Big Game Tonight With Central In KHS Gym

KHS Observes Americanism Week

JC's Will Give Last KHS Team Loving Cup Encounter 'Cats As First Prize

'Americanism' Contest of Three Departments Sponsored by JC's

In connection with Americanism week the Knoxville Junior Chamber of Commerce is sponsoring a three-division contest on Americanism including oratory, essays, and art posters, with a silver loving cup as first prize.

This contest is open to all Junior and Senior High School students in Knox County. The first division is oratory. The subject is "Americanism — Democracy Beats Communism." Mr. C. S. Montgomery is in charge of all entries.

In charge of the essay division is Mr. A. L. Jobe, head of the English Department. Essays may range in length from 500 to 600 words. The subject is also "Americanism - Democracy Beats Communism." Students participating in this contest are working through their English classes. All entries should be submitted to the English teacher for selection by Friday, or at the latest, Monday. The essays must be in Mr. Jobe's hands by Tuesday.

"Americanism-Liberty and Justice for All" is the theme of all posters submitted in the art division under the direction of Miss

Requirements Are Few

Essays may be hand written or typed, double spaced, and on one side of the paper only. The name of the contestant and school will be covered for the judging.

Prizes will be awarded in each division. A silver loving cup with the winner's name inscribed is to be given as first prize; an engraved medal is second prize; and third prize is honorable mention. Winners will also be guests of the J. C.'s at a luncheon on March 4, at Brown's Cafeteria.

Spaniards Meet For Entertainment

KHS Spanish Club held its monthly meeting yesterday, Thursday, in the Assembly Hall.

They heard a piano solo by Barbara Davis and a vocal duet by Ross McNutt and Diana Templeton. The girls sang "La Maquinita", which translated means "Little Engine".

Guest speaker was Professor Robert Avrett, professor of Romance Languages at the University of Tennessee, who spoke on Argentina. He was loaned by the State Department as Director of Cultural Institute for a year and a half which he spent in Argentina teaching English.

President Appoints Committees

President Ross McNutt appointed six committees as follows: Program Committee: Mary Floyd Henry, chairman and Bob King; Refreshment Committee: Joe Moore, Sara Buckner, Bill Rook; Publicity Committee: Dick Miller, Suzanne McCrary, Jack Simpkins; Sports Committee: Betty Lebow, Frank Kurkowitz, Robert Reeverts; Blue and White reporter: JoAnn Crawford; Pianist for club: Catherine Cook, Barbara Davis,

and Phoebe Preston. There was a big discussion and great excitement about the big game that the Spanish and French students are planning. Look what is in store:

Teacher of Month Is Montgomery

Mr. Charles S. Montgomery, Social Science teacher at KHS, was selected as "Teacher of the Month" by members of the Future Teachers of America.

Mr. Montgomery has taught in Knoxville High School for more than 20 years. He teaches Senior History, Psychology, and Sociol-

Born a Hill-Billy

Hampton, Tennessee, is Mr. Montgomery's birth place. He received his B.S. degree at East Tennessee State Teachers College, and his Masters at the University of Tennessee. Before coming to Knoxville Mr. Montgomery taught and held the position of principal at several schools in upper East Tennessee.

Mr. Montgomery is married and has one child, Jim, who attends U.T. Mrs. Montgomery often substitutes in KHS.

Does Everything

Extra - curricular activities for Mr. Montgomery, include working with the Boy Scouts; sponsoring many school activities such as Hi-Y club, KHS annual, and the Literary League. He handles the debating team during State-wide League Contests every spring.

In the fall Mr. Montgomery was chosen Citizenship project sponsor for KHS. This project was a part of a national experiment on Citizenship in the schools. He used his third period American History Class as the project group.

Friendship Tea Is Given For New Students at KHS

After school Wednesday, a Friendship Tea was given in the library by the Student Council for the new students in Knoxville

The guests were welcomed by Gary Adams and Barbara Burros. The new students introduced themselves and gave the names of their former schools.

The program consisted of a humorous reading given by Barbara Barnard entitled "Tom-Boy;" "The Thing" was sung as a duet by Paul Baker and Leon Cochran.

After the program refreshments of punch and cookies were served. The refreshments were served by Jo Ann Ellis, Carolyn Cross, and Catherine Cook.

My Friend Irma, March 1 and 2

"Masqers' production of 'My Friend Irma' is well under way," says Miss Ruby Bird, dramatic adviser of the Masquers, "and March 1 and 2 have been chosen as play nights.'

Some cast changes have been made. Richard Rhinelander will be played by Curtis Brown; Winnie Turner will be taken by Anne Kimmer; Jane Stacy by Nancy Crosley; and B. K. Abercrombie by Bill Christenberry.

Irma, heroine (if you wish to call her that), is played by Janet Long; Professor Kropotkin will be portrayed by Gilbert Oxendine; Mrs. O'Reilley by Jo Ruth Clai-borne; Madame Magda by Pat Kinzel; Teddy by Harold Prichard; Al by Karl Liberman; Dan Turner by Phil Robinson; and, Mrs. Peterson by Carol Mynatt.

The play is full of interesting characters. Madame Magda (Pat Kinzel) carried fleas around in a box! In another extremely funny scene one of the fleas seeks refuge in Prof. Kropotkin's (Gilbert Oxendine) beard.

In a battle of wits between the Professor and Mrs. O'Reilley-Jo Ruth Claiborne—the air is full of lightning.

Next Monday tickets for the play will go on sale by all members of the Masquers.

Founders To Be Honored Feb. 21

At the February meeting of the KHS P-TA to be held on Wednesday the 21st, founders of the local chapter of the P-TA will be honored with a tea to be held in the small auditorium.

Junior P-TA members will be in charge of the program for the February meeting which will also recognize all past presidents of KHS P-TA.

On the program Kay Love will speak on "Founders' Day"; Mr. Evans will introduce founders of the Knox High P-TA who can be present; devotions will be in charge of Margaret Trotter.

Panel Discuss A special panel prepared for the program will be under the supervision of Mr. Montgomery on the muchly discussed question "Should 18-Year Olds Be Drafted".

Following the business session and the program numbers, a tea honoring all founders of the Knoxville High P-TA will be given.

Washington Has Done It Again

By Joan Crawford Hack! Hack! Hack!-"Timber!",

called little George Washington as the cherry tree fell. So you never told a lie, huh? It's really too bad we can't all say that.

You know, Mr. George was quite a man. Born in 1732, he was often called "Father of His Country" because he was the first president of the United States. Not knowing his birthday, he picked February 22nd, and I imagine he still celebrates it wherever he is right now-heaven, we are sure.

Most people don't really know the story behind the cherry tree but if you'll all gather round and listen real close, I'll tell you the surprising facts.

Not Quite Perfect

Now almost everyone thinks George was nearly perfect—but he wasn't! In his youth he would run through the forest singing a naive little song and chopping on every available tree.

There was a big oak that stood (Continued on Page 4)

Three winners in the Student Council essay contest on Friendship have been announced by Miss Galbreath, SC adviser.

Three winners writing on the subject "Value of Friendship in School Life" have been chosen by Mr. A. L. Jobe, head of the English Department, who judged all papers submitted. Names were not attached to papers handed Mr. Jobe — numbers were substituted for names.

Nancy McMahan, a student in Mr. Jobe's 2nd period English class is the winner in the upper class contest, and will receive a prize of one dollar, while Barbara Greenlee, one of Miss Galbreath's 5th period English students, won the lower class contest which carries a prize of two dollars.

The winner in the Student Council contest was Barbara Barnard, another of Miss Galbreath's pupils. She will receive a one dollar

Follies Finale Is March 13-14

By B. R.

The Thespians and Masquers will sponsor the last-ever KHS Variety Show on Tuesday and Wednesday, March 13 and 14, in the Knoxville High Auditorium.

Started in '45

This fun fest was begun in 1945 to give all students in school an opportunity to appear on the stage here. This year's program will bring the fun event to a close. In order to celebrate this final performance, the stage will be decorated in a gala manner and we hope to be able to announce the appearance of some former hit performers on the program next week along with our own talent.

Several Clubs Entered

At the present several clubs as well as numerous individual acts are entered. Thespians will enter the one act melodrama The Great Bottle Neck Diamond, the hit of the 1947 Follies. This is a fast moving bit of nonsense about a villain and a persecuted maiden. Another hilarious skit will be The Still Alarm. If this one doesn't knock you out then we'll serve you One Egg as a reward for your strong constitution.

Chorus Line

Our dancers have been working for some time and we will probably have a chorus line. Some outside talent in the dancing line will be included. We expect to announce details of this event next

One or two quartettes are working on special numbers, and several novelty song and dance acts are in rehearsal.

Performers and names of acts will be announced next week. We hope to be able to give you a big surprise!

All persons or clubs who would like to take part in the program with a stunt, skit, dance, or song number, are requested to see Miss R. Bird in room 302 at once. We are looking for talent, so come and help us make this the greatest show KHS has ever had. Don't forget Follies Finale, March 13

Jr. Chamber of Commerce Presents L. T. Shoemaker

Both upper and lower chapels this week were under the direction of the Junior Chamber of Commerce which were based on the "Americanism" in observtheme ance of Americanism week, February 21-22.

Upper classmen participated in an Americanism Quiz Program sponsored by the Jaycees in chapel yesterday. This program was transcribed and will be presented over WROL at 9 p.m. tonight. Mr. Allen Stout will be the program announcer.

The program began with the singing of "God Bless America" led by Mr. C. S. Montgomery and accompanied by Nancy Crossley. Students entering the quiz were: Charles Gass, Vivian Byrd, Jerry Whedbee, Jim Goins, Edith Mays, Harry Spears (Fred Scott), Hugh Carpenter, Judy Overholt, Buddy Cruze, Bill Stonecipher, James Lawell, Jo Ann McAnally, Frances Dominick, Joe Proffitt, Bud Dougherty, Nan Temple, Bill Arnold. Tuesday, Mr. L. T. Shoemaker,

known to radio listeners as Mr. Civic Pride, spoke to the Freshmen and Sophomores on the meaning of Democracy. He discussed the Bill of Rights and Lincoln's Gettysburg Address. The talk was concluded with a reading of this famous address

Mary Kelly and Ed Lawson held high honors as King and Queen of Hearts at the Senior Y-Teen Sweetheart Banquet, which was held Wednesday, February 14, at Regas Restaurant. Red and White was used as the

color scheme, because the banquet followed the Valentine theme. Queen's Attendants

The queen's attendants were

Paula Hoeke and Wanda Stout. They were chosen in the same manner as was the queen-popular vote among the Y-Teens. Skits and music furnished enter-

tainment for the members. Miniature playing cards were given to the girls' dates. Leon Gouffon served as master

YOUR VOICE IS SHOWING

"Hello! Yea; Who's this?" Is this the way you answer the telephone? Most teenagers are away of proper telephone etiquette, but they quite often fail to put it into effect. Your voice is showing when speaking over the phone! Your voice is the only representative you have when talking to a stranger by this medium. The tone and pitch of your voice, your pronunciation, your use of the English language create the whole impression received by the party at the other end of the line.

My advice to date seeking females is to use a well modulated, clear, distinct voice. Baby talk and sweet simperings are definitely out of style.

Would-be-beaus who greet your Hello with "Don't you know who this is?" should be shot at sunrise by a female firing squad. This approach not only embarrasses the fair maiden but lover boy may get a big shock when, after much dodging and avoiding the issue, she blurts out in desperation the name of some unknown rival.

Watch your telephone manners, for in telephone conversation Your Voice is Showing more than at any other time.

CHARITY FUNDS TAKEN CARE OF

Do you people ever really think of things before you do them? Or are your acts just spur-of-the moment decisions? I really believe it is the latter.

Some money was taken out of the plastic hearts that were put in our school for a good cause. If a person thought seriously—about what he was actually doing, he would realize what a wrong thing it was to touch this money.

Taking money from a charity fund is just like taking it from a person—and you wouldn't walk up to a person and take money from him. Isn't it much more dishonest to take it from a charity fund than taking it directly from a person?

It is really disheartening for people to know that their own fellow men are actually taking money from charity funds. These sums are needed so much by sufferers.

Think, before you do anything like this. "Are you really

doing right?"

WASHINGTON'S DAY

Well, Mr. Washington, it's your birthday again and what has this country accomplished since you were born so many years ago. We certainly can't say that the world is an ideal place in which to live-free of war and depression.

I guess you, George, thought that after you won the Revolutionary war that the world would decide to stop bickering and settle down to peace. You were wrong, however, because since your day we've had a civil war, two world wars, and lots of other minor ones. It looks like this Korean situation will turn into the third world war.

Mr. Washington, wouldn't you like to get into a reversed time machine and travel ahead in space? We really need a man of your caliber get this cock-eyed world in order.

By Ross McNutt

NORMA SAWYER

Never before have I seen a person with as many honors as Norma Sawyer. Besides being one of the alternate commencement speakers Norma is Secretary of the KHS Choir, Senior Y-Teen Secretary (She would be a good secretary!), Arts Editor of the Trojan, and a member of the National Honor Society.

Last year she was the Junior Class-you guessed it-Secretary. Because she earned next to the most points in gym she received a chenille numeral in chapel.

Now to tell you some of the details of this little (she's just five feet 2 inches) gal. First she wants to point out that she went to Christenberry. Wonder if she had those pretty dimples back then? Anyway she now has curly brown hair and blue eyes. Blue is her favorite color; fried chicken her favorite food. As for her pastime, she likes to sing and enjoys just being with "people". Her pet peeve, she says, is snobs. But since everybody says that she'll just tell her real one which isgetting sick while riding around the mountains.

Sport clothes, skirts and sweaters rate highest on her wardrobe list. The song she likes best, which is a favorite among everyone, is "Rhapsody in Blue". Asked if she could play the piano, Norma re-plied, "Just a teensy weensy bit."

As for hobbies, I like to read but haven't had much time to do that this year since I have been studying so hard to make an A in Mr. Sanders' room." And she adds, "I did it."

"After graduation will be Carson-Newman and then I'd like to be a teacher. But pretty soon after graduation from Carson-Newman I also want to get married and have four children, two boys and two girls." After considerable questioning (I'm so nosey) about any special male interests at the present, this modest answer was given, "Well, yes and no. I have been writing to some 'friends' at Emory and Henry."

Also in the Easter Parade will be Alice Henley, wearing a navy blue wool suit.

Spring Coats

Shirley McNutt has picked a pattern and material for a light blue wool shortie. A yellow full length coat with big pockets, cuffs, and collar will be made by Pat Kinzel.

Evening Shorties Twin evening coats of white

wool will be made by Patsy Helme and Marylin Meyer. Nancy Davis also picks white for a short "special occasion" coat.

More "just alikes" are Myrna Jolly's and Anne Griffith's aqua brunch coats, with brown checked gingham collar and cuffs.

Sophomores Sew Katherine Johnson has made a mint green sleeveless cotton dress with "lots of tucks." FRANK KURKOWITZ

Through interviewing Frank Kurkowitz, better known as Kurky, I got a pretty good idea of what a News Editor has to do. You can understand what I mean if you have ever tried to write a news story. It isn't easy at all. Kurky is 5 feet 10½ inches tall and weighs 185 pounds. His bottle blonde hair and green eyes look good with his favorite colors which are "knighturally" blue and yellow. Football is one of Frank's favorite sports. His most pleasing pastime is basking under the summer sun on the shores of Lake Norris at Camp Pellissippi (just 41/2 more months until vacation).

From what I have heard Frank is a good swimmer and he says that his greatest thrill was passing aquatics course at Aquatic School at Columbia, S. C. last summer. Frank is really an outdoor man. Not only does he like swimming, football, camping, and rowing, but he also likes to hike. Although I couldn't get much information out of this modest fellow, a certain gal named Linda told me he hiked from Davenport to Deal's Gap, which is a distance of 80 miles, in one week!---all the way across the beautiful Tennessee Smokies.

While not eating fried chicken and apple pie (yummy) or listening to his favorite record (don't know if this will get in the paper or not)-John and Marcia or his second favorite. J. D. Byington also has a good chance of reaching the 300 mark. J. D. has poured in a grand total of 243 points for a 12.2 average. Byington was only 4 points behind Hall last week; but Hall gained this week to lead Byington by 14.

Byington Leads Blues To 69-55 WinOverYoung

J. D. Byington's sparkling play during the first half paved the way for a 69-55 Trojan victory over the Young High Yellowjackets.

The Trojans held the upper hand during the whole game, leading 43-29 at half time. The Jackets put on a spirited rally late in the game, but it was too little and too

Byington Is Spark

Byington sparked the Trojan attack with his superb rebound play. Besides setting up many shots for his team-mates, lanky J. D. scored 13 points.

Captain Bill Hall put added zest into the Blues' play, breaking through Young's defense for layups and making himself a nuisance by intercepting Yellowjacket passes. Although he was benched part of the game, Hall tallied for 16 points, enough for second place in the scoring column.

McKinnon High

High man in scoring was Trojan guard Barry McKinnon, adding to his free throws with set shots, who ran his total for the night to 17 points.

Every Trojan that played got into the scoring column. Following the leaders, were Dewey Thomas with 12, Byington with 13, Kyle Testerman with 9, and Pat Scruggs

Vic Moore paced the losers with 14 points, followed by Jerry Tuttle with 13. The Jackets were forced to score most of their points from far out because of the tight Trojan defense.

sproul on the prowl

By Harvey Sproul Tonight's the night! Knox High has four defeats to mar their record. We've gained revenge on Chattanooga Central and Kingsport. That leaves only one-County! Tonight's the night that every student of KHS should be over at the gym yelling for the Trojans to win our last game with Central and leave no doubt we're the best in the State.

With Bob Fry back in the saddle it should make our task a little easier. Reports are that he has been hitting the bucket and rebounding in practice up to his last year's all-state form. We're making a prediction that the team that wins tonight will be seeded first in the second district tournament. The loser will be second or third according to where Catholic is placed. Also we're making the prediction that the team that wins tonight will be Knoxville High School. The Trojans have more talent; all they could possibly lack is the right spirit and a will to win - we think they'll have that spirit tonight. Central always has spirit; they win games on it.

Those of you who have been watching the scoring among the KHS roundballers have probably noticed that no one has been completely running away from the others. Bill Hall and J. D. Byington both have scored a good number of points with Barry McKinnon not far behind. On further down there is another bunch close together. Every man on the first team has had his starring nights. In this way the basketball team is like our great 1950 football teamno outstandingly outstanding players. All are almost equally good and are team men. That's what makes a great team.

Those of you who are great sentimentalists may not want to think that there are only two more regular season games and then the tournaments before KHS's last basketball season is completely

As was said last week East High seems to have inherited most of Knox High's old schedule and KHS has never been known as having a cream-puff schedule. But if you'll check closely you'll see that Fulton has a pretty tough schedule too. West has a tough team to play almost every week, especially for its size. It's almost a sure bet that every one of the city high schools will lose at least three games the first year.

P-nut McNutt and Wayne Gibson want to make it clear that they take on only one person at a time. Fred Spruiell is being trained for this vast undertaking by an unknown coach to be revealed

Both Sides Have Several Advantages and Disadvantages in Their Last Regular Game

It seems almost impossible to believe—but the basketball game at the KHS gym tonight could mark the end of athletic relationships between Knoxville High and Central High.

Meseroll To Be Given New Post At West High

Norman Meseroll, former U.T. Vol, has been selected as head coach for the new West Knoxville High School.

The appointment is not yet confirmed since the School Board has to make the approval. However, the appointment by the Board will probably be only an act of formality at the next Board meeting.

R. E. C. Love, principal of West High, selected Coach Meseroll from a long list of applicants and made his suggestion to the superintendent.

New coaches and a few assistants have already been named by the Board. Here is how they stand

EAST - Charles Moffett, head coach; Buford Bible, basketball coach and assistant football coach; assistant football coach to be

WEST-Norman Meseroll, head coach: assistant to be named.

SOUTH - Marshall Bible, head coach; Dewey Lee, assistant.

FULTON — Charles Wildman, head coach; B. E. Sharpe, track coach and assistant football coach.

RULE - Ralph Hutchins, head coach; Ermol Allen and D. M. Miller, assistant coaches.

Neyland Tops In B Scores; Taylor Next

With 143 points Lewis Neyland has taken the lead in "B" team scoring. Lewis scored 12 against Young and South Knoxville and 11 against Kingsport.

Ayres Drops

Tom Ayres, because of an injury, dropped to third with 129 points and Cruze comes next with 120. Robinson follows with 98 and then Corneliussen with 90. Completing the scoring are Pat Scruggs with 88, Bayless with 55, Lockhart with 64, Wolfenbarger with 25, Foster with 24. Hamilton with 18. and Lobertini with 9.

Of course, it will be the last regular season basketball game between these two ancient foes. There is still a possibility that the Trojans and Bobcats might meet in any one of the three tournaments.

About the only comparison between the two teams would be the results of the engagements of each with Catholic. Catholic beat Central both times and conquered over KHS in their second engagement-after the Trojans won the

County trampled on KHS very decisively in the first meeting. But they had some factors in their favor: home court, partisan crowd, a tight Trojan team, etc.

It was Bill MacLovelace who did the most damage in the first meet-MacLovelace is being acclaimed as the best basketball player to ever perform at CHSand that takes in some good players.

The whole Trojan team was off their shooting eye in the first fracas and scored much under

their usual efforts.

A major fac-

tor in the Bible-

men's favor is

the fact that All-State forward, Bob Fry, will return to action this week Fry take the position at forward now occupied by Dewey Thomas.

Considering these many advantag and disadvantages it would be hard to pick a winner, and it's sure to be a good ball game before a packed house of fans anxiously waiting to find the answer.

MORE ABOUT FRIENDSHIP ESSAYS

(Continued from Page 1)

Nancy McMahan's Paper Friendship—what is it? What good is it? What will be benefit from it?

Let's take the word Friendship. In a dictionary I imagine it would mean a friendly attitude towards another. I believe though, its meaning should be the act of being a kind, unselfish, truthful, and loyal friend who can be turned to in time of need.

I can truly say that once you start making friends in your school life, they will stick by your side all the rest of your life; you will never regret trying to be a little kinder and friendlier toward others when you're young for it will bring a reward of happiness worth more to you, than any reward of gold.

Barbara Greenlee

Have you ever walked down the hall of your school without one single person saying "hello" to you? If you have, I am sure that you understand what I mean when say it is a horrible experience. Most people take friendship for granted just as they do their four freedoms. Both of these attributes, friendship and freedom, may be taken away from us if they are not guarded with care. If we strive to make friendship in our school everyone's business, then I am sure that the person who once walked down the halls of your school alone would be very grateful and happy to hear someone say

Friendship in our school lives also prepares us for our later life. We make friends, true friends, in high school or sooner than we will probably keep them throughout Our world can be summed up in one phrase-pupils make the school, friends make the pupils, and happy pupils make happy people that make a good

Barbara Barnard

"There is a friend that sticketh These closer than a brother." words are found in the Bible in Proverbs 18-24. In that short phrase there is a thought which has a deep meaning and tells us that friendship is very valuable.

What is friendship? I think it may easily be compared to a tree. A tree may be large or small. If its roots are firmly situated in good ground, it will grow into a large, healthy tree and the strong winds can not harm it. In the same way a friendship which is situated firmly in the hearts of two people can not be harmed by the winds of jealousy, selfishness, or other destroying winds.

To me there is nothing finer, righter, more meaningful, or worth more than a true high school friendship.

Results of Collection For Orphans Announced

Mrs. Payne, French Club adviser, has made the following report concerning the collection for KHS' two war orphans, Mia and Renee.

The upper class groups gave a total of \$35.66 (slightly under the total of the last collection). Another collection will probably be needed to tide the orphans over for the summer months.

In regard to care of the orphans after the school "break-up" next year, Mrs. Payne stated that the Red Cross representative in each school will have to settle that question.

in the middle of the forest where Mr. and Mrs. Rabbit; Bill, Phil, and Will Squirrel; Mama bird and her three darling babies; and wise ole Mr. Owl, all lived. Oh, what a happy bunch they were-but not for long. Disaster struck! Hack! Hack! Little George chopped down their tree and ruined their homes. Oh, a hack a day! And not only were their homes ruined but also the homes of Patty, Batty, and Ratty Beaver!

Sorrow Prevailed

The sorrow he had caused. How ashamed little George was -he cried and cried but he realized there was only one thing to do! He must give the animals another home. So through the forest the little band of miserable companions trotted.

They soon reached the beautiful mansion of George's father. The luxuries of the estate were over-

whelming.

Right away little George fixed the Rabbit's family (which expected new additions any time) a nice house with small yellow curtains and a mail box; the Squirrels had the nicest tree in the yard and the biggest nuts in the whole country; the Bird family had the most modern bath and the most darling little house ever erected; Mr. Owl was given a little house with a nice rocking chair on a limb; and the Beavers were eating away on the nicest cherry tree in the yard while Georg was happily looking on. All was well.

Alas-More Trouble Then George's father heard the racket and came running out with

his gun to shoot the little beavers! Oh me!

The beavers were shaking in their tracks as Mr. Washington cocked the gun (what will happen?). Little George to the res-

WHAT: Hike.

WHERE: Blanket Mountain Fire Tower.

WHO: Eugene Hocutt, Bobby Thompson, Gordon Chandler, Paul Jackson, Tommy Nelson, Bobby Hutchins, Bill Parker, Shields Remine, Cameron Smith, Knox Willaims, Jim Trent, Patsy Paine, John Wright, Lela Cross, Jim Carl, Jim Love, Joe Halburnt, Jim Merrell, John d'Armand, Eugene Fair, and Tim Prater.

HOW: Just read further, bub.

Cold and dreary in Knoxville; warm, snowy, and sunny in the Smokies. This was the weather Saturday as the Hiking Club treked toward Blanket Mountain Fire Tower. There being anywhere from 2 to 5 inches of snow on the ground, the sun being way out, the sky being very blue, and the weather being very mild-all conducive to a perfectly wonderful

Snow Balls Slung

The trail abounded with snow balls, miniature avalanches, and a man-made snow fort which made snow women of Bobby Thompson and Pat Paine and snow men of Jimmy Lowe and Jim Trent.

Quickie

Although the hike was 9 miles long, the club went double time all the way and took only 5 hours to complete the whole hike.

John and Marcia

The ride up and back were a lot of fun, as usual, with Bobby Thompson and Joe Halburnt portraying John and Marcia with such realism that many fellow-hikers thought they were in earnest!

Stew Slurped

Jimmy Lowe and John Merrell, Hiking Club and KHS alumni, made perfectly delicious Hiking Club stew (or rather slop). This tasty brew consisted of peas, potatoes, bread, spit, snow, socks, and a dash or two of tobacco. Can't you see why the Hiking Club made this one of their fastest hikes?
