Gore and Hunt Head Blue and White Next Year

319 SENIORS COMPOSE LARGEST GRADUATING CLASS

Quentin Gore Editor and Ed Hunt Business Manager Selected at Council Meet

Two Pilots Have Already Made Name In High Activities.

The Blue and White will be published next year under the able guidance of Quentin Gore as Editor-in-Chief and Ed Hunt as Business Manager. These two were decided upon at a meeting of the Publication Council Tuesday afternoon upon the recommendation of the Faculty Supervisor and the present Editor-in-Chief.

Gore, who has served in the capacity of Asst. Business Manager this year was chosen on his dependable qualities and his proficiency as a newspaper writer. With him at the helm the paper is

sure to continue with the same high standards editorially that have characterized it hitherto.

With Ed Hunt holding the wheel of the financial side of the publication and Emily Simpson as his advertising manager the greatest year since the establishment of the paper is assured both from an editorial and a business standpoint. As a whole the business staff is the strongest yet organized, and will rightfully take its place next year alongside the news staff in point of importance.

Following is the staff as it will start next September with a few positions yet unoccupied.

Editor-in-chief—Quentin Gore.

Department of News.

News editor—Martha Ellison.

Assistant—Thomas Brown.

SUMMER SCHOOL SUBJECTS AND TEACHERS

The following are the summer school teachers and the subjects they will teach:

- Mr. Hendrickson—Civics and History.
- Mr. Parker—Solid and Plane Geometry.
- Miss Sherwood—Latin 1A and Latin 2A.
- Mr. Hackney—English 2A and 3A.
- Mr. Turley—Algebra 1A-2B.
- Miss Broady—English 1A-3A.
- Mr. Longmire—History 2A and Commercial Arithmetic 2A.

YEAR HAS BEEN SUCCESS FOR THE MUSICAL CLUBS

Band, Orchestra, Glee Clubs and Chorus End Year of Marked Success

The musical organizations of the school have risen above par this year along with the other organizations. During music week especially have they starred.

The orchestra has given several public concerts besides being in chapel several times. Under the able direction of Prof. Garratt they are now classed as one of the best in the city.

The chorus and boys' glee club have been a decided success this year. They have had about thirty boys in the glee club. These organizations are under the supervision of Mr. Parker. Miss Stensland has done wonders with the girls' glee club. Besides being in chapel several times they gave a concert, together with the orchestra last Tuesday night which was a decided success. Wednesday afternoon they gave a few numbers for the amusement of the teachers.

Last, but not least, by any means comes the R. O. T. C. battalion band. Under the leadership of Mr. Crouch, who is widely known for his musical direction, the band has developed until it is known as one of the best, if not the best in the South. The band boys have lead three battalion parades on Armistice Day and other days and have marched through town playing during music week. During these parades they have made a favorable showing and have brought comments of approval from some of the leading men of the town, men that understand music and drilling and who understand the hardship the boys and the leader too have to bear to bring a school band as near perfection as our band is. They expect to give a concert in the near future.

All musical organizations of the school have had a very successful year. They have cleared enough money to buy new music and taken as a whole the year has been filled with successes.

Individuality Marks Class of '25. "House of Rimmon" Is Stupendous Production

Sheepskins To Be Presented At Jefferson Hall, Thursday, May 29th.

Three hundred and nineteen seniors will bid farewell to Knoxville High School with the conclusion of commencement week, May 29.

This is the largest class in the history of K. H. S., it is the second class to not have a dance following the banquet and it is the first class to have caps and gowns at the baccalaureate sermon.

On May 24, commencement week, will begin with the baccalaureate sermon, preached by Rev. F. W. Brown at the First Baptist church. Monday, May 25, the class will have class night

at the Bijou theater, an address will be made by the President, the class song will be sung and the play, "The House of Rimmon" will be given. Friends and parents, who have invitations will be admitted.

The program given Monday evening will be given again Tuesday evening to the public. Admission will be charged.

Graduating seniors will be presented with their "Sheepskin" on Thursday evening at Jefferson Hall.

The final and most eventful evening will be at the Cherokee Country club on Friday, May 29, when the senior class of 1925 will have their banquet. Songs, speeches, and declamations will be given in keeping with the occasion.

The cast in "The House of" (Continued on Last Page)

NEW SCHOOL HEAD HAS GREAT RECORD

Homer P. Shepherd

The following article was taken from the American Educational Digest for April:

Homer P. Shepherd, for four years principal of the senior high school at Lincoln, Nebraska, has accepted the superintendency of the Knoxville, Tennessee, public schools on a three-year contract at a salary of \$6,500, \$7,000, and \$7,500. He will begin his new work July 1. After graduating with honors from Baker University, Kansas, Mr. Shepherd won rapid recognition as a school executive of real skill and promise. In the intervals of active service, he pursued advanced research

work in the University of Chicago and made a thorough study of the most vital problems of school administration and supervision. In addition to extended experience as a classroom teacher he is well known as an institute lecturer and as one skilled in the administration of general education. From the principalship of Kansas City, Kansas, junior high school, he was called to his present position in Lincoln. He has given the Lincoln high school an effective and successful administration. He has enlisted the active support of

(Continued on Last Page)

SUPERINTENDENT SCHOOLS SINCE 1911

Supt. W. E. Miller

Superintendent W. E. Miller was elected Superintendent of Knoxville City Schools, July, 1st, 1911. He had been Principal of High Schools in Tennessee for many years before coming to Knoxville to organize the Central High School, where he was for five years. The Central High School was the first regular four year High School (county) in East Tennessee. At that time the City had only two years high school.

When coming to the Knoxville City schools the High School had only practically 600 enrolled with graduating class of about 30. At present the enrollment is 1,800 with graduating class of about 310.

The number of teachers during

this time has more than doubled and the activities have increased many fold. In 1911 there were three courses of study, one teacher of Manual Training and two of Domestic Science, one teacher in Commercial work. There are now 65 teachers in the entire force of the High school.

(Contrast the activities of that time with those of today).

Blue and White; Course of Study; double capacity of H. S. building; building of gym; installation of H. S. library, with librarian and assistant; expansion of hand work activities; new auditorium, physical training for girls and R. O. T. C. for boys. PUBLICATION COUNCIL

C. V. Hackney, Chairman, Mrs. Searle, Miss Champe, Miss Evans, C. L. Northcutt.

Staff meeting every Monday and Wednesday afternoon at 2:40 o'clock in Editorial Room.

THE FAREWELL ISSUE

Today many members of the Blue and White staff have thirtied their last story and discontinued their service to you through the columns of the paper.

We feel that the last issue of the paper should be given over to the summary of the many achievements of the publication this year and to the expression of appreciation to the subscribers and advertisers who by their financial aid have made these things possible.

It is altogether proper that the paper should grow, which it has, both in size and substance. That is the greatest achievement of the past year. As new staffs come and go much more is learned of what the subscribers want and how to give it to them, thus the paper grows. It is yet in its infancy, being just three years old and much can be done in future years to improve its contents.

The paper has made a name for itself and the school by carrying the best news story of the C. I. P. A. convention held at Madison, Wisconsin Thanksgiving. This story was awarded the prize in competition with 800 other schools in the U. S., by the Scholastic Editor official organ of the association. This could never have been without the students' support.

Much has been added to the paper in the way of prestige and importance and both the readers and advertisers are coming to a full realization of its worth to them.

In closing we solicit your support next year and pledge our earnest efforts to your needs. The Blue and White is for K. H. S., and you, and will continue to operate with that in mind as part of its policy.

THE MAGIC OF A SMILE

The thing that is cheapest and goes the farthest in the world, is a smile. It is the most valuable asset any person can possess.

There are a good many kinds of smiles, sarcastic smiles, sad smiles, angry smiles, and goodwill smiles. Of these the goodwill smile is the one which everyone should cultivate.

A little boy once was climbing a tree when a live wire which had fallen from a pole during a storm struck his mouth and paralyzed it. Whenever he tried to smile after that he could only twist his mouth into such an expression that his appearance was repulsive. His father sued the power company which had allowed the wire to be neglected for \$40,000 and the jury granted it to him. But even that sum could not compensate the child for the handicap which would remain with him as long as he lived.

Your smile is worth all of that to you and yet you allow it to lie neglected and forgotten. Just as your smile is reflected in the mirror so it is also reflected in the faces of the people whom you meet.

If you don't believe it, just try it on the next person you meet.

and get a paper, because The Sentinel office nearly sold out.

—K—

Play ball, Horace! Now that you have nine on each side, it will be sort of a ticklish game, won't it?

—K—

We have a trade last for you now Shorty. Sunday we heard some U. T. boys just raving over your picture down at Knaffles.

—K—

Had an exciting time Monday night, didn't you, Bonnie? Your burglar costume certainly was becoming.

—K—

We understand that Annette has begun to be called Mrs. Hoge here lately. You'll call again, won't you, Love?

—K—

Well Virginia, we hear that the day is set for the last of June or the first of July. How about it?

—K—

Did you all know that "Old Ironsides" had a birthday Monday and had dinner that night? Oh yes, he did, and Sheeny was all dressed up so pretty.

—K—

Greasy seems to be pretty good at swapping Fords, doesn't he? How about getting us one while you're at it, Greasy?

—K—

Seems to be quite the thing to hold hands over at the U. T. track we saw Louise Manning participating, with "Fats" as an accomplice.

—K—

Honestly, don't you all think Deck Green is good? We'll bet on him against Nurmi any old time.

—K—

Where is everybody going to get all of their inside news since this old Spectator is nearly a thing of the past? Guess there won't be any more "bust-ups" now.

—K—

Maybe Bob was not a bit embarrassed when he knocked his hat off on Gay street last Friday. That was not a bit dignified Bob.

—K—

Where is it that Ed Hunt goes visiting to on Saturday night.

MESSAGE LEFT BY P. T. A. PRESIDENT

A year ago this week we set forth upon an "adventure brave and new" for such is always a new administration. With the magnificent work carried on by the previous administration with Mrs. C. L. Peckinpaugh as their leader, we realized more than ever the goal set before us and the efforts that must be made to accomplish that objective. Now as the year has drawn to a close, it is a joy to look back and see the united efforts put forth by all the faithful workers and to note the progress made in interest and attendance upon the meetings month by month and the increased membership.

Financially, our year has been satisfactorily, with an expenditure of more than \$644 for the school benefits and the grand piano debt reduced from \$571 to less than \$60. We have also established a student loan fund with more than \$159 credited to this fund.

The spirit of co-operation throughout the entire year has been most remarkable and helpful. "The sweetest flowers in Life's Garden are the blooms of appreciation" and as your retiring president, I wish to express my personal gratitude to the staff of The Blue and White for their splendid publicity during the year and other assistance given that was most helpful; to the students and directors of the different musical organizations who have contributed such attractive musical numbers on various programs; to each and every member of the faculty for the inspiration given by their regular attendance at all the meetings and the expressions of encouragement all during the year.

And to my own co-workers—the members of my executive board, "without you, I could have accomplished nothing." Your staunch support at all times, your words of kindness, your hearty response to every call, your cheerfulness, and your efficient and helpful suggestions have made it a real delight to labor with you—it has indeed been a year of love and service.

In the words of one of our great leaders, "looking backward thankfully, looking forward hopefully, looking upward prayerfully, looking onward faithfully", my wish is that the success of this year may be an encouragement to our entire organization to go forward with greater zeal and assist the new administration in making High School P. T. A. the greatest association in the city and in the state. With such leaders as our incoming officers and our determination to uphold them, we can accomplish this goal.

MRS. LOGAN REID.

BRUMMITT MOST REMARKABLE PLAYER IN HIGH SCHOOL AND PREP CIRCLES

By George L. Egbert

While there are pitchers in high school and college who are making their first appearance this year on the baseball diamond, Charlie Brummitt, one-armed pitching wonder, and pilot of Knoxville High School's baseball squadron, makes his last stand this spring under the gonfalon of the Blue and White.

Brummitt heads City High's staff of pitching artists. He has received unusual recognition for a high school pitcher. His distinctive fighting spirit, always evident in the box, has instilled confidence into the team and the spectators.

Charlie is believed to be one of the most remarkable pitchers in the game today. With only one arm he pitches, catches and bats as well, and a good deal better than the average ball player of his age.

Ever since Charlie has been big enough to push a bat across the floor he has been playing baseball. He was originally from Oliver Springs, where he was born in 1904. In 1920 he played on the Oliver Springs high school team.

During the summers he keeps fit by playing with other teams. He was outfielder on the Oliver Springs nine in the Roane county league, which included six surrounding towns in 1921. He also played with Everetts high school, Everetts, Ky., in 1921. The next year he was manager of the Oliver Springs club.

Then he came to Knoxville High School, playing his first season in 1923, as a sub. In 1924 he came into his own, blossoming out as City High's most valuable moundsman. He has speed, control, and a good supply of curves.

He is right-handed and holds his glove under the pit of his arm when pitching the ball. When making a catch he shifts the glove to his hand in time to make the stop. He has few errors

charged against him, and has been hitting at a good clip for a pitcher.

In making a stop from the bat he is forced to take off the glove in order to throw the ball. This is done as quick as one can bat an

Charlie Brummitt

eye, and very seldom he makes a fluke in changing.

At bat he grasps the willow with one arm, and rests the blunt of his other arm against the bat. In this way he puts the force of both of his arms in the swing.

MRS. LOGAN REID HOSTESS MON. TO EXECUTIVE BOARD

Floral Decoration of Roses and Pansies, By Mrs. Ijams Notable Feature.

Monday afternoon at 3 p. m., in the High school lunch room, Mrs. Logan Reid, president of the Parent-Teachers' association, tendered a luncheon for the old and the new officers and members of the Executive Board. The following High school faculty members were present: Mr. Evans, Mrs. Searle, Miss Champe, Mrs. Rice, Mr. Stineman, Miss Rule, and Mr. Hackney.

The affair came as a surprise to all the faculty members of the board.

A notable feature was the beauty of the decorations, furnished and arranged by Mrs. Ijams. Roses and pansies of all colors decked the tables, which were artistically arranged in the form of a "T".

Mrs. Reid has done a splendid work as president of the Association this year and leaves to her successor, Mrs. Venable, an organization that is in splendid condition to be of even greater service to the high school. It is her hope as expressed at the business session which preceded the luncheon, that the piano will be entirely paid for when school opens in the fall.

The Blue and White congratulates Mrs. Reid and pledges to her successor the same loyal support which it has endeavored to lend to the retiring president.

Dot Rutherford. Oh, I was quoting the girl in front of me.

PROMISE OF BEST IN SENIOR PLAY

House of Rimmon Supports Largest Cast In K. H. S. History.

The Senior Class play has been progressing nicely of late. A few characters have been changed but as a whole the play "The House of Rimmon," has gone evry smoothly in rehearsals. The picture of the cast will be taken Friday afternoon on the front steps. On next Saturday complete rehearsal will be held. The play is to be produced May 25 and 26 at the Lyric theater, the two days before the commencement exercises, which will be held Thursday, May 27.

Recently a Blue and White reporter interviewed Miss Helen Galbreath, who is the director of the play. Miss Galbreath said: "The play has been progressing very satisfactory and I am well pleased with the progress we have made. I feel confident to promise that "The House of Rimmon," will be the best class play that has ever yet been produced by a senior class of Knoxville High school. It has surpassed all expectations."

Nuts From the Gym Machinery

By Nadine Metcalf

All games in the girls tennis tournament up to the semi-final must be played Monday morning.

Worth Maby's fourth period baseball team will play Greta Biddle's eight period

nine next week for the championship.

—K—

The sixth period Tues-Thurs beat the sixth period Mon-Wed by a good score.

All the girls of the losing classes have decided it is loads more fun to play captain ball anyway.

—K—

The tennis-finals will be played the first part of next week and the finals the last half.

—K—

All the winners will be awarded letters in both baseball and tennis as the case might be.

—K—

The teams that are in the finals now had an awfully hard time getting there and one point decided the games.

Record Breaker

Dexter Green

We have with us in this issue Dexter Greene, one of the members of the track team. This season completes his third with the Blue and White. He was a member of the relay team that won the Southern championship last year and is one of the champion quartette of this year. For three consecutive years he has won the annual cross-country run held by the Journal.

Saturday, he added further to his laurels by breaking the record for the mile and the half-mile runs at the inter-scholastic meet held at U. T. Dexter is a Senior and his place on the track squad will be hard to fill.

ANNUAL CIRCUS AT U. T. TONIGHT

Manager of Yearly Event Speaks in Lower Chapel.— Chorus, Orchestra Perform.

In lower class chapel Wednesday, Thurber Wolfe announced that the last meeting of the Debating clubs will be held Thursday afternoon at 3:00 o'clock in Mr. Northcutt's room. A large attendance is desired as the plans for next year will be made.

Mr. Burke, who is in charge of the U. T. circus for this year, announced the date the circus is to be held. This is Friday, May 8, 8:00 o'clock, at Jefferson Hall. The admission will be fifty cents.

Mr. Evans announced that we play Baylor at Caswell Park, Friday and Saturday. Next week our team goes to Chattanooga and closes the 1925 season with a return brace of games with Baylor. If High School can win as many as three of these four games the Blue and White warriors will be undisputed state champions. So come on out and help K. H. S. become the state champions of Tennessee.

The K. H. S. orchestra, under the able supervision of Mr. Garratt and Mr. Julian Jones and the chorus in the charge of Mr. Parker were present, in keeping with National Music week, and rendered a delightful program. The program was as follows:

1. Orchestra — "Messenger March."
2. Chorus — "Legens of Chimes from 'Robin Hood'."
3. Orchestra—"In the Gypsy Camp."
4. Orchestra and Chorus — "A Night in May."

—K—

LIBRARY NEWS

PETER AND WENDY

By J. M. Barrie

Reviewed by Rufus Agee

"Peter and Wendy" is a classic of gentle whimsy. Please read the book and then pass judgment upon it—and me. Most of you will laugh at it scornfully, call it a "baby book," and say that you enjoy real literature, and pick up "The Mine with the Iron Door" or some similar story of the big open where men wear their sleeves rolled and let the wind blow through their hair.

True, it is an ideal "fairy story", and one which children can enjoy immensely. But it is far, far more than that. It leaves the big, clean hills, and the big, red-blooded, double-chested Harold Bell Wright heroes who infest said hills, painfully behind, to be used by the unfortunate souls who care only for them.

For besides being a delightful fantasy, it is replete with the mellowest, most deftly written satire I have ever read.

The satire is not bitter, like that in Alice in Wonderland, and it is never cutting. The book was probably not written with as definite an object in view as was Carroll's classic, but throughout the story one finds gentlemanly criticism in the form of travesty.

In fact, many of the sequences

remind one of "Treasure Island," leaving that book in a ridiculous light, although all of Barrie's satire is so veiled and so gentle that one is not surprised to learn that he was an ardent admirer of Stevenson.

If you read it, do not go about it as you would peruse the Manufacturer's Record, or a report from the Presbyterian Missionaries in China, but try to enter into the spirit of the thing, and realize that it is a fantastic story of another world. I believe you will find it a delightful book. If you do not, return to the gripping stories of the big open spaces, and we'll all be happy, won't we, dears?

Nine Wins and Highest Batting Average in State Is Trojan Record End of Tenth Game

Monroe and Brummitt Well Over 500 Percent Mark With Wagner Hitting It UP at .400; Ferrell and Paylor Field A 1000.

The baseball team has to date played ten games, of which all but one has been marked in the win column. The only one that has been lost was an eleven inning affair which was only dropped by a fluke. This gives the locals a percentage of .900 with four more games to go.

By actual statistics the results of the Trojan's games give them the best average of any team in the state. The entire squad has been to bat 359 times out of which they have collected 126 hits and scored an even hundred times for a total batting average of .366.

In the field two men have perfect records, Paylor with 18 putouts without a single bobble and Farrell with 28 putouts. The entire team has made 267 putouts

with only 29 errors for a fielding average of .944. White's record is one that probably cannot be equalled in prep school circles as he has played in every game in his old stamping ground at short with only four errors.

Individual batting averages:

	Bat.	Fldg.
AB. R. H. Pct. P.O. E. Pct.		
Julian	45 15 15 .333	15 1 .954
Horne	40 10 13 .250	7 5 .987
White	44 12 14 .273	19 4 .994
Foust	43 11 14 .256	12 4 .864
Wagner	40 7 16 .175	9 2 .975
Butler	37 9 12 .243	21 7 .868
Paylor	29 6 7 .207	18 0 1.000
Monroe	19 6 11 .316	7 1 .932
Brummitt	21 8 12 .381	5 2 .987
Ferrell	13 5 5 .384	28 0 1.000
Cockrum	24 8 6 .333	5 2 .875
Archer	3 3 1 .333	6 1 .900

BAYLOR CLOSES K. H. S. SEASON

Trojans Will Claim State Championship If Chattanooga Rivals are Disposed Of.

Today and tomorrow the home season in baseball will be closed with games from our closest rivals, Baylor. Last year the Red and Gray stopped a perfect record for the locals by winning two straight games with top-heavy scores.

If the Trojans take a majority of games from the Chattanooga team they will have an undisputed Southern. The Baylor nine has one of the best balanced teams in the state. The pitchers of the visiting team have a world of stuff with plenty of speed.

Charlie Brummitt and Bill Ferrell will have their hands full in keeping the clubs of the visitors from collecting with their offerings too much, while their fielding is far above the average.

After the two games here the Blue and White Trojans will formally close the season with Baylor in Chattanooga next Friday and Saturday.

This will be your last opportunity to see your team in action so every one turn out and give the team all the support you can. They need your help if they are going to win either the state title or Southern.

This will also be your last chance to see some of the players in action. Charlie Brummitt who is reputed to be the best tion of the state. Cockrum and Wagner will also be seen in Blue and White toggerly for the last time. When these check out the team will be left in a hole as Brummitt has been bearing the brunt of the pitching duties, while Wagner is one of the best hitters on the team. Cockrum is a good all-around man, playing equally well in the field or behind the bat.

Former K. H. S. Girl Is Queen at Central

A former Knoxville High girl, Mossie Portwood, occupied the throne of May Day Queen at Central High last week. She was elected for the honored position by a great majority.

As her King she chose John Jett also a student of Central High. At the affair, which was one of the prettiest of the season, the Queen was becomingly gowned in evening dress carrying a bouquet of white rosebuds. The maids also wore evening gowns and carried spring flowers.

My Virgil, 'tis of thee,
Short road to lunacy,
O'er thee I rave,
Another month or so
Of studying thee, I know,
Will send me straight below
Into the grave.

BRUMMITT HURLS THREE ON TRIP

Does Iron Man Stunt by Pitching three consecutive days On Road Trip.

The baseball team returned from their road trip with two new scalps to their credit. T. M. I. was played as an opener Friday with Charlie Brummitt on the mound for the locals. The next day Bradley county was the victor in the only game that any team has been able to take from the Trojans. On Saturday the tables were turned to make it three out of four from the Clevelanders.

In the T. M. I. game Charlie Brummitt allowed only three hits all in the fifth inning. All of the Cadets' runs were also collected in this stanza. While the Sweetwater team was registering their three runs the Trojans crossed the pan seven times.

Bill Ferrell started the heaving Friday, but lasted only one inning against the war clubs of Bradley. Brummitt relieved him giving a good account of himself, in the eleventh inning with two outs and two on, Wolfe came to bat and sent a high flier to Wagner which in running down he tripped in the rough outfield. This let in the winning run giving our opponents the heavy end of a 7 to 6 score.

The next day Brummitt essayed the iron man stunt by doing the flinging for three consecutive days. On this occasion the locals were able to take the large end of an 8 to 5 score. This runs the games to ten with only one loss, that in eleven innings.

NOVEL MUSICIAN FOR MUSIC WEEK

Mr. Clyde Capps Player of Forty Instruments Entertains Both Chapels

In keeping with the spirit of National Music Week, Mr. Clyde Capps, a local musician performed in chapel Monday and Tuesday. Of forty instruments on which he is capable of playing, Mr. Capps played four.

The first selection was on a Chinese Traunerei of one string. The second selection, "The Flower Song" was played on a cigar box fiddle made in Knoxville from a broom handle, cigar box, and a coat hanger. It cost 14 cents.

On the Flexatone he played "A Smile Goes a Long, Long Way," and "When Clouds Have Vanished". He also rendered one number on the guitar by means of a violin bow, a decidedly new feature in K. H. S. chapel.

There is little doubt that but what the locals could win in a dual meet with either Baylor or Asheville, but in the interscholastic meet one team would take the points away where we would win them from the other.

Baylor is here today with their baseball team determined to repeat the victory of last year and also the track meet.

Pritchett went another inch higher Saturday. This puts him up to ten feet three inches.

Tittsworth The best teams lose some times. The Blue and White Trojans lost their first this year on the road trip. Bradley was the team to turn the trick. Just the same we took three out of four from them.

Dexter Greene was stepping out last Saturday as he broke two records for the U. T. Interscholastic Track meet. He covered the mile in 4:39 2-5, while the 880 was crossed in 2:09 1-5.

Last year Baylor was the only team to take two straight baseball games from the locals. Everybody turn out to see the last home game of the season.

The relay team lived up to expectations by setting a new U. T. record for the distance.

Both Lobetti and Buchanan, were handicapped in the track meet with sore legs. Both, however, went five feet, five inches.

LARGEST SENIOR CLASS HAS 319

(Continued from Page 1)
 "Kimmion" is the largest and most talented that has given a play in connection with the senior class. The play is written by Henry Van Dyke, and the settings, costumes, dancing, and music is Egyptian throughout.
 The Domestic Art Department made the costumes, the Art Department is making all shields too. Knoxville High School orchestra will furnish the music.

SHEPHERD IS NEW HEAD OF SCHOOLS

(Continued from Page 1)
 the board of education, of business and professional men, and of patrons generally, in support of scholarship, clean athletes, and character development in the high school. His masterful grasp problems fit him peculiarly for outstanding success in the new position at Knoxville. Mr. Shepherd is a member of the National Education association, the Department of Superintendence, the National Principals' association, the Society for the Promotion of Education, the Kansas Schoolmasters' club, the Lincoln Rotary club, the Lincoln Chamber of Commerce, and other educational and civic organizations. He is an active member of the Chicago Phi Delta Kappa educational fraternity. In character and personality, in training and experience, and in civic and educational outlook, Mr. Shepherd stands in the upper group of the successful school administrators of the country.

SUPT. OF SCHOOLS FOURTEEN YEARS

(Continued from First Page)
 Schools and organization of present H. S. as a Senior H. S.
 In the school system at large the schools have grown from 8,000 to nearly 20,000 in attendance. The number of buildings from 18 to 41. The number of teachers from 175 to 480. In 1911 no Manual Training or Domestic Science taught in the grades. Today these are taught in all the schools of any size.
 Supt. Miller has from the first recognized the problems of overcrowding as the greatest of Knoxville's problems. From the first he has advocated an expansion of the school rooms in order that all pupils might have opportunity for an all day school and that there might be means given for broadening the work of the schools to meet more nearly the needs of the individual pupil. His motto, for the service of the people as a superintendent has been "Education of all the children of all the people, to fit their personal qualities and to fit them for the activities of life."
 The Knoxville Schools have a high position among the leading schools of the state and of the South.
 The interests of the children have been Supt. Miller's guiding influence in the conduct of the City Schools.

WAR DEPT. OFFICER TO INSPECT UNIT AT ANNUAL REVIEW

May 19th Is Date Set For Annual Competition and Final Inspection.

The annual Competitive drill will be held at Caswell Park, May the 19th. This is the sixth annual drill and it has always been a success. Knoxville High school won the Honor High School of the fourth Corps Area in 1923 and prospects are good for repeating the feat this year.
 The inspector from the War Department will be present to judge the drill. The officers from the University R. O. T. C., will also be present. One of the chief events will be the competition for the Morgan medal. This medal is awarded by Mr. Morgan of The Sentinel to the neatest and best drilled cadet in the Battalion exclusive of cadet
