will be a Sweetheart party Feb. 10. Skits, games, and refreshments will follow a Valentine theme and a King and Queen will be chosen from those attending. Martha Shipe, "Dee" president, has announced that the annual dance will be held April 27.

Elections

Those "Charming" girls have elected new officers, a sweetheart, and a best beau. They are: President, Jean Sutton; vice-president, Jean Brooks; secretary, Shirley Crawford; treasurer, Shirley Pitts; social chairman, Dorothy Moody; sergeant-at-arms, Ima Lee Stooksberry; sweetheart, Jimmy Faddis; best beau, Bill Hall.

Rummage Sales

Rummage sales are next on the agenda for those girls wearing the "High Hats", the "Teens" whose favorite colors are green and white, and the "Charm" girls whose colors are red and white.

Coke Party

Junior Y-Teen president Kay Love will welcome new Junior Y-Teens at a coke party to be given at the home of Y-Teen adviser Mrs. W. A. Arrants, 1810 Yale Avenue, at 4:30 Monday, Feb. 5. Club plans for the future will be discussed.

A group of "Debs" are going to be busy getting ready for their coming parties.

On February 9, they will have a slumber (?) party at the home of Marion Jo Tapp.

February 16, the "Debs" will entertain with a party at one of the fraternity houses. Before the party, members and dates will attend the Knoxville-Central basketball game. Skits will be given by members at the party.

Also, in the future, the "Debs" are looking forward to their dance on April 27. Plans are still in the talking stage.

New Officers

New officers of the "shining armor" boys are: president, Bob Harrison; vice-president, Hugh Lindsay; secretary and treasurer, L. B. McClary; social chairman, Bob Copeland; chaplain, Dick Gamble; sergeant-at-arms, Frank Kurkowitz, and Paul Clift.

Plans are being made for a "comic strip party" in the near future.

The Funny Boys elected new officers. Don Ferguson was re-elected president. Other officers are Chester Phillips, vice-president; Harvey Sproul, secretary; Donn Southern, treasurer; Bill Countiss, publicity chairman; Ronnie Backney, chaplain; Earl Street and Paul Sisk, sergeant-at-arms.

A plain old Valentine Party on February 9, is the first shindig planned by the new administration. Also planned are parties on February 23rd and somewhere around April 1st, which will be the "All-Fools' Day Party."

Devoe Takes Exact Aim of Huling's Head In First Performance

By F. D.

Eeeeeee—K! Who hit C. L. Huling over the head with a bottle again?

The Thespians will give the first show of a two night run in the KHS auditorium tonight. If the cast can last through the weekend another performance will begin at 8:15 Monday night.

Those suffering worst from this exhausting play are the ones who subject themselves to Audrey Devoe's "banging bottle", which she wields with a fiery violence.

Carolyn Dennis has become quite good at fainting off and on throughout the evening. Johnnie White thoroughly enjoys her hysterical scene and puts her all into it, while Jean Adams shows her acting abilities as she rushes terrified from her room screaming about a strange man who is climbing in her window.

In this play even the bodies, Dwight McCawley and Walton Rawles, are lively, popping up now and then at the most inconvenient times. R. N. Bullard and Newell Anderson wear themselves out carrying bodies around and arguing with Audrey. Betty Moody tears herself away from C. L.'s grasp so convincingly that he is speechless with astonishment. Martha Walker is very smart in addition (concerning cases of liquor). Gilbert Oxendine feels very left out of all the commotion, but no one ever has time to explain the situation to him.

From the screaming, gun shooting and general confusion seen in chapel, we can assure you that this play will satisfy all your desires for excitement.

Time is what you take, not have.

Curiosity can be a joyful or deadly thing.

Knox Frenchies Lead U-T Event

Wednesday evening the KHS and University of Tennessee French Clubs met together in the Ayres Hall auditorium, KHS Frenchies being in charge of the program.

"The Lost Necklace," a famous short story by Guy de Maupassant, was presented as a play "en Francais" with Patsy Brown, Jim Trent, Kay Hayes, Patti Batchelor and Zoe McPherson as actors.

Comedians (?) Charles Moser, Jone Vestal, Nan Temple, Sandra Davis, Barbara Adkisson, Bill Searle, Frank Jones, Eugene Fair, and John d'Armand demonstrated what progressive education can do for a French class.

The French version of "La Vie En Roses", led by "Professor" Oxendine, was sung by the fourth period French class.

The U.T. French Club served refreshments. KHS club members received Student Council credit for attending the hour long program.

McCawley Blanks At Senior Mixer; Crowd Craves 2nd

By Frances Slaughter

CRASH! BAM! ALAKAZAM!!! are the three best words I can think of to describe the '51 Senior Mixer. The Mixer was a grand success and everything went off smoothly, except, of course, Dwight McCawley forgot (some memory) to get a gal to dance his own no-break, "The Tennessee Waltz", but latched on to a girl near the end of the piece.

All the lassies got their aids no-breaks, yet as the tunes rolled around, the couples with whom the exchanges were made had vanished!

Sue Gray and Humphrey Stansberry were crowned King and Queen of the Mixer. Frank, although large enough to protect himself, was rather backward about coming forward to collect his prizes for being the most popular and well-liked boy of the Mixer.

Luck or What?

Dick Gamble certainly was winning an awful lot of Bingo. Was it (?) luck, or does he just love to call out that two syllable word, Bingo!

On the whole, everyone agrees that this Mixer was the best ever, and hate the fact that it is the last. Look up March 10.

Pearls Insured?

It's a fact—valuable jewels have been lost right here at KHS every day and no one thinks much about it. No detectives lurk in the halls and no effort is made to recover the swag—for, you see, the victims just don't seem to realize the seriousness of their loss; they won't for several years, perhaps, and then it will be too late.

There are about 50,208 of these valuable pearls belonging to the 1,569 pupils now attending this school. Some of our most forward-looking members have taken out the best possible insurance; they see their dentist twice a year and keep their valuable items—their teeth—in good repair. They hold an insurance policy—a dental certificate—and probably will be privileged to attend the special entertainment (for Gold Stars only) on May first.

This is National Dental Health Week. Are your pearls insured?

Sharps and Flats

By Shields Remine

Mr. DeRobertis has divided the Band into a concert ensemble which meets each Tuesday and Friday at the regular band period, and a large concert band which meets the other three days. New music has been received by both groups.

"Love That Music"

The concert ensemble has a new folio which includes many famous favorites for a concert band. In separate music, they have the famous "American Patrol," "Victory and Fame March," and many other favorites. The large band is practicing "Stars and Stripes Forever," "On the Square," and "Sharpshooter's March." You students will be hearing the two bands soon in chapel.

Rogers & Hammerstein

Not to be outdone, the Orchestra has received a book of Rogers and Hammerstein's favorites. Songs from South Pacific, Carousel, Oklahoma, State Fair, and others are included. These tunes, coupled with some Jerome Kern favorites, will provide excellent chapel music in the near future.

FLORIDA CRACKERS COME

Phyllis Rutherford is a cute lil' gal hailing from Jacksonville, Florida. "I like KHS mainly because the people are so friendly," states this five foot five inch blonde. She is in Miss Tatum's home group. She, a junior, entered KHS for the first time last Wednesday with her brother Jimmy—a senior.

Jim is in Miss Sweeney's group. Come June, he hopes to carry away a paper under his arm and wear a black cap with a tassel along with a big crowd of other 1951 seniors from vanishing KHS.
