

TURN TO THE RIGHT TONIGHT 7:45 IN AUDITORIUM

BOY OFFICIALS DIFFER AS TO WHO'S BUSIEST

Boys' Day in the Office Proves Rough Road Instead of Path of Roses to Subs.

Quite a discussion was entertained in the office during the eighth period Monday (Boys' day) by the three boys who occupied the places of Mr. Evans, Mrs. Morrell, and of Miss McClanahan, the question of the debate was "Who in the office is the busiest person?"

Of course it was quite natural that Chas. Houk as Mr. Evans claimed that he was the busiest man for he had occupied the principal's chair all day, hardly going out of the office—and hadn't he practiced writing Mr. Evans signature for hours and days, and the worst of it was he did not get to sign a single notice or paper.

Harry Paylor acting as Miss McClanahan, spoke in her behalf, saying, that after chasing several girls into their class rooms and unlocking lockers until he nearly dropped, and answering not less than fifty calls for pins, needles and such, she knew her position was the hardest to fill.

Here Dexter Greene acting as Mrs. Morrell, chimed in on the subject. She said that she had heard enough excuses to write a book about them and that as for being tired, her hand was cramping terribly (it shook all day) from writing names on excuses and vowed that she held the place that had the most work about it.

It is, we all agree, a difficult question to decide, for one could not get along without the other. So to settle the question we will say that we appreciate all of them being so patient with us and that we could not get along without every one of the real office force.

BOY OFFICIALS CONDUCT CHAPEL

James Gillenwaters Thrills Assembly With Violin Selections.

In keeping with the day, the lower class chapel held Monday was truly a boys' chapel. The boys were entirely in charge of the program.

Eugene Jenkins, of the Board of Education, led the devotional exercises.

Principal Charles Houk announced that the Dramatic Club will present "Turn to the Right" Friday night at 7:45 o'clock in the auditorium. He urged a large attendance.

Ralph Cockrum, '25, president of the Board of Education, was introduced by Principal Houk and he, in turn, introduced the following members of the Board of Education: Richard Mynatt '25, Eugene Jenkins '26, Beach Hall '27, J. R. Booth '28.

Mr. James Gillenwaters, who has only recently returned from a study of music abroad, rendered a violin solo. His first selection was "La Paloma" and it was so beautifully played that he was called upon for four encores. His last selection was "Knoxville High", the school song.

M'GLARY CAN DANCE BUT NOT BY HIMSELF

According to recent reports one of the many bright spots of the senior class this year is its dancers, and outstanding in this pastime is McClary Smith, whose long legs fit him admirably for this recreation.

In not including him in her eighth period dancing class Miss Frisbie has committed a great error, as he would look especially dainty twirling around on his toes, or wearing a ballet dress.

When interviewed McClary was very uncommunicative, merely saying that his insuppressible exuberance overcame his caution recently in senior group, causing him to desire to dance, but no partner was available.

ENTRIES FOR BIG "5" CONTEST AT U. T. ARE CHOSEN

Much Interest Aroused Over Tomorrow's Events; Knoxville High Runner Up Last Year.

The last of the elimination contests, for the honor of representing the school in a literary line has been held. The contests as a whole have been hotly contested. The interest manifested by the students in the literary meet has shown that our high school is interested in literary activities as athletics.

The following boys and girls are the "big 5" entries from Knoxville High for the interscholastic contest which will be held at the University of Tennessee, tomorrow morning:

Humorous reading—Mary Lester Pullen.

Extemporaneous speaking—Hal Clements.

Dramating reading—Henry Lautzenheiser.

Original oratory—Marion Spears. Debating: Aff. Thurber Wolfe, Kyle Moore; Neg. Warren Kennerly, Thomas Crawley.

Each of the contestants from our school will receive a letter and if any of them succeed in getting first place over at the "Hill" they will be awarded additional prizes.

It will be remembered that last year our debating team was runner-up in the contest held at the University in which schools from all over the state took part.

MILLING PROCESS SHOWN TO CLASS

Miss Eager's first period biology class was very courteously shown thru the mill operated by J. Allen Smith & Co., Thursday morning. The class was divided into four groups led by Mr. Goforth, Mr. Kenneth Miller, Mr. McKinley, and Mr. Stair. We learned the process in making flour and corn meal. There are about 63 varieties of the former made by this mill. While the class enjoyed this trip we also found it instructive, and we thank the city mills for the trip and the pencils they gave us.

Roy Conner, while visiting the City Mills, makers of White Lily Flour, remarked that if he went through the machinery he would have a white lily in his hand when he came out.

CARLOS CAMPBELL GIVES 14 POINTS ON BOND SUBJECT

Manager of Chamber of Commerce States Facts to B. & W. Reporter in Interview.

The subject which is foremost in the minds of Knoxville citizens at present is the school bond issue. Mr. William Whaley is chairman of a committee consisting of about 100 members, representing all departments of the city. This committee is divided into several smaller committees, executive, publicity, speakers, poster and signs, and finance. All of these are working to create public sentiment in behalf of the bond issue.

The following are some reasons why the school bond issue should be passed:

1. There will be a seat for every child in city schools each day.
2. Every child will be benefited by the bond issue for schools.
3. More than one-half of the grammar school children are on part time.
4. Congested condition of schools demands immediate relief.
5. Knoxville population increasing 4,500 each year.
6. Knoxville school enrollment increasing 1,000 each year.
7. No new schools have been built in five years.
8. Each year added enrollment requires 25 new rooms.
9. Our Knoxville children are entitled to equal chances with other children.
10. Will permit eighth grade to be added to the school system.
11. Will prepare for business life by giving vocational training to those having to leave school early.
12. Practically all the money will be spent in Knoxville for labor and materials.
13. School bonds will only be issued and spent as necessary.
14. It will cost less than .08 a year on each \$100 of taxable property to pay interest and principal.

ORCHESTRA HEARD OVER RADIO MON.

Knoxville High Boys and Fathers Participate in Boys Week Program.

Monday night for the first time in the history of our school the name of Knoxville High School was heard through the medium of the radio.

This honor was given to the Knoxville High Orchestra under the direction of E. Frank Garrett. Dr. Garrett's son, Mr. Garrett, Rotarian and chairman of the Boys' Week committee in Knoxville, secured the honor for our school.

One of the Knoxville Broadcasting stations, namely, the first Baptist Church, opened its doors Monday night for the broadcasting of a program on Boys' Week. Several of the participants were high school boys with their fathers. Anthony Bowers and his father made short talks; Dr. P. N. Ogle and his son Bernard gave an instrumental duet and four of the numbers were given by our own orchestra. Messenger March, Andante symphony in C, Color Guard and March Romaine.

FIFTH ANNUAL CONCERT OF GLEE CLUBS TUESDAY

Next Tuesday night the fifth annual concert of the Music Club will be given here in the high school auditorium at 8 o'clock. Taking part in the concert will be the orchestra of thirty pieces, the chorus, which according to Mr. Parker, will contain one hundred students, and the Boys' and Girls' Glee Clubs, the former made up of thirty voices and the latter having about fifty.

Only the small admission of twenty-five cents will be charged, so that each student may be present to boost the club, and everybody is urged to come and bring some other person with them so that the auditorium will be filled.

HI BOYS SERVE ON CITY GOVMT.; GIRLS ENVIOUS

Girls Week Similar to That of Boys Being Talked Up By Organizations.

Boys' Week and Boys' Day have come to stay in Knoxville. The second time it has proven a more marked success than the first.

The boys enjoyed full authority in school Monday. Charlie Houk made an impressive principal while the standards of Miss McClanahan and Mrs. Morrell were held high by Harry Paylor and Dexter Green.

The classes and study halls too were in charge of boys while the teachers either visited their own classes or those of others.

The student cooperation was particularly good. Very few took advantage of the occasion to pull off a stunt. Even though the girls may have been a little envious they did their part and enjoyed the day almost as much as the boys.

Professor Evans stated in chapel last week that if some civic organization would take up the movement we might have a Girls' Day and a Girls' Week sometime in the near future.

We are sure the girls will be interested in this.

The following boys had charge of the government of the city:

George Tharpe, Jr., City Manager.

Elbert Kelly, Mayor.

Ed Hunt, City Judge.

Albert Bacon, Director of Public Safety.

Thomas Parham, Director of Public Welfare.

Hugh Smith, Director of Public Service.

Warren Kennerly, Director of Finance.

Roscoe Word, Jr., Director of Law.

DRAMATIC CLUB PLAY STRONGEST EVER PRODUCED

Comedy Drama "Turn to the Right" Played With Success on Chataqua Circuit.

Tonight, the Dramatic Club of Knoxville High School will present a comedy, "Turn to the Right" in the school auditorium at 7:45. This bids fair to be a splendid play. Both Mr. McCabe and Professor Smythe have directed the rehearsals.

Marion Whaley as Elsie Tillinger will be the leading lady of the play. Rebecca Cole also has an important part.

An orchestra will play during the program.

The list of characters is as follows:

- Joe Bascom—Albert Simpson.
Muggs—Walter McCabe.
Gilly—Rufus Agee.
Deacon Tillinger—Tom Simpson.
Sam Martin—Charles Houk.
Lester Morgan—Henry Lautzenheiser.
Isadore Callahan—Bob Ruwe.
Mrs. Bascom—Rebecca Cole.
Elsie Tillinger—Marion Whaley.
Betty Bascom—Thelma Sams.
Jessie Strong—Mary Wilkerson.
Katie—Dorothy McGehee.

The play "Turn to the Right" is a story of Joe Bascom, an ex-convict, who returns home to his Mother and sister to find the home place about to be taken by the village Shylock and sold to a New York "teahound" because of a debt of \$125. Two prison mates of Joe's walk in looking for a hand-out, and manage to straighten out all of Joe's financial difficulties in a most interesting way. The plot develops amid many thrills and funny episodes.

BLUE AND WHITE TO HAVE BANQUET

Most Elaborate Event of Year to Be Pulled About May 20th; Plans Formulating.

Yes, indeed! The Blue and White staff is going to have a banquet. Though full details have not yet been decided, it is quite sure that the one in prospect will eclipse those of previous years.

All the staff members are much excited over it, especially the girls, who are busy deciding about dresses. Already several dates have been made.

At staff meeting last Monday Russell Zemp, Quentin Gore, and Harry Smalley were appointed as a committee to make the necessary arrangements for the time and place.

The prospect of the banquet will be quite an incentive to new members, for only those who will have been found desirable additions to next year's staff will have a chance to come.

The date has not been settled yet but the 20th of May has been suggested. It is likely that it will be sometime near that time.

BAYLOR GLEE CLUB HERE

The Glee Club and orchestra of the Baylor Military School, Chattanooga, will give a concert in the high school auditorium tomorrow night. Admission will be fifty cents.

BLUE AND WHITE WEEKLY

SUPERIOR IN QUALITY, TECHNIQUE, AND INFLUENCE

Published weekly by the students of Knoxville High School, Knoxville, Tennessee.

All articles for publication must be signed with the full name of the author and must be in the hands of the Editor-in-Chief not later than Wednesday preceding publication on Friday.

Acceptance for mailing at special rate of postage provided for in section 1103, Act of October 3, 1917, authorized November 11, 1922.

Entered as Second Class mail matter, Nov. 11, 1922, at the Post-Office at Knoxville, Tennessee, under Act of March 3, 1879.

PUTTING THE PASS IN PASTIME

Is the national pastime becoming a national PAST-time? This is a question which is being debated and discussed throughout the South today in connection with schools and colleges. Professional and sand-lot baseball doesn't seem to be affected by the laxity of interest that is so evident in the scholastic branch of the sport. Why this is, constitutes another question.

The intermediate brand of baseball seems to be suffering from some mysterious malady which will sooner or later cause its downfall.

A movement is on foot now in the Southern colleges to discontinue baseball as one of the major sports.

It remains for someone with more time than we, to think the situation through, or someone with a more philosophical mind, but we do contend that it shouldn't be, whatever the reason.

Baseball itself is a synonym for American just as Cricket is thought of in connection with English. Why then should a sport that we hold veritably in reverence be deserted so in high school?

If K. H. S. hadn't had any better luck than our "Smokies" the situation wouldn't be such a puzzle, but they have won every game and under great odds, the most outstanding of these difficulties being no moral support and the fact that a change was made in coaches during the season.

Knoxville High has a wonderful baseball team that is headed for failure or the Southern championship, whichever you prefer.

Support them and don't let the pastime pass.

MENTAL CHILDREN AT THE PLAY

At the plays of the Dramatic Club and other organizations last year much rowdiness was demonstrated by the children (in mind, not years) of K. H. S. They resorted to such juvenile tricks as kidding the actors and even shouts of derision emanated from the gallery as the players made slight mistakes.

This is a source of much discomfort to the audience as well as to the cast, and detracts from the value of the play. Furthermore, it marks the one who is responsible for the disturbance as a genuine rowdy which means something if he isn't entirely lacking in pride.

We may be too hard on them. Probably we should allow for the fact that some people never grow up. These won't be mistaken if seen at "Turn to the Right" tonight.

Nuts From the Gym Machinery

By Nadine Metcalf

The semi-finals are well on their way now and excitement reigns supreme in the gym.

The eighth period won twice by only one point. Once from the second period and once from the "first".

The winner of the sixth period (Tues.-Thur.) and the sixth period (Mon.-Wed.) game next week will enter the finals with a good chance.

The eighth period is already down to the finals, "clean slate and rarin' to go."

The three teams in the finals will be the eighth period, fourth period (Mon.-Wed.) and the winner of the sixth period tilt.

Betty Lynn Hoskins, Greta Biddle, Thelma Sams and Katherine Kinnane are four of the winners of the girls' tennis matches.

Thelma Sams and Mary Wilkerson make a pretty strong team for such little girls, don't they?

We sure were surprised to hear of the results of some of last week's games. Little people sure do make good tennis players.

With all these new people coming out, Mae Freeman will have to look to her laurels.

The Spectator

Is it Carolyn or Catherine H. you are trying to vamp in third period study hall, Seldon? If it's Cat, we wish you luck, but you know somebody already has "ducks" on Carolyn.

STRAIGHT DOPE

It was not a mistake that Clarence Broadwell got on the honor roll last month.

If you want to see a graceful tennis player, just go out some morning and watch Walter Morris. He just falls down and gets up so gracefully, under the circumstances.

Bill DeS. says he doesn't mind picking a few flowers that don't belong to him, if nobody sees him.

Yes, Lobby, we know you like Mary, so you needn't go to her locker between every single period. Skip one period every week or two, won't you?

If Harold Dempsey knows what's good for him he'll hurry home, or he won't have any girl when he does come. Struttin' around, aren't you, Evelyn?

We want to know if Frances S. and Neil J. enjoyed the show Saturday night. It seems that several people missed that weinie roast.

Better watch out, Jake, 'cause we heard somebody was trying to bribe somebody you know into beating your time.

Kitty! Kitty! Kitty! Don't you just adore little white kittens, Frances? Especially when they come from across the street.

We heard that John Logan had an awful (?) time holding an umbrella (?) Sunday night. It sorta slipped (?) along toward the last, didn't it Jack?

Say, what are we going to do about that County sweater that is suddenly in our midst. We heard Harry Paylor (Miss McClanahan) says he would give her his to wear.

Put one over on Dexter (Mrs. Morrell) Monday, didn't you, Sarah? You know, when you were

tardy "collecting for the Voice".

Burl, we sho gave you lots of encouragement at the game last Friday, didn't we? And especially Aida, you know.

Gee, Helen, won't you be lonesome this week and, since the baseball team is out of town? But don't worry, they'll be back by Sunday night.

Boys Work Against Rolled Stockings

Two hundred boy students of the Gladstone High School—all but one boy of the four upper classes were expelled Wednesday for coming to school without neckties and with collars unbuttoned.

The boys said they would obey the dress regulations when the girl students were compelled to stop rolling their stockings.

Greatest Prep School Meet On Record Comes Off Tomorrow

K. H. S. WILL MEET STRONGEST TEAMS OF THREE STATES

Baylor Coming to Avenge Defeat of Relay Team at Nashville Last Year.

By Henry Tittsworth
Tomorrow afternoon at 1:30 o'clock the tenth annual University of Tennessee Interscholastic track and field meet will get under way with twelve known teams from three states competing. This will be the greatest assault on the U. of T. records since the meet was first started.

The predicted walkover for K. H. S. has dwindled to less than nothing when the entries were announced. T. M. I. is coming here for the express purpose of turning the tables for the defeat K. H. S. handed them on their own grounds. Baylor will also be here to match speed with the competitors. Last year they won the Nashville meet with K. H. S. second. This year Baylor turned down the Nashville meet to seek revenge here for the defeat of their relay team.

Asheville School for Boys has also sent in their application for admission and are intent on carrying off the honors. Asheville usually turns out the best in the state and they plan not to let this year be an exception. The records for the pole vault and high jump are both held by Asheville entries.

Hiwassee College, the winners of last year's meet, will also be back planning to repeat. Dickenson, who was high point man with five first places, more than any team got, is expected to again exhibit his spiked shoe on Shields-Watkins field.

The Baylor quartette journeyed to Atlanta week before last to win the mile relay with a new mark. At the same time the locals were defeating the T. M. I. track squad, setting several new records, among them a mile relay record six seconds better than the best that Baylor has been able to do.

Central High is planning to enter their quota, the outstanding member of which is the diminutive Pinkie Walden who showed his heels to all opponents last fall in football.

Both Asheville School for Boys

and Asheville High School will represent North Carolina while the third state present will be Kentucky, represented by Pineville. Little is known of the speed and ability of the Kentucky visitors, but it is certain that they would not send a team here if they did not have any point winners.

As this goes to press the following teams are entered with more expected in the next mail: Knoxville High, Central High, Tennessee Military Institute, Baylor, Asheville School for Boys, Asheville High, Pineville, Ky. High, Hiwassee College Prep, Maryville Prep, McMinn County High, and Kingsport High.

Last Saturday the local flying squadron went to Kingsport to match speed with them but on account of inclement weather they were forced to return home without winning or being defeated. Only three events were run off; of these K. H. S. won two while Kingsport had to be satisfied with one.

Due to bad weather all week the track team has not had much of an opportunity to practice. Dexter Green, who holds the Southern record for the mile, has been in a more or less sick condition for the past few days. Lobetti has been getting in his practice in the high jump whenever possible and is intent on setting a new record. Oscar Beaver and Frank Long, who were fearing going stale for a while, are about back to normalcy and are planning to do their best. Carl Benton has been rehearsing daily and is planning on having a new record placed after his name. Andes will probably meet Dickenson who holds the U. T. record for the broad jump at 21 feet, 3 inches. Andes' best official distance is 20 feet, 10 inches, but this also he is planning on laying aside.

Trojans Win First Road Game At T.M.I.

Yesterday at Sweetwater, the Trojans took the first game of a three day road trip, 7 to 3, from T. M. I. Charlie Brummitt was on the mound for the locals, allowing the Cadets but three hits, all in the fifth inning.

The hitting of Julian, White, and Horne was a feature of the game. Burl Foust slammed out a homer at one stage of the game.

Batteries: Brummitt and Paylor; Wender and Gable.

T. M. I. IS FIRST STOP ON TROJAN ITINERARY

Bradley County At Cleveland Is Next Bridge Between K. H. S. and Championship.

Yesterday the Blue and White Trojans left to tackle the "Yellow Jackets" of T. M. I. at Sweetwater. The Cadets were met earlier in the season and defeated 4 to 0 in a five inning game. Since that time the track team has given them a crushing defeat only to stir up their blood and cause them to swear revenge.

Parham, the Cadet pitcher, has shown the most of any pitcher who has yet displayed his ability before the Blue and White war clubs. Only four hits were garnered from his offerings while Brummitt was touched for as many. If it had not have been for the Cadet errors there is no doubt that the two teams would have been deadlocked when Jupiter Pluvius intervened.

Following the T. M. I. game the Trojans will embark for Cleveland to cross bats with the Bradley County team today and tomorrow.

Only last week the Clevelanders were met at Caswell Park and defeated in two straight games.

The two defeats at the hands of the locals beat the Bradley Countians out of the long sought gold baseballs. This, however, has not calmed the fighting spirit of our opponents; instead, it has aroused them more than ever. If the Trojans are able to return from this trip undefeated there is little doubt as to their superiority.

TELEGRAM TO TEAM

The following telegram was sent to the baseball team at Sweetwater yesterday:

Coach McCollum,
T. M. I.

The entire student body greets you and the team and says tell them we are backing them all the way.

Longmire.

K

BRADLEY FALLS BEFORE K. H. S. IN TWO GAMES

The Bradley Countians were touched for two straights last Friday and Saturday at Caswell park. This runs the number of games the locals have played to nine without as yet a single loss to be written against them.

The first game was won 7 to 3, while Friday's encounter was ended by the locals holding the large end of an 8 to 1 score. Bill Ferrell started on the mound for the Trojans, going the entire route, giving the visitors all they could hope for with his hooks. Charlie Brummitt heaved the second game holding the Cleveland team powerless.

Archie Monroe went into right field for K. H. S. in the second

game and gave a good account of himself, getting a triple and a double out of four times at bat. Charlie Brummitt slammed out a home run to deep center, scoring two men ahead of him. Lobby Julian was in a slump as out of five trips to the platter he fanned the air four times and on the other grounded out.
