CLASS SONG OF '45-B

Constance Beeler

As we leave you, Knoxville High School
We take our mem'ries dear,
We'll ne'er forget nor ne'er regret
The years that we have studied here.
 We've studied hard —
 We've had our fun —
Our lessons learned, our goal we've won.

Now into foreign lands we'll go
To join in the attack.

And we will keep the home fires bright
Until our boys get back.

And for the strength which you have given
To help us through this strife,
And for the plans which we have made
For a worthwhile future life,
And for all of our ideal
Which proudly we hold high,
To you we owe — And we do thank you
 KNOXVILLE HIGH!

A MESSAGE FROM THE SUPERINTENDENT

Several years ago a former superintendent said, "May the future of this great school continue the excellent record of the past." It has not only continued it; it has far exceeded it.

During these difficult war years this institution and the other Knoxville senior and junior high schools have adjusted their programs of training to meet the needs of our Country and our community.

Much credit is due to the Director of Secondary Schools, the principal and vice-principal of this school and the many faculty members who have given their time and abilities, unselfishly and efficiently to this work.

The President and members of the Board of Education, the Mayor, the City Manager, and members of the City Council, the parents of these young men and women and the other citizens of this community have reason to be proud of this and the other Knoxville high schools.

It is the sincere desire and hope of the administration that we shall be able to continue to prepare the boys and girls of this city to be of the greatest possible service to their fellowmen; to their city, their state and their nation.

Our best wishes, our thoughts and our prayers go with these young people as they leave this auditorium tonight. We know they are well trained and we have faith in them.

THOMAS CHAFER PRINCE
