CLASS SONG

To you our Alma Mater
We pledge our love to thee
From now until forever
Through all eternity.
With days gone by we'll cherish
The memories of you
And use the knowledge gained here
In everything we do.

This marks the end of school days
Of parting friends so true
With heavy hearts we linger
At the thought of leaving you.
For one that has the record,
For one that's stood the test,
The class of '56,
Is the one that we love best.

We bid good-bye to East High
The school we love so well.
Throughout the years to come
Your praises ever tell.
